WHEREAS, the City Council expects fair, consistent, and inclusive processes and considerations for initial confirmation of candidates and periodic reconfirmation of department heads; NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR

Section 1. The City Council intends for the following steps in this section to occur when evaluating new City department head candidates during the initial confirmation process, and when evaluating existing City department heads during the reconfirmation process.

D. After the Appointment File has been filed with the City Clerk, the committee chair distributes the Appointment File to all Councilmembers and the Director of Central Staff for review.

E. The committee chair provides public notice of the confirmation or reconfirmation process and the availability of the materials at least two weeks before the committee meeting at which the Appointment File will be discussed, in addition to listing the Appointment File on the agenda for that committee meeting.

F. The committee chair takes public comment on the proposed confirmation or reconfirmation at each committee meeting at which the Appointment File is discussed and also accepts public comment submitted in other forms before City Council action.

G. The committee chair makes all written public comment available to all Councilmembers for review and available to the public, including posting on the Council's website as appropriate.

H. The Council President schedules full City Council action on the Appointment File.

I. The date for Full Council action under subsection 1.H of this resolution should take place within ten weeks of the Mayor's transmission of materials in subsection 1.B of this resolution.

In addition, for each individual confirmation or reconfirmation process, these criteria may be supplemented by additional specific criteria appropriate to the particular department head candidate being evaluated.

Communications shall not include the name or identifying information of the individual making the complaint nor the name or identifying information of any witness to the conduct described in the complaint and shall protect employee information and prioritize anonymity and confidentiality as much as possible, subject to federal, state, and local law.
