CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to fair housing; establishing a one-year prohibition on use of rental housing bidding platforms; requesting a study of rental housing bidding platforms; amending Section 7.24.020 of the Seattle Municipal Code; and adding a new Section 7.24.090 to the Seattle Municipal Code.

WHEREAS, online or application-based platforms that: provide landlords the ability to list rental housing units, oblige potential tenants to bid on certain lease provisions, and allow landlords their choice of tenant based on the tenant's bid and screening criteria, have recently appeared in many housing markets, including Seattle's; and

WHEREAS, over the past several years, the City Council has passed a variety of amendments to the Seattle Municipal Code regulating rentals, revising the housing code, and updating fair housing protections, resulting in a new and different regulatory landscape; and

WHEREAS, emerging technologies have caused consumers to rapidly escalate the use of application based and online services, and it is unclear whether the structure and operation of these new services comply with the City's code, including new regulations such as first-in-time; and

WHEREAS, Seattle's housing market has become very competitive over the past decade, causing scarcity issues for tenants; and

WHEREAS, it is uncertain whether and how these services impact Seattle's rental housing market, as these services may have different effects on markets depending on the scarcity of housing supply; and

WHEREAS, the benefits and drawbacks of such services to landlords and tenants have not been studied in Seattle; and

WHEREAS, the City of Seattle is committed to ensuring equitable access to rental housing, and platforms that require use of a computer and internet in order to access rental housing may hinder the ability for certain communities to meaningfully identify and obtain needed housing; and

WHEREAS, the Council wishes to understand new technologies and innovation that may have impacts on communities throughout Seattle prior to these new technologies and innovations becoming entrenched without regard to whether their impacts are in line with Seattle's values of equity and Seattle's work toward expanding access to rental housing; and

WHEREAS, the Council wishes to know more about how these services function and the impact they may have on Seattle's rental housing market before allowing landlords and tenants to use them within the City;

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 7.24.020 of the Seattle Municipal Code, last amended by Ordinance 125222, is

amended as follows:

7.24.020 Definitions((~~r~~))

* * *

“Rental agreement” means a “rental agreement” as defined and within the scope of RCW 59.18.030 and RCW 59.18.040 of the RLTA in effect at the time the rental agreement is executed. At the time of the passage of the ordinance codified in this chapter, the RLTA defined “rental agreement” as “all agreements which establish or modify the terms, conditions, rules, regulations, or any other provisions concerning the use and occupancy of a dwelling unit.”

“Rental housing bidding platform” or “platform” means a person that connects potential tenants and landlords via an application based or online platform to facilitate rental housing auctions wherein potential tenants submit competing bids on certain lease provisions including but not limited to housing costs and lease term, to landlords for approval or denial. Merely publishing a rental housing advertisement does not make a person a rental housing bidding platform. This definition shall expire on the date Section 7.24.090 expires.

Section 2. A new Section 7.24.090 is added to the Seattle Municipal Code as follows:

7.24.090 Use of online or application based rental housing bidding services prohibited

A. Landlords and potential tenants are prohibited from using rental housing bidding platforms for real property located in Seattle city limits.

B. This Section 7.24.090 shall expire one year after the effective date of the ordinance introduced as Council Bill 119198 unless Council exercises its authority under subsection 7.24.090.C, in which case it shall expire at the end of the extension.

C. Council has the authority to extend the prohibition in subsection 7.24.090.B by up to twelve months if the Office of Housing requests more time to complete the study of rental housing impacts, or if Council needs more time to review the study or discuss potential action.

Section 3. The City Council requests that the Office of Housing coordinate with the Seattle Office for Civil Rights and the Seattle Department of Construction and Inspections to determine whether rental housing bidding platforms comply with The City of Seattle’s fair housing and rental regulation laws and conduct a study of the current or potential impacts rental housing bidding platforms have and could have on equitable access to Seattle’s rental housing market. The Office of Housing shall submit the study, which should include compliance determinations by the Office for Civil Rights and the Department of Construction and Inspections, to the Chair of the Housing, Health, Energy, and Worker’s Rights Committee of City Council within twelve months of enactment of the ordinance introduced as Council Bill 119198.

Section 4. The provisions of this ordinance are declared to be separate and severable. If any clause, sentence, paragraph, subdivision, section, subsection or portion of this ordinance, or the application thereof to any person or circumstance, is held to be invalid, it shall not affect the validity of the remainder of this ordinance, or the validity of its application to other persons or circumstances.

Section 5. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
