- (g) after the adoption of each update to the strategic plan, work closely with staff designated by the Mayor and the Council to propose, in writing, a biennial work program to the Mayor and Council. Work program items may include, but are not limited to, financial policies, cost allocation, rate design, operational efficiency, issues requested by the Mayor or the Council, and issues the Panel believes the Mayor and the Council should consider.
- (h) The Council continues to expect the Panel to provide the Mayor and the Council with analyses and recommendations on significant elements of the strategic plan including, but not limited to, financial

policies, cost allocation, rate design, operational efficiency, and to submit its recommendations to Mayor and the Council or, if a collective recommendation cannot be reached, a recommendation indicating the majority and minority positions and the rationales for those positions.

Section 3. Section 6 of Ordinance 123256 is amended as follows:

Section 6. Reserved.~~((Rate Setting-~~

~~The Council will not adopt rate changes proposed by the Mayor for at least sixty days after the Council Bill authorizing the rate change has been referred by the Council to the relevant standing Committee to allow the Panel sufficient time to review the proposed changes and sufficient opportunity for the public to provide input to both the Panel and the Council. However, this restriction does not apply to rate changes initiated by the Council to address emergent issues or to protect the financial integrity of the utility.))~~

Section 4. Section 8 of Ordinance 123256 is amended as follows:

Section 8. Support for the Panel.

~~((The Executive shall provide logistical and staff support to the Panel, and will))~~ Each year, funding for the Panel shall be determined by the Office of the Mayor in consultation with City Light and the City Budget Office. Section 5. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
