With respect to any Bonds authorized by the Ordinance, which are outstanding as of the effective date of this amendatory ordinance, the amendments contained herein shall be of no force or effect and the provisions of the Ordinance prior to the effective date of this amendatory ordinance shall continue in effect with respect to those outstanding Bonds.

Section 2. Amendments to Section 1 of the Ordinance. Section 1 of Ordinance 121940, as amended by Ordinance 122498, is amended and restated as follows:

Section 1. Definitions. As used in this ordinance, the following ~~((words and phrases))~~ capitalized terms shall have the following meanings~~((set forth below.))~~:

“Accreted Value” means with respect to any Capital Appreciation Bond~~((s))~~ (a) as of any Valuation Date, the amount set forth for such date in any Parity Bond ~~((Ordinance))~~ Legislation authorizing such Capital Appreciation Bond~~((s))~~ and (b) as of any date other than a Valuation Date, the sum of (i) the Accreted Value on the preceding Valuation Date and (ii) the product of (A) a fraction, the numerator of which is the number of days having elapsed from the preceding Valuation Date and the denominator of which is the number of days from such preceding Valuation Date to the next succeeding Valuation Date, calculated based on the

assumption that Accreted Value accrues during any semiannual period in equal daily amounts on the basis of a year of twelve 30-day months, ~~((times))~~multiplied by (B) the difference between the Accreted Values for such Valuation Dates.

“Acquired Obligations” means those Government Obligations purchased to accomplish the ~~((refunding of the Refunded Bonds))~~Refunding Plan, consistent with the Refunded Bond Legislation and any applicable agreements with ~~((providers))~~a provider of ~~((Qualified))~~Bond Insurance or Qualified Letters of Credit.

“Adjusted Annual Debt Service” for any fiscal year means Annual Debt Service minus ~~((1))~~a an amount equal to earnings from investments in the Reserve Subaccount and ~~((2))~~b Annual Debt Service provided for by Parity Bond proceeds.

“Adjusted Gross Revenue” for any period means Gross Revenue, plus withdrawals from the Rate Stabilization Account made during that period, and minus ~~((1))~~a earnings from investments in the Reserve Subaccount and ~~((2))~~b deposits into the Rate Stabilization Account made during that period.

“Adjusted Net Revenue” means Adjusted Gross Revenue less Maintenance and Operation Expenses.

“Annual Debt Service” for any calendar year means the sum of the amounts required in such calendar year to pay~~((÷ (a)))~~the interest due in such calendar year on all Parity Bonds outstanding, excluding interest to be paid from the proceeds of the sale of Parity Bonds or other bonds; ~~((and (b)))~~the principal of all outstanding Serial Bonds due in such calendar year; and~~((÷ (c)))~~the Sinking Fund Requirement, if any, for such calendar year.

(a) For purposes of this definition, the principal and interest portions of the Accreted Value of Capital Appreciation Bonds becoming due at maturity or by virtue of a Sinking Fund Requirement shall be included in the calculations of accrued and unpaid and accruing interest or

principal in such manner and during such period of time as is specified in any Parity Bond (~~Ordinance~~))Legislation authorizing such Capital Appreciation Bonds.

(b) For purposes of calculating and determining compliance with (~~the Reserve Requirement,~~))the Coverage Requirement, the Reserve Requirement and the conditions for the issuance of Future Parity Bonds and/or entering into Parity Payment Agreements, the following shall apply:

(i) **Generally.** Except as otherwise provided by (~~sub~~))paragraph (ii) of this subsection with respect to Variable Interest Rate Bonds and by (~~sub~~))paragraph (iii) (~~below~~))of this subsection with respect to Parity Bonds with respect to which a Payment Agreement is in force, interest on any issue of Parity Bonds shall be calculated based on the actual amount of accrued, accreted or otherwise accumulated interest that is payable in respect of that issue taken as a whole, at the rate or rates set forth in the applicable Parity Bond (~~Ordinance;~~))Legislation.

(ii) **Interest on Variable Interest Rate Bonds.** The amount of interest deemed to be payable on any issue of Variable Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds would be equal to the rate that is (~~ninety percent~~ ~~()~~)90%(~~()~~) of the average RBI during the four calendar quarters preceding the quarter in which the calculation is made (~~()~~).

(iii) **Interest on Parity Bonds With Respect to Which a Payment Agreement is in Force.** Debt service on Parity Bonds with respect to which a Payment Agreement is in force shall be based on the net economic effect on the City expected to be produced by the terms of the Parity Bonds and the terms of the Payment Agreement, including but not limited to the effects produced by the following: (A) Parity Bonds that would, but for a Payment Agreement, be treated as obligations bearing interest at a Variable Interest Rate instead shall be treated as obligations bearing interest at a fixed interest rate, and (B) Parity Bonds that

would, but for a Payment Agreement, be treated as obligations bearing interest at a fixed interest rate instead shall be treated as obligations bearing interest at a Variable Interest Rate. Accordingly, the amount of interest deemed to be payable on any Parity Bonds with respect to which a Payment Agreement is in force shall be an amount equal to the amount of interest that would be payable at the rate or rates stated in those Parity Bonds plus Payment Agreement Payments minus Payment Agreement Receipts. For the purposes of calculating as nearly as practicable Payment Agreement Receipts and Payment Agreement Payments under a Payment Agreement that includes a variable rate component determined by reference to a pricing mechanism or index that is not the same as the pricing mechanism or index used to determine the variable rate interest component on the Parity Bonds to which the Payment Agreement is related, it shall be assumed that the fixed rate used in calculating Payment Agreement Payments will be equal to 105% of the fixed rate specified by the Payment Agreement and that the pricing mechanism or index specified by the Payment Agreement is the same as the pricing mechanism or index specified by the Parity Bonds. Notwithstanding the other provisions of this ((sub))paragraph(((iii))), the City shall not be required to (but may in its discretion) take into account in determining Annual Debt Service the effects of any Payment Agreement that has a term of ten (((10-)))years or less.((;))

(iv) Parity Payment Agreements. No additional debt service shall be taken into account with respect to a Parity Payment Agreement for any period during which Payment Agreement Payments on that Parity Payment Agreement are taken into account in determining Annual Debt Service on related Parity Bonds under ((sub))paragraph (iii) of this definition. However, for any period during which Payment Agreement Payments are not taken into account in calculating Annual Debt Service on any outstanding Parity Bonds because the Parity Payment Agreement is not then related to any outstanding Parity Bonds, payments on that Parity Payment

Agreement shall be taken into account by assuming:

(A) City Obligated To Make Payments Based On Fixed Rate. If the City is obligated to make Payment Agreement Payments based on a fixed rate and the Qualified Counterparty is obligated to make payments based on a variable rate index, that payments by the City will be based on the assumed fixed payor rate, and that payments by the Qualified Counterparty will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and

(B) City Obligated To Make Payments Based On Variable Rate Index. If the City is obligated to make Payment Agreement Payments based on a variable rate index and the Qualified Counterparty is obligated to make payments based on a fixed rate, that payments by the City will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and that the Qualified Counterparty will make payments based on the fixed rate specified by the Parity Payment Agreement.

((Any successor Bond Registrar, in its written acceptance of its duties under this ordinance and the Bond Resolution, shall agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.))

((The book-entry system for registration of the ownership of the Bonds in fully immobilized form may be discontinued at any time if: (1) after notice to the City and the Bond Registrar, DTC determines to resign as Securities Depository for the Bonds; or (2) after notice to DTC and the Bond Registrar, the City determines that a continuation of the system of book-entry transfers through DTC (or through a successor Securities Depository) is not in the best interests of the City. In each of such events (unless, in the case described in clause (1) above, the City appoints a successor Securities Depository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the City or the Bond Registrar for the accuracy of such designation. Whenever DTC requests the City and the Bond Registrar to do so, or

whenever the City requests DTC and the Bond Registrar to do so after the determination by the City to replace DTC with a successor Securities Depository, the City and the Bond Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another Securities Depository to maintain custody of certificates evidencing the Bonds.))

The Bonds shall be typed, ~~((photocopied,))~~printed or ~~((lithographed on good bond paper))~~reproduced in a form consistent with the provisions of this ordinance, the Bond Resolution and State law~~((;))~~; shall be signed by the Mayor and Director of Finance, either or both of whose signatures may be manual or in facsimile~~((;))~~; and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a ~~((€))~~certificate of ~~((A))~~authentication in substantially the following form (with the designation, year~~((;))~~ and ~~((s))~~Series ~~((of the Bonds completed))~~adjusted consistent with this ordinance), manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: ~~((CERTIFICATE OF AUTHENTICATION))~~“This Bond is one of the fully registered The City of Seattle, Washington, [Solid Waste Refunding Revenue Bonds], [Year], [Series], described in ~~((the Bond Ordinance.))~~[this ordinance].” ~~((Bond Registrar By: __Authorized Signer))~~The authorized

signing of a ~~((C))~~certificate of ~~((A))~~authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.

If any officer whose manual or facsimile signature appears on ~~((the))~~a Bond~~((s))~~ ceases to be an officer of the City authorized to sign bonds before the Bond~~((s))~~ bearing his or her manual or facsimile signature ~~((are))~~is authenticated or delivered by the Bond Registrar or issued by the City, ~~((those))~~that Bond~~((s))~~ nevertheless may be authenticated, delivered and issued and, when authenticated, issued and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bonds.

Section 13. New Section 11 Added to the Ordinance. A new section is added to Ordinance 121940, to be numbered Section 11, as follows:

Section 11. Deposit and Use of Proceeds. Unless provided otherwise in the Bond Resolution, the principal proceeds and premium, if any received from the sale of each Series, in the amount necessary to carry out the Refunding Plan (including payment of costs of issuance and administrative costs of carrying out the refunding) approved in connection with such Series, shall be deposited with the Refunding Trustee and used in accordance with the provisions of Section 12 and the Refunding Plan to discharge the obligations of the City relating to the Refunded Bonds.

To the extent not necessary to carry out the Refunding Plan, excess proceeds received from the sale of a Series (including interest earnings thereon) shall be deposited into such funds, subfunds, accounts and subaccounts as the Director of Finance shall determine, consistent with

the Bond Resolution. The Director of Finance may apply any amounts remaining after the costs of issuance and the administrative costs of the Refunding Plan have been paid (or after the City Council has determined that the expenditure of such amounts for those purposes is no longer necessary or appropriate) to pay principal of and interest on that Series or for any other purposes approved by ordinance or by the Bond Resolution.

Section 14. Amendment to Section 12 of the Ordinance. Section 12 of Ordinance 121940 is deleted in its entirety:

~~((Section 12. **Bond Registrar.** The Bond Registrar shall keep, or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Bonds which shall be open to inspection by the City at all times. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and SMC Chapter 5.10 establishing a system of registration for the City's bonds and obligations, as that chapter now exists or may be amended. The City reserves the right in its discretion to appoint special paying agents, registrars or trustees in connection with the payment of some or all of the principal of or interest on the Bonds. If a new Bond Registrar is appointed by the City, notice of the name and address of the new Bond Registrar shall be mailed to the registered owners of the Bonds. The notice may be mailed together with the next interest payment due on the Bonds, but, to the extent practicable, shall be mailed not less than fifteen (15) days prior to a maturity date of the principal of any Bond.))~~

~~((The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on the Bonds. The Bond Registrar may become the registered owner of Bonds with the same rights it would have if it were not the Bond Registrar~~

and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of the registered owners of the Bonds.))

Section 15. Amendment to Section 13 of the Ordinance. Section 13 of Ordinance 121940 is deleted in its entirety:

~~((Section 13. Finding of Sufficiency of Gross Revenue. A series of Bonds will be issued only if the City finds and determines by the Bond Resolution (a) that the issuance and sale of such Bonds is in the best interest of the City and in the public interest, and (b) that the Gross Revenue, at the rates charged and to be charged from time to time upon the Solid Waste System consistent with Section 16(a) hereof, will be sufficient, in the judgment of the City, to meet all Maintenance and Operation Expenses and to provide the amounts previously pledged to pay and secure the payment of the principal of and interest on all outstanding obligations that are payable out of such Gross Revenue and the principal and interest on the Bonds authorized. In making such findings and determinations, the City shall have due regard to the cost of operation and maintenance of the Solid Waste System and to any portion of the Gross Revenue pledged for the payment of any bonds, warrants or other indebtedness.))~~

Section 16. Amendment to Subsection 14(a) of the Ordinance. Subsection 14(a) to Ordinance 121940 is renumbered as Section 14 and is amended and restated as follows:

Section 14. Security for ((Parity))the Bonds. ~~((a) Pledge of Net Revenue))~~The Bonds shall be special limited obligations of the City payable from and secured solely by the Net Revenue and by money in the Bond Account and the subaccounts therein, (including, without limitation, the Reserve Subaccount). ~~((The))~~ Net Revenue is pledged to make the payments into the Bond Account and the Reserve Subaccount required by ~~((paragraphs (b) and (c) of this Section))~~subsections (b), (c) and (d) of Section 15, which pledge shall constitute a lien and

charge upon such Net Revenue prior and superior to all other liens and charges whatsoever.

The Bonds shall be on a parity with the Outstanding Parity Bonds and all Future Parity Bonds, without regard to date of issuance or authorization and without preference or priority of right or lien. Nothing in this ordinance prevents the City from issuing revenue bonds or other obligations which are a lien or charge upon Net Revenue subordinate to the payments required to be made from Net Revenue into the Bond Account and the subaccounts therein.

The Bonds shall not in any manner or to any extent constitute general obligations of the City, the State or any political subdivision of the State or a lien or charge upon any general fund or upon any money or other property of the City, the State or any political subdivision of the State not specifically pledged thereto by this ordinance.

Section 17. Amendment to Subsections 14(b) and (c) of the Ordinance. Subsections 14(b) and (c) of Ordinance 121940 are renumbered as Section 16 and are amended and restated as follows:

~~(([Section 14] (b)))~~**Section 16. Bond Account((; Principal and Interest Subaccount)).**

A special account of the City known as the “Bond Account” has been created and shall be maintained as a separate account within the Solid Waste Fund, for the sole purpose of paying the principal of and premium, if any, and interest on the Parity Bonds as the same shall become due. The Bond Account consists of the Principal and Interest Subaccount and the Reserve Subaccount and such additional subaccounts as the Director of Finance may deem necessary. ~~((The Parity Bonds shall be payable, p))~~Principal of, premium((;)) (if any)((;)) and interest on the Parity Bonds((;)) shall be payable out of the Bond Account.

(a) Required Payments Into the Bond Account. From and after the issuance of the Bonds, and so long thereafter as any Parity Bonds are outstanding against the Bond Account (including any Payment Agreement Payments required to be made under any Parity Payment Agreements), the Director of Finance shall set aside and pay into the Principal and Interest

Subaccount on or prior to the respective dates on which the interest on or principal of and interest on the Parity Bonds shall become due and payable certain fixed amounts out of the Net Revenue sufficient to pay such interest or principal and interest as the same shall become due.

(b) Reserve Subaccount. The Reserve Subaccount previously has been created and maintained as a subaccount within the Bond Account for the purpose of securing the payment of the principal of and interest on all Parity Bonds outstanding (including amounts due under any Parity Payment Agreements if required under such agreement).

(c) Investment of Money in Bond Account. Money in the Principal and Interest Subaccount shall, to the fullest extent practicable and reasonable, be invested and reinvested at the direction of the Director of Finance solely in, and obligations deposited in such accounts shall consist of, Permitted Investments. Earnings on money and investments in the Principal and Interest Subaccount shall be deposited in and used for the purposes of that subaccount.

~~(((c) Reserve Subaccount. (i) Creation; Investment. The Reserve Subaccount has been created and maintained as a subaccount within the Bond Account for the purpose of securing the payment of the principal of and interest on all Parity Bonds outstanding (including amounts due under any Parity Payment Agreements if required under such agreement).))~~Money held in the Reserve Subaccount shall, to the fullest extent practicable and reasonable, be invested and reinvested at the direction of the Director of Finance solely in, and obligations deposited in such accounts shall consist of, Permitted Investments. Earnings on money and investments in the Reserve Subaccount shall be deposited in that fund and credited against amounts required to be deposited therein until the Reserve Subaccount is fully funded, and thereafter such earnings shall be deposited in the Principal and Interest Subaccount.

(d) (((ii)(A)))Funding of Reserve Requirement. The City shall provide in the Bond Resolution with respect to the Bonds or in the Parity Bond ~~((Ordinance or resolution))~~

Legislation authorizing the issuance of any Future Parity Bonds for the deposit into the Reserve Subaccount out of the Net Revenue (or out of any other funds of the City on hand and legally available therefor, including proceeds of the Bonds or of the Future Parity Bonds being issued or any other Future Parity Bonds) of periodic payments so that by five ((5))years from the date of such Future Parity Bonds there will have been paid into the Reserve Subaccount an amount which, together with the money already on deposit therein, will be at least equal to the Reserve Requirement for all Parity Bonds outstanding at the end of that five-year period.

~~((B))~~Notwithstanding the foregoing, the Bond Resolution or any Parity Bond ~~((Ordinance))~~Legislation may provide for the City to obtain Qualified Insurance or a Qualified Letter of Credit for specific amounts required to be paid into the Reserve Subaccount. The amount available to be drawn upon under such Qualified Insurance or Qualified Letter of Credit shall be credited against the amounts required to be maintained in the Reserve Subaccount by ~~((Section 14(e)(ii)(A)))~~this subsection.

~~((C))~~Such Qualified Letter of Credit or Qualified Insurance shall not be cancelable on less than three ((3))years' notice. If the City receives any such notice of cancellation, the City shall substitute Qualified Insurance or a Qualified Letter of Credit in the amount required pursuant to ~~((Section 14(e)(ii)(B)))~~this subsection or in the alternative shall create a special account in the Solid Waste Fund and deposit therein, on or before the ~~((twenty-fifth ()))~~25th(()) day of each of the ~~((thirty-six ()))~~36(()) succeeding calendar months, ~~((one-thirty-six ()))~~1/36th(()) of the amount

~~((D))~~If the amount in the Reserve Subaccount shall be less than the Reserve Requirement (taking into account the five-((5))year period referred to in ~~((Section 14(e)(ii)(A)))~~this subsection, the City shall transfer to the Reserve Subaccount money in an amount sufficient to restore the Reserve Subaccount to the Reserve Requirement within ~~((twelve ()))~~12(()) months after the date of such deficiency. The City shall transfer such amounts from money in

the Solid Waste Fund (after making provision for payment of Maintenance and Operation Expenses and for the required payments into the Principal and Interest Subaccount). If the amount in the Reserve Subaccount shall be greater than the Reserve Requirement, then and only then may the City withdraw such excess from the Reserve Subaccount and deposit such excess in the Solid Waste Fund to be used for any lawful purpose.

~~((iii))~~**(e) Use of Reserve Subaccount for Refunding Bonds.** If any Parity Bonds are refunded, the money set aside in the Reserve Subaccount to secure the payment of such Parity Bonds may be used to retire such Parity Bonds or may be transferred to any Reserve Subaccount or account which may be created to secure the payment of any bonds issued to refund such Parity Bonds, as long as the money left remaining in the Reserve Subaccount is at least equal, together with any Qualified Insurance or Qualified Letters of Credit, to the Reserve ~~((Subaccount))~~Requirement.

~~((iv))~~**(f) Use of Reserve Subaccount for Payment of Debt Service.** If the money in the Principal and Interest Subaccount is insufficient to meet maturing installments of either interest on or principal of and interest on the Parity Bonds payable out of the Bond Account (including amounts payable under any Parity Payment Agreement), such deficiency shall be made up from the Reserve Subaccount by the withdrawal of money or proceeds of Qualified Insurance or Qualified Letters of Credit therefrom, as the case may be. Any deficiency created in the Reserve Subaccount by reason of any such withdrawal or claim against Qualified Insurance or a Qualified Letter of Credit shall then be made up out of the Net Revenue, after making necessary provision for the payments required to be made for debt service on any outstanding Parity Bonds consistent with Section 15~~((of this ordinance))~~.

~~((v))~~**(g) Withdrawals From Reserve Subaccount.** Money in the Reserve Subaccount may be withdrawn by the City for any lawful purpose as long as the aggregate of any money,

Qualified Insurance and Qualified Letters of Credit left remaining on deposit in the Reserve Subaccount is at least equal to the Reserve Requirement for the Parity Bonds then outstanding.

The City reserves the right to substitute Qualified Insurance or a Qualified Letter of Credit for money previously deposited in the Reserve Subaccount and to withdraw such money to the extent described in the preceding paragraph.

Any withdrawals from subaccounts within the Reserve Subaccount shall be made on a pro rata basis except when the provider of a Qualified Letter of Credit or Qualified Insurance requires all cash and investments in the Reserve Subaccount to be withdrawn before draws are made on the Qualified Letter of Credit or Qualified Insurance, or unless the City receives an opinion of Bond Counsel to the effect that such pro rata withdrawal is not required to maintain the exclusion of interest on the Parity Bonds then outstanding from gross income for federal income tax purposes.

Section 18. Amendment to Section 15 of the Ordinance. Section 15 of Ordinance 121940 is amended and restated as follows:

Section 15. Flow of Funds. ((The))Gross Revenue of the Solid Waste System shall be used for the following purposes only and shall be applied in the following order of priority:

- (a) To pay Maintenance and Operation((s)) Expenses;
- (b) To pay interest on Parity Bonds and Payment Agreement Payments when due;
- (c) To pay the principal of Parity Bonds as it comes due at maturity or as the principal is required to be paid pursuant to mandatory redemption requirements applicable to Term Bonds;
- (d) To make all payments required to be made into the Reserve Subaccount;
- (e) To make all payments required to be made into any revenue bond, note, warrant or other revenue obligation redemption fund, debt service account or reserve account created to

pay or secure the payment of the principal of and interest on any revenue bonds, notes, warrants or other obligations of the City having a lien upon the Net Revenue junior and inferior to the lien thereon for the payment of the principal of and interest on the Parity Bonds; and

(f) To retire by redemption or purchase (~~in the open market~~) any outstanding revenue bonds or other revenue obligations of the Solid Waste System, to make necessary additional betterments, improvements and repairs to or extensions and replacements of the Solid Waste System, to make deposits into the Rate Stabilization Account, or for any other lawful purposes of the Solid Waste System.

The City may transfer any money from any funds or accounts of the Solid Waste System legally available therefor, except bond redemption funds, refunding escrow funds or defeasance funds, to meet the required payments to be made into the Bond Account.

Section 19. Amendment to Section 16 of the Ordinance. Section 16 of Ordinance 121940 is renumbered as Section 17 and is amended and restated as follows:

Section ~~((16))~~17. Parity Bond Covenants.

(a) Establishment and Collection of Rates and Charges. The City will establish, maintain and collect rates and charges for services and facilities provided by the Solid Waste System and will adjust those rates and charges from time to time so that:

(i) Gross Revenue will be sufficient to (A) pay all Maintenance and Operation Expenses, (B) pay when due all amounts that the City is obligated to pay into the Bond Account and the subaccounts therein, and (C) pay all taxes, assessments or other governmental charges lawfully imposed on the Solid Waste System or the revenue therefrom or payments in lieu thereof and any and all other amounts which the City may now or hereafter become obligated to pay from the Gross Revenue by law or contract; and

(ii) Adjusted Net Revenue in each fiscal year will be at least equal to the

Coverage Requirement; and

(iii) Except to aid the poor or infirm, it will not furnish or supply or permit the furnishing or supplying of any service or facility in connection with the operation of the Solid Waste System free of charge to any person, firm or corporation, public or private.

The failure of the City to comply with ~~((sub))~~paragraphs (i) and (ii) of this ~~((Section 46 (a)))~~subsection shall not be an Event of Default under this ordinance if the City promptly retains ~~((a Professional))~~an Independent Utility Consultant to recommend to the City Council adjustments in the rates of the Solid Waste System necessary to meet the requirements of those ~~((sub))~~paragraphs and if the City Council adopts the recommended modifications within ~~((one hundred eighty (180)))~~180 days of the date the failure became known to the City Council.

(b) Maintenance and Operation of the Solid Waste System. The City will operate the properties of the Solid Waste System in an efficient manner and at a reasonable cost, and will maintain, preserve and keep, or cause to be maintained, preserved and kept, the properties of the Solid Waste System in good repair, working order and condition; and from time to time will make or cause to be made all necessary and proper repairs, renewals and replacements thereto so that at all times the business carried on in connection therewith will be properly and advantageously conducted.

(c) Liens Upon the Solid Waste System. Except as otherwise provided in this ordinance, ~~((#))~~the City will not at any time create or permit to accrue or to exist any lien or other encumbrance or indebtedness upon the Gross Revenue or any part thereof~~((s))~~ prior or superior to the lien thereon for the payment of the Parity Bonds, and will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Gross Revenue or any part thereof~~((s))~~ prior or superior to, or on a parity with, the lien of the Parity Bonds, or which might impair the security

of the Parity Bonds.

(d) Books and Accounts. ~~((#))~~The City will keep proper books, records and accounts with respect to the operations, income and expenditures of the Solid Waste System in accordance with generally accepted accounting practices applicable to governmental utilities and any applicable rules and regulations prescribed by the State. The City will prepare or cause to be prepared annual financial and operating statements as soon as practicable after the close of each fiscal year showing in reasonable detail the financial condition of the Solid Waste System as of the close of the previous year, and the income and expenses for such year, including the amounts paid into the Bond Account and into any and all special funds or accounts created pursuant to the provisions of this ordinance, the status of all funds and accounts as of the end of such year, and the amounts expended for maintenance, renewals, replacements and capital additions to the Solid Waste System. A copy of such annual financial statements shall be sent to any owner of Parity Bonds upon written request therefor being made to the City. The City may charge a reasonable cost for providing such financial statements.

(e) Collection of Delinquent Accounts. On at least an annual basis, ~~((#))~~the City will determine all accounts that are delinquent and will take such actions as the City determines are reasonably necessary to enforce payment of those delinquent accounts.

(f) Maintenance of Insurance. ~~((#))~~The City at all times will carry fire and extended coverage, public liability and property damage and such other forms of insurance with responsible insurers and with policies payable to the City on such of the buildings, equipment, works, plants, facilities and properties of the Solid Waste System as are ordinarily carried by municipal or privately owned utilities engaged in the operation of ~~((the))~~like systems, and against such claims for damages as are ordinarily carried by municipal or privately owned utilities engaged in the operation of like systems, or, in the City's sole discretion, it will self-

insure or ~~((will))~~ participate in an insurance pool or pools with reserves adequate, in the reasonable judgment of the City, to protect the Solid Waste System against loss.

(g) Condemnation Award~~((s))~~ and Insurance Proceeds. If the City receives any condemnation award~~((s))~~ or proceeds of an insurance policy in connection with any loss of or damage to any property of the Solid Waste System, ~~((it))~~the City shall apply the condemnation award or insurance proceeds, in the City's sole discretion, either ~~((to))~~ (i) to the cost of replacing or repairing the lost or damaged properties, (ii) to the payment, purchase or redemption of Parity Bonds, or (iii) to the cost of improvements to the Solid Waste System.

(h) Sale of System. The City will only sell, transfer or otherwise dispose of all or any part of the works, plant, properties, facilities or other component of the Solid Waste System or any real or personal property comprising a part of the Solid Waste System ~~((only))~~ consistent with one or more of the following:

(i) The City in its discretion may carry out such a sale, transfer or disposition (each, as used in this ~~((paragraph (h)))~~subsection, a "transfer") if the facilities or property transferred are not material to the operation of the Solid Waste System, or shall have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the Solid Waste System or are no longer necessary, material or useful to the operation of the Solid Waste System; or

(ii) The City in its discretion may carry out such a transfer if the aggregate depreciated cost value of the facilities or property being transferred under this ~~((subparagraph (2)))~~paragraph in any fiscal year comprises no more than ~~((five percent ()))~~5%(()) of the total assets of the Solid Waste System; or

(iii) The City in its discretion may carry out such a transfer if the proceeds from such transfer are used to acquire new useful operating facilities or properties of the Solid

Waste System, or are used to retire outstanding Parity Bonds or other revenue obligations of the Solid Waste System, if, at the time of such transfer, there is on file with the City Clerk a certificate of ~~((a Professional Utility Consultant))~~the Director of Finance and the Director of Seattle Public Utilities demonstrating that in his or her professional opinion, upon such transfer and the use of proceeds of the transfer as proposed by the City, the remaining facilities of the Solid Waste System will retain their operational integrity and, based on the financial statements for the most recent fiscal year available, the proposed transfer would not prevent the Solid Waste System from complying with the rate covenants contained in Section ~~((16))~~17(a) during the five fiscal years following the fiscal year in which the transfer is to occur. The ~~((Professional Utility Consultant))~~Director of Finance and the Director of Seattle Public Utilities shall take into account, (A) the reduction in revenue and expenses, if any, resulting from the transfer; (B) the use of any proceeds of the transfer for the redemption of Parity Bonds, (C) the ~~((Professional Utility Consultant's))~~Director of Finance and the Director of Seattle Public Utilities' estimate of revenue from customers anticipated to be served by any additions to and betterments and extensions of the Solid Waste System financed in part by the proposed portion of the proceeds of the transfer, and (D) any other adjustment permitted in the preparation of a certificate under Section ~~((17))~~18(a)(ii)~~((of this ordinance))~~. Before such a transfer, the City also must obtain confirmation from each of the Rating Agencies to the effect that the rating then in effect will not be reduced or withdrawn upon such transfer.~~((Upon the redemption or defeasance of all the then-outstanding 1999A and 1999B Bonds, the certificate required under paragraph (h)(ii) of this section may be given by the Director of Finance and the Director of Seattle Public Utilities.~~
)

Section 20. Amendment to Section 17 of the Ordinance. Section 17 of Ordinance 121940 is renumbered as Section 18 and is amended and restated as follows:

Section ~~((17))~~18. ~~((Issuance of))~~Future Parity Bonds.

(a) ~~((General.))~~Except as provided in ~~((Section 17))~~subsection (b) of this ~~((ordinance))~~section for the issuance of ~~((R))~~refunding Parity Bonds, Future Parity Bonds may be issued (and Parity Payment Agreements may be entered into), from time to time in one or more series for any lawful purpose of the Solid Waste System, only if at the time of the delivery of each series of Future Parity Bonds to the initial purchasers thereof (or on the effective date of the Parity Payment Agreement):

(i) There is no deficiency in the Bond Account or in any of the accounts therein and provision has been made to meet the Reserve Requirement for all Parity Bonds then outstanding plus such proposed series of Future Parity Bonds; and

(ii) There shall have been filed with the City either:

(A) A certificate of both the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of either office) demonstrating that during any ~~((twelve))~~12 consecutive calendar months out of the immediately preceding ~~((twenty-four ()))~~24(()) calendar months Adjusted Net Revenue was at least equal to the Coverage Requirement of all Parity Bonds plus the Future Parity Bonds proposed to be issued (and assuming that the debt service of the proposed Future Parity Bonds for that ~~((twelve))~~12-month period was the average Annual Debt Service for those proposed bonds); or

(B) a certificate of both the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of either office) that in their opinion the Adjusted Net Revenue for the five fiscal years next following the earlier of (i) the end of the period during which interest on those Future Parity Bonds is to be capitalized or, if no interest is capitalized, the fiscal year in which the Future

Parity Bonds are issued, or (ii) the date on which the substantially all new facilities financed with those Future Parity Bonds are expected to commence operations, such Adjusted Net Revenue further adjusted as provided in paragraphs ~~((w))~~(1) through ~~((z))~~(4) below~~((;))~~ will be at least equal to the Coverage Requirement. That certificate may take into account the following adjustments.

~~((w))~~(1) Any changes in rates in effect and being charged, or rates expected to be charged in accordance with a program of specific rates, rate levels or increases in overall rate revenue approved by ordinance or resolution;

~~((x))~~(2) Net revenue from customers of the Solid Waste System who have become customers during the ~~((twelve ()~~12~~(()~~))-consecutive~~(()~~)-month period or thereafter, and their estimate of net revenue from any customers to be connected to the Solid Waste System who have paid the required connection charges, adjusted to reflect one year's net revenue from those customers.

~~((y))~~(3) Their estimate of net revenue from customers anticipated to be served by facilities or improvements financed in substantial part by those Future Parity Bonds (or additional Parity Bonds expected to be issued during the five-year period); and

~~((z))~~(4) Net revenue from any person, firm, corporation or municipal corporation under any executed contract for ~~((S))~~solid ~~((W))~~waste disposal or other utility service, which revenue was not included in the historical Net Revenue of the Solid Waste ~~((Utility))~~System.

(b) ~~((Issuance of Refunding Parity Bonds. (i)))~~Without complying with the provisions of ~~((Section 17))~~subsection (a) of this ~~((ordinance))~~section, the City may at any time and from time to time issue one or more series of ~~((R))~~refunding Parity Bonds, but only if there

shall have been filed with the City a certificate of the Director of Finance stating that immediately after the issuance of such ~~((R))~~refunding Parity Bonds the Annual Debt Service in any calendar year that Parity Bonds (other than such ~~((R))~~refunding Parity Bonds) are then outstanding shall not be increased by more than ~~((Five Thousand Dollars))~~\$5,000~~(())~~ by reason of the issuance of such ~~((R))~~refunding Parity Bonds.

~~(((ii)))~~ Parity Bonds of any one or more series or one or more maturities within a series may be refunded by a single series of ~~((R))~~refunding Parity Bonds, which Parity Bonds to be refunded shall be specified in the Parity Bond ~~((Ordinance))~~Legislation providing for the issuance of the ~~((R))~~refunding Parity Bonds, and the principal amount of such ~~((R))~~refunding Parity Bonds may include amounts necessary to pay the principal of the Parity Bonds to be refunded, interest thereon to the date of payment or redemption thereof, any premium payable thereon upon such payment or redemption, the costs of issuance of such ~~((R))~~refunding Parity Bonds and an amount, if any, required to fund the Reserve Requirement. The proceeds of the ~~((R))~~refunding Parity Bonds shall be held and applied in such manner as is provided in the Parity Bond ~~((Ordinance))~~Legislation providing for the issuance of such ~~((R))~~refunding Parity Bonds, so that upon the delivery of such ~~((R))~~refunding Parity Bonds, the Parity Bonds to be refunded thereby shall be deemed to be no longer outstanding in accordance with the provisions of the Parity Bond ~~((Ordinance))~~Legislation providing for the issuance of those Parity ~~((b))~~Bonds.

~~(((iii)))~~ Refunding Parity Bonds may also be issued upon compliance with the provisions of ~~((Section 17))~~subsection (a) of this ~~((ordinance))~~section.

~~(((iv)))~~ Nothing contained in this ordinance shall prohibit or prevent, or be deemed or construed to prohibit or prevent, the City from issuing ~~((R))~~refunding Parity Bonds to fund or refund maturing Parity Bonds of the City for the payment of which money is not otherwise available without complying with this ~~((Section 17))~~section.

(c) (~~(No Limitation on Junior Lien Bonds.~~)) Nothing in this ordinance shall prevent the City from issuing revenue bonds or other obligations having a lien and charge on the Net Revenue subordinate to the lien and charge of the Parity Bonds.

Section 21. Amendment to Section 18 of the Ordinance. Section 18 of Ordinance 121940 is renumbered as Section 19 and is amended and restated as follows:

Section ~~((18))~~19. Rate Stabilization Account. There has been created in the Solid Waste Fund a separate account known as the Rate Stabilization Account. The City may at any time, as determined by the City and as consistent with Section 15, deposit in the Rate Stabilization Account Gross Revenue and any other money received by the Solid Waste System and available to be used therefor. The City may withdraw any or all of the money from the Rate Stabilization Account for inclusion in the Adjusted Gross Revenue for any fiscal year of the City. Such deposits or withdrawals may be made up to ~~((an))~~and including the date ~~((ninety (90)))~~90((9)) days after the end of the fiscal year for which the deposit or withdrawal will be included as Adjusted Gross Revenue. No deposit of Gross Revenue shall be made into the Rate Stabilization Account to the extent that such deposit would prevent the City from meeting the Coverage Requirement in the relevant fiscal year.

Section 22. Amendment to Section 19 of the Ordinance. Section 19 of Ordinance 121940 is renumbered as Section 20 and is amended and restated as follows:

Section ~~((19))~~20. Separate Utility Systems. The City may create, acquire, construct, finance, own and operate one or more additional systems for solid waste collection, transportation, treatment or disposal, or other commodity or service related to the Solid Waste System. The revenue of that separate utility system shall not be included in the Gross Revenue of the Solid Waste System and may be pledged to the payment of revenue obligations issued to purchase, construct, condemn or otherwise acquire or expand the separate utility system. Neither

the Gross Revenue nor the Net Revenue of the Solid Waste System shall be pledged by the City to the payment of any obligations of a separate utility system except (1) as a Contract Resource Obligation upon compliance with Section ~~((20 hereof))~~21 and/or (2)~~((3))~~ with respect to the Net Revenue, on a basis subordinate to the lien of the Parity Bonds on that Net Revenue.

Section 23. Amendment to Section 20 of the Ordinance. Section 20 of Ordinance 121940 is renumbered as Section 21 and is amended and restated as follows:

Section ~~((20))~~21. Contract Resource Obligations. The City may at any time enter into one or more Contract Resource Obligations for the acquisition, from facilities to be constructed, of solid waste collection, transportation, treatment or disposal, or other commodity or service relating to the Solid Waste System. The City may determine that, and may agree under a Contract Resource Obligation to provide that, all payments under that Contract Resource Obligation (including payments prior to the time that the solid waste collection, transportation, treatment or disposal or other commodity or service is being provided, or during a suspension or after termination of such other commodity or service) shall be Maintenance and Operation Expenses if the following requirements are met at the time such a Contract Resource Obligation is entered into:

(a) No event of default under a Parity Bond ~~((Ordinance))~~Legislation has occurred and is continuing.

(b) There shall be on file a certificate of an ~~((Professional))~~Independent Utility Consultant stating that (i) the payments to be made by the City in connection with the Contract Resource Obligation are reasonable for the commodities provided or services rendered; (ii) the source of any new commodities or services, and any facilities to be constructed to provide the commodities or services, are sound from a solid waste collection, transportation, treatment and disposal, or other commodity or service planning standpoint, are technically and economically

feasible in accordance with prudent utility practice, and are likely to provide commodities or services no later than a date set forth in the ~~((Professional))~~Independent Utility Consultant's certification; and (iii) the Adjusted Net Revenue (further adjusted by the ~~((Professional))~~Independent Utility Consultant's estimate of the payments to be made in accordance with the Contract Resource Obligation) for the five fiscal years following the year in which the Contract Resource Obligation is incurred, as such Adjusted Net Revenue is estimated by the ~~((Professional))~~Independent Utility Consultant in accordance with the provisions of and adjustments permitted in Section ~~((17))~~18(a)(ii)~~((of this ordinance))~~, will be at least equal to the Coverage Requirement.

Payments required to be made under Contract Resource Obligations shall not be subject to acceleration. Nothing in this ~~((S))~~section shall be deemed to prevent the City from entering into other agreements for the acquisition of solid waste collection, transportation, treatment or disposal, or other commodity or service, from existing facilities and from treating those payments as Maintenance and Operation Expenses. Nothing in this ~~((S))~~section shall be deemed to prevent the City from entering into other agreements for the acquisition of solid waste collection, transportation, treatment or disposal, or other commodity or service, from facilities to be constructed and from agreeing to make payments with respect thereto, such payments constituting a lien and charge on Net Revenue subordinate to that of Parity Bonds.

Section 24. Amendment to Section 21 of the Ordinance. Section 21 of Ordinance 121940 is renumbered as Section 22 and is amended and restated as follows:

Section ~~((21))~~22. Refunding ~~((or))~~and Defeasance of the Bonds. The Bonds are hereby designated "Refundable Bonds" for purposes of this ordinance, as it may be amended from time to time. The City may issue refunding bonds pursuant to the laws of the State or use money available from any other lawful source to pay when due the principal of~~((and))~~

premium, if any, and interest on ~~((the))~~any Bond~~((s))~~, or ~~((any))~~portion thereof, included in a refunding or defeasance plan, and to redeem and retire, release, refund or defease those Bonds (the “defeased Bonds”) and to pay the costs of such refunding or defeasance. If money and/or Government Obligations maturing at a time or times and in an amount sufficient~~((in amount))~~, together with known earned income from the investment~~((s))~~ thereof, to redeem and retire, release, refund or defease the defeased Bonds in accordance with their terms, are set aside in a special trust fund or escrow account irrevocably pledged to ~~((that))~~such redemption, retirement or defeasance (the “trust account”), then all right and interest of the ~~((o))~~Owners of the defeased Bonds in the covenants of this ordinance and in the ~~((Gross))~~Net Revenue and the funds and accounts pledged to the payment of ~~((the))~~such defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such Registered ~~((o))~~Owners thereafter shall have the right to receive payment of the principal of and interest or redemption price on the defeased Bonds from the trust account. ~~((The City shall include in the refunding or defeasance plan such provisions as the City deems necessary for the random selection of any defeased Bonds that constitute less than all of a particular maturity of the Bonds, for notice of the defeasance to be given to the registered owners of the defeased Bonds and to such other persons as the City shall determine, and for any required replacement of Bond certificates for defeased Bonds.))~~After ~~((the))~~establishing and fully funding ~~((of))~~such a trust account, the defeased Bonds shall be deemed to be no longer outstanding and the ~~((City))~~ Director of Finance then may apply any money in any other fund or account established for the payment or redemption of the defeased Bonds to any lawful purposes~~((as it shall determine, subject only to the rights of the owners of any other Parity Bonds))~~. Notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

Section 26. Amendment to Section 23 of the Ordinance. Section 23 of Ordinance 121940 is renumbered as Section 26 and is amended and restated as follows:

Section ~~((23))~~26. Defaults and Remedies.

(a) Events of Default. The following shall constitute ~~((“))~~Events of Default~~((”))~~ with respect to the Bonds:

(i) If a default is made in the payment of the principal of or interest on any of the Bonds when the same shall become due and payable; or

(ii) If the City defaults in the observance and performance of any other of the covenants, conditions and agreements on the part of the City set forth in this ordinance or in any Parity Bond ~~((Ordinance))~~Legislation (except as otherwise provided herein or in such Parity Bond ~~((Ordinance))~~Legislation) and such default or defaults have continued for a period of six months after ~~((they have))~~the City has received from the Bond Owners’ Trustee (as defined

below) or from the registered owners of not less than ~~((twenty-five percent ()))~~25%~~((6)))~~ in principal amount of the Parity Bonds~~((6)))~~ a written notice specifying and demanding the cure of such default. However, if the default in the observance and performance of any other of the covenants, conditions and agreements is one which cannot be completely remedied within the six ~~((6)))~~months after written notice has been given, it shall not be an Event of Default with respect to the Bonds as long as the City has taken active steps within the six ~~((6)))~~months after written notice has been given to remedy the default and is diligently pursuing such remedy.

Notwithstanding anything in this section to the contrary, the failure of the City or any obligated person to comply with the Undertaking shall not constitute an Event of Default under this ordinance, the Bond Resolution or the Bonds, and the sole remedy of any holder of a Bond shall be to seek an order of specific performance from an appropriate court to compel the City to comply with the Undertaking.

(b) Bond Owners' Trustee. So long as such Event of Default has not been remedied, a ~~((Bond Owners'))~~trustee (the "Bond Owners' Trustee") may be appointed by the registered owners of ~~((twenty-five percent ()))~~25%~~((6)))~~ in principal amount of the then outstanding Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized and delivered to such Bond Owners' Trustee, notification thereof being given to the City. That appointment shall become effective immediately upon acceptance thereof by the Bond Owners' Trustee. Any Bond Owners' Trustee appointed under the provisions of this ~~((Section))~~ subsection shall be a bank or trust company organized under the laws of the State of Washington or the State of New York or a national banking association. The bank or trust company acting as Bond Owners' Trustee may be removed at any time, and a successor Bond Owners' Trustee may be appointed, by the registered owners of a majority in principal amount of the Parity Bonds, by

an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized. The Bond Owners' Trustee may require such security and indemnity as may be reasonable against the costs, expenses and liabilities that may be incurred in the performance of its duties.

In the event that any Event of Default in the sole judgment of the Bond Owners' Trustee is cured and the Bond Owners' Trustee furnishes to the City a certificate so stating, that Event of Default shall be conclusively deemed to be cured and the City, the Bond Owners' Trustee and the registered owners of the Parity Bonds shall be restored to the same rights and position which they would have held if no Event of Default had occurred.

The Bond Owners' Trustee appointed in the manner herein provided, and each successor thereto, is declared to be a trustee for the registered owners of all the Parity Bonds and is empowered to exercise all the rights and powers herein conferred on the Bond Owners' Trustee.

(c) Suits at Law or in Equity. Upon the happening of an Event of Default and during the continuance thereof, the Bond Owners' Trustee may, and upon the written request of the registered owners of not less than ~~((twenty-five percent ()))~~25%~~(())~~ in principal amount of the Parity Bonds outstanding shall, take such steps and institute such suits, actions or other proceedings, all as it may deem appropriate for the protection and enforcement of the rights of the registered owners of the Parity Bonds, to collect any amounts due and owing to or from the City, or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement or condition contained in this ordinance or in any of the Parity Bonds.

Nothing contained in this ~~((S))~~section shall, in any event or under any circumstance, be deemed to authorize the acceleration of the maturity of principal on the Parity Bonds, and the remedy of acceleration is expressly denied to the registered owners of the Parity Bonds under any circumstances including, without limitation, upon the occurrence and continuance of an

Event of Default.

Any action, suit or other proceedings instituted by the Bond Owners' Trustee hereunder shall be brought in its name as the Bond Owners' ((t))Trustee ((for the Bond owners)) and all such rights of action upon or under any of the Parity Bonds or the provisions of this ordinance may be enforced by the Bond Owners' Trustee without the possession of any of those Parity Bonds and without the production of the same at any trial or proceedings relative thereto except where otherwise required by law. Any such suit, action or proceeding instituted by the Bond Owners' Trustee shall be brought for the ratable benefit of all of the registered owners of those Parity Bonds, subject to the provisions of this ordinance. The respective registered owners of the Parity Bonds, by taking and holding the same, shall be conclusively deemed irrevocably to appoint the Bond Owners' Trustee the true and lawful trustee of the respective registered owners of those Parity Bonds, with authority to institute any such action, suit or proceeding; to receive as trustee and deposit in trust any sums becoming distributable on account of those Parity Bonds; to execute any paper or documents for the receipt of money; and to do all acts with respect thereto that the registered owner himself or herself might have done in person. Nothing herein shall be deemed to authorize or empower the Bond Owners' Trustee to consent to accept or adopt, on behalf of any registered owner of the Parity Bonds, any plan of reorganization or adjustment affecting the Parity Bonds or any right of any registered owner thereof, or to authorize or empower the Bond Owners' Trustee to vote the claims of the registered owners thereof in any receivership, insolvency, liquidation, bankruptcy, reorganization or other proceeding to which the City is a party.

(d) Application of Money Collected by Bond Owners' Trustee. Any money collected by the Bond Owners' Trustee at any time pursuant to this ((S))section shall be applied in the following order of priority:

(i) ~~((first,))~~to the payment of the charges, expenses, advances and compensation of the Bond Owners' Trustee and the charges, expenses, counsel fees, disbursements and compensation of its agents and attorneys;~~((and))~~

(ii) ~~((second,))~~to the payment to the persons entitled thereto of all installments of interest then due on the Parity Bonds in the order of maturity of such installments and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference; and

(iii) ~~((third,))~~to the payment to the persons entitled thereto of the unpaid principal amounts of any Parity Bonds which shall have become due (other than Parity Bonds previously called for redemption for the payment of which money is held pursuant to the provisions hereto), whether at maturity or by proceedings for redemption or otherwise, in the order of their due dates and, if the amount available shall not be sufficient to pay in full the principal amounts due on the same date, then to the payment thereof ratably, according to the principal amounts due thereon to the persons entitled thereto, without any discrimination or preference.

(e) Duties and Obligations of Bond Owners' Trustee. The Bond Owners' Trustee shall not be liable except for the performance of such duties as are specifically set forth herein. During an Event of Default, the Bond Owners' Trustee shall exercise such of the rights and powers vested in it hereby, and shall use the same degree of care and skill in its exercise~~((;))~~ as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. The Bond Owners' Trustee shall have no liability for any act or omission to act hereunder except for the Bond Owners' Trustee's own negligent action, its own negligent failure to act or its own willful misconduct. The duties and obligations of the Bond Owners' Trustee

shall be determined solely by the express provisions of this ordinance, and no implied powers, duties or obligations of the Bond Owners' Trustee shall be read into this ordinance.

The Bond Owners' Trustee shall not be required to expend or risk its own funds or otherwise incur individual liability in the performance of any of its duties or in the exercise of any of its rights or powers as the Bond Owners' Trustee, except as may result from its own negligent action, its own negligent failure to act or its own willful misconduct.

The Bond Owners' Trustee shall not be bound to recognize any person as a registered owner of any Parity Bond until his or her title thereto, if disputed, has been established to its reasonable satisfaction.

The Bond Owners' Trustee may consult with counsel and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Bond Owners' Trustee shall not be answerable for any neglect or default of any person, firm or corporation employed and selected((-)) by it with reasonable care.

(f) Suits by Individual Parity Bond Owners Restricted. No owner of any one or more ~~((of))~~ Parity Bonds shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of same unless:

- (i) an Event of Default has happened and is continuing; and
- (ii) a Bond Owners' Trustee has been appointed; and
- (iii) such owner previously shall have given to the Bond Owners' Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted; and
- (iv) the registered owners of ~~((twenty-five percent (-)))~~ 25%~~((+))~~ in principal amount of the Parity Bonds, after the occurrence of such Event of Default, ~~((has))~~ have made

written request of the Bond Owners' Trustee and have afforded the Bond Owners' Trustee a reasonable opportunity to institute such suit, action or proceeding; and

(v) there have been offered to the Bond Owners' Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and

(vi) the Bond Owners' Trustee has refused or neglected to comply with such request within a reasonable time.

No owner of any Parity Bond shall have any right in any manner whatever by his or her action to affect or impair the obligation of the City to pay from the Net Revenue the principal of and interest on such Parity Bonds to the respective registered owners thereof when due.

~~(((g) Failure to Comply With Undertaking. Notwithstanding anything in this Section to the contrary, the failure of the City or any obligated person to comply with any Undertaking adopted by the Bond Resolution pursuant to Section 25 of this ordinance shall not constitute an Event of Default hereunder, and the sole remedy of any holder of a Bond shall be to seek an order of specific performance from an appropriate court to compel the City to comply with the Undertaking.)))~~

The City also covenants that it will, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt Bonds, take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with that Series, including the calculation and payment of any penalties that the City has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on such Series from being included in gross income for federal income tax purposes.

~~((The City has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is a bond issuer whose arbitrage certifications may not be relied upon.))~~

(b) Tax-Credit Subsidy Bonds or other Taxable Bonds. Section 28. Amendment to Section 25 of the Ordinance. Section 25 of Ordinance 121940 is renumbered as Section 24 and is amended and restated as follows:

Section ~~((25))~~24. Official Statement; Continuing Disclosure. ~~((The City shall undertake to provide for the benefit of holders of the Bonds, to the extent applicable, disclosure~~

The particular terms of the Undertaking shall be set forth in the Bond Resolution.))

(a) Preliminary Official Statement. The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with each sale of one or more Series to the public. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection.

(b) Final Official Statement. The City approves the preparation of a final official statement for each sale of one or more Series to be sold to the public in the form of the preliminary official statement with such modifications and amendments as the Director of Finance deems necessary or desirable, and further authorizes the Director of Finance to execute and deliver such final official statement to the Purchaser. Section 29. Amendment to Section 26 of the Ordinance. Section 26 of Ordinance 121940 is

renumbered as Section 12 and is amended and restated as follows:

If the applicable Series (or series of the Refunded Bonds) were issued as Tax-Exempt Bonds, then prior to such substitution, the City must also obtain an opinion from Bond Counsel to the effect that the disposition and substitution or purchase of such securities will not cause the interest on the applicable Series (or series of the Refunded Bonds) issued as Tax-Exempt Bonds to be included in gross income for federal income tax purposes and that such disposition and substitution or purchase is in compliance with the statutes and regulations applicable to the Series.
