- WHEREAS, the Federal Aviation Authority (FAA) built a radar tower in Discovery Park, known as the Fort

 there since; and
- WHEREAS, the Fort Lawton ARSR facility is a vital link in the FAA's mission to monitor our skies and keep our airspace safe; and
- WHEREAS, this facility is located in Discovery Park, a regional park used and enjoyed by thousands of residents; and
- WHEREAS, the Friends of Discovery Park submitted a proposal for improvements to the FAA's facility recommending that the surrounding fence lines of the Fort Lawton ARSR facility site be modified to provide additional park and open space without compromising the operational security of the FAA's facility; and
- WHEREAS, if the FAA agrees to reduce the footprint of the existing fence lines and transfer the available property to the City, Seattle Parks and Recreation (SPR) will commit to maintaining the additional space, outside of the fencing, in the same manner as it maintains the contiguous park property; NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR CONCURRING, THAT:
