CITY OF SEATTLE

ORDINANCE \_\_\_\_\_

COUNCIL BILL \_\_\_\_\_

AN ORDINANCE relating to public outreach and engagement; creating a Community Involvement Commission to advise and make recommendations to the Mayor and City Council; amending Sections 3.35.010, 3.35.030, and 3.35.050 of the Seattle Municipal Code; and adding a new Chapter 3.62, consisting of Sections 3.62.010, 3.62.020, 3.62.030, 3.62.040, 3.62.050, and 3.62.060, to the Seattle Municipal Code.

WHEREAS, the mission of the Department of Neighborhoods is to support and build inclusive partnerships across the City in order to provide Seattle communities with equitable access to government resources;

and

WHEREAS, a focus on equity is essential to any community involvement process in order to build relationships and improve outcomes, especially for under-represented and under-served communities, including, but not limited to, renters, immigrants and refugees, communities of color, people experiencing homelessness, LGBTQ persons, low-income households, youth, and seniors; and

WHEREAS, Resolution 27709, adopted in 1987, Resolution 28115, adopted in 1989, and Resolution 28948, adopted in 1994, established a process for dividing Seattle into 13 neighborhood District Council districts, each with a District Council comprised of local residents, business owners and other community members that provide representatives to the citywide City Neighborhood Council; and

WHEREAS, pursuant to Resolution 27709, Resolution 28115, and Resolution 28948, District Councils and the City Neighborhood Council receive dedicated staff support from the Department of Neighborhoods, review and provide input on City budget issues, and are tasked with rating and ranking eligible applications for Neighborhood Matching Fund allocations; and

WHEREAS, as the composition of Seattle's population continues to change, the City needs to continually revisit, revise, and expand its public engagement efforts in order to ensure representatives from growing demographic groups have opportunities to participate in City decision-making processes that respond to their unique preferences and needs, and that barriers that discourage people from participating are eliminated; and

WHEREAS, the public involvement programs and practices advanced by City departments should reflect Seattle's commitment to the Race and Social Justice Initiative, which focuses on ending structural racism and race-based inequities both within City government and across the community; and

WHEREAS, as part of the City's 2016 Adopted Budget, the City Council requested that the Department of Neighborhoods develop a plan to provide more equitable community engagement, with a particular focus on Department of Neighborhoods staff resources assigned to support the District Council system;

and

WHEREAS, on July 13, 2016, Mayor Murray issued Executive Order 2016-06 directing the Department of Neighborhoods to prepare an ordinance that (1) creates a Seattle Community Involvement Commission, and (2) supports the implementation of more equitable public involvement techniques by amending Chapter 3.35 of the Seattle Municipal Code to end the practice of providing District Councils and the City Neighborhood Council with unique and prioritized access to City resources, thereby affording Department of Neighborhoods staff the capacity to assist and engage a broader range of community voices; NOW, THEREFORE,
