WHEREAS, the Landmarks Preservation Board (“Board”), after a public meeting on April 4, 2018, voted to approve the nomination of the improvement located at 2120 1<sup>st</sup> Avenue North and a portion of the site on which the improvement is located (which are collectively referred to as the “Edris Nurses Home”) for designation as a landmark under SMC Chapter 25.12; and

WHEREAS, after a public meeting on May 16, 2018, the Board voted to approve the designation of the Edris Nurses Home under SMC Chapter 25.12; and

WHEREAS, on August 1, 2018, the Board and the Edris Nurses Home’s owner agreed to controls and incentives to be applied to specific features or characteristics of the designated landmark; and

WHEREAS, the Board recommends that the City Council enact a designating ordinance approving the controls and incentives; NOW, THEREFORE,

**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

Section 1. Designation. Under Seattle Municipal Code (SMC) 25.12.660, the designation by the Landmarks Preservation Board (“Board”) of the improvement located at 2120 1<sup>st</sup> Avenue North and a portion of the site on which the improvement is located (which are collectively referred to as the “Edris Nurses Home”) is acknowledged.

A. Legal Description. The Edris Nurses Home is located on the property legally described as:

Parcel A of City of Seattle Short Subdivision 77-96, recorded December 13, 1977 under Recording Number 7712130694, as amended by document recorded January 31, 1978 under Recording Number 7801311074, in King County, Washington.

B. Specific Features or Characteristics Designated. Under SMC 25.12.660.A.2, the Board designated the following specific features or characteristics of the Edris Nurses Home:

1. A portion of the site enclosed by the north, west, and east boundaries of the property, and the south edge of the easement recorded December 13, 1977 under Recording Number 7712130694, as amended by document recorded January 31, 1978 under Recording Number 7801311074, in King County

Washington.

2. The exterior of the building.

C. Basis of Designation. The designation was made because the Edris Nurses Home is more than 25 years old; has significant character, interest, or value as a part of the development, heritage, or cultural characteristics of the City, state, or nation; has integrity or the ability to convey its significance; and satisfies the following SMC 25.12.350 provisions:

1. It is associated in a significant way with a significant aspect of the cultural, political, or economic heritage of the community, City, state, or nation (SMC 25.12.350.C).

2. It embodies the distinctive visible characteristics of an architectural style, or period, or of a method of construction (SMC 25.12.350.D).

Section 2. Controls. The following controls are imposed on the features or characteristics of the Edris Nurses Home that were designated by the Board for preservation:

A. Certificate of Approval Process.

1. Except as provided in subsection 2.A.2 or subsection 2.B of this ordinance, the owner must obtain a Certificate of Approval issued by the Board according to SMC Chapter 25.12, or the time for denying a Certificate of Approval must have expired, before the owner may make alterations or significant changes to the features or characteristics of the Edris Nurses Home that were designated by the Board for preservation.

2. No Certificate of Approval is required for the following:

a. Any in-kind maintenance or repairs of the features or characteristics of the Edris Nurses Home that were designated by the Board for preservation.

b. Removal and replacement of the following landscape elements: trees less than 8 inches in diameter measured 4 1/2 feet above ground; shrubs; perennials; and annuals.

a. The owner shall submit to the CHPO a written request for the alterations or significant changes, including applicable drawings or specifications.

b. If the CHPO, upon examination of submitted plans and specifications, determines that the alterations or significant changes are consistent with the purposes of SMC Chapter 25.12, the CHPO shall approve the alterations or significant changes without further action by the Board.

2. If the CHPO does not approve the alterations or significant changes, the owner may submit revised materials to the CHPO, or apply to the Board for a Certificate of Approval under SMC Chapter 25.12. The CHPO shall transmit a written decision on the owner's request to the owner within 14 days of receipt of the request. Failure of the CHPO to timely transmit a written decision constitutes approval of the request.

3. CHPO approval of alterations or significant changes to the features or characteristics of the Edris Nurses Home that were designated by the Board for preservation is available for the following:

- f. Installation of fire and life safety equipment.
- g. Changes to exterior paint colors when painting a previously painted material.
- h. Section 3. Incentives. The following incentives are granted on the features or characteristics of the Edris Nurses Home that were designated by the Board for preservation:

- A. Uses not otherwise permitted in a zone may be authorized in a designated landmark by means of an administrative conditional use permit issued under SMC Title 23.

- D. Reduction or waiver, under certain conditions, of minimum accessory off-street parking requirements for uses permitted in a designated landmark structure may be permitted under SMC Title 23.
