AN ORDINANCE relating to historic preservation; imposing controls upon The Fairfax, a landmark designated by the Landmarks Preservation Board under Chapter 25.12 of the Seattle Municipal Code, and adding it to the Table of Historical Landmarks contained in Chapter 25.32 of the Seattle Municipal Code.

WHEREAS, the Landmarks Preservation Ordinance, Chapter 25.12 of the Seattle Municipal Code (SMC),

establishes a procedure for the designation and preservation of sites, improvements, and objects having historical, cultural, architectural, engineering, or geographic significance; and

WHEREAS, the Landmarks Preservation Board (“Board”), after a public meeting on May 5, 2021, voted to approve the nomination of the improvement located at 1508 10th Avenue E and the site on which the improvement is located (which are collectively referred to as “The Fairfax”) for designation as a landmark under SMC Chapter 25.12; and

WHEREAS, after a public meeting on June 16, 2021, the Board voted to approve the designation of The Fairfax under SMC Chapter 25.12; and

WHEREAS, on February 2, 2022, the Board and The Fairfax’s owner agreed to controls and incentives to be applied to specific features or characteristics of the designated landmark; and

WHEREAS, the Board recommends that the City Council enact a designating ordinance approving the controls and incentives; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Designation. Under Seattle Municipal Code (SMC) 25.12.660, the designation by the Landmarks Preservation Board (“Board”) of the improvement located at 1508 10th Avenue E and the site on which the improvement is located (which are collectively referred to as “The Fairfax”) is acknowledged.

A. Legal Description. The Fairfax is located on the property legally described as:

All of Lot 5 and the west 17 feet of Lot 2 in Block 3 of the 1904 Hollywood Addition to the city of Seattle according to the plat thereof, recorded in Volume 11 of plats, page 43, in King County, State of Washington.

B. Specific Features or Characteristics Designated. Under SMC 25.12.660.A.2, the Board designated the following specific features or characteristics of The Fairfax:

1. The site.
2. The exterior of the building.
3. The main interior stairway.

C. Basis of Designation. The designation was made because The Fairfax is more than 25 years old; has significant character, interest, or value as a part of the development, heritage, or cultural characteristics of the

City, state, or nation; has integrity or the ability to convey its significance; and satisfies the following SMC 25.12.350 provisions:

1. It embodies the distinctive visible characteristics of an architectural style, or period, or of a method of construction (SMC 25.12.350.D).

2. It is an outstanding work of a designer or builder (SMC 25.12.350.E).

Section 2. Controls. The following controls are imposed on the features or characteristics of The Fairfax that were designated by the Board for preservation:

A. Certificate of Approval Process.

1. Except as provided in subsection 2.A.2 or subsection 2.B of this ordinance, the owner must obtain a Certificate of Approval issued by the Board according to SMC Chapter 25.12, or the time for denying a Certificate of Approval must have expired, before the owner may make alterations or significant changes to the features or characteristics of The Fairfax that were designated by the Board for preservation.

c. Planting of new trees in locations that will never obscure the view of designated features of the landmark, or physically undermine a built feature of the landmark.

1. The CHPO may review and approve alterations or significant changes to the features or characteristics listed in subsection 2.B.3 of this ordinance according to the following procedure:

a. The owner shall submit to the CHPO a written request for the alterations or significant changes, including applicable drawings or specifications.

2. If the CHPO does not approve the alterations or significant changes, the owner may submit revised materials to the CHPO, or apply to the Board for a Certificate of Approval under SMC Chapter 25.12. The CHPO shall transmit a written decision on the owner's request to the owner within 14 days of receipt of the request. m. Installation of photovoltaic panels on the main roof.

n. Installation of new skylights on the main roof.

o. Installation, removal, or alteration of minor landscape features.

p. Emergency repairs or measures (including immediate action to secure the area, install temporary equipment, and employ stabilization methods as necessary to protect the public's safety, health, and welfare) to address hazardous conditions with adverse impacts to the building or site as related to a seismic or other unforeseen event. Following such an emergency, the owner shall adhere to the following:

1) The owner shall immediately notify the City Historic Preservation Officer and document the conditions and actions the owner took.
