ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to Seattle Public Utilities; authorizing the Director of Seattle Public Utilities to accept the grant of a non-exclusive easement within the West Waterway of the Duwamish River from the Washington State Department of Natural Resources for a City-owned sanitary sewer line.

WHEREAS, Seattle Public Utilities owns a sanitary sewer line that crosses under the West Waterway of the

Duwamish River, which is owned by the Washington Department of Natural Resources; and

WHEREAS, the sewer line was ruptured in 2009, necessitating installation of a new sewer line south of the

damaged sewer line; and

WHEREAS, the Department of Natural Resources gave permission for installation of the new sewer line on an emergency basis; and
