BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The City Council finds and declares that:

A. On February 29, 2020, Governor Inslee proclaimed a State of Emergency for all counties throughout the State of Washington as a result of the confirmed person-to-person spread of COVID-19 in Washington State.

B. The COVID-19 disease, caused by a virus that spreads easily from person to person and which may cause serious injury and death, has spread throughout King County and the City of Seattle.

C. On March 3, 2020, Mayor Durkan issued a Proclamation of Civil Emergency declaring a civil emergency within the City of Seattle based on the confirmed spread of COVID-19 in King County and resulting deaths.

D. In recognition of the danger that hospitals may become overwhelmed with COVID-19 patients unless the spread of the disease is slowed, on March 23, 2020, Governor Inslee imposed a stay-home order throughout Washington State prohibiting all people in the State from leaving their homes or participating in

gatherings with only limited exceptions for participating in essential activities or essential business services that was in effect through May 31, 2020.

E. In addition to the paramount public health concerns, the spread of COVID-19 and the necessary measures taken to reduce that spread are causing and will continue to cause severe economic dislocation in the State of Washington, King County, and the City of Seattle. As of April 25, 2020, more than a half million Washingtonians have filed for jobless benefits since the start of the COVID-19 emergency. In addition, governments at all levels, including The City of Seattle, face major reductions in tax revenues even as they face major new emergency expenditures to combat the pandemic.

F. The United States government has taken a number of steps to mitigate the impacts of the COVID-19 pandemic on people, organizations, and businesses of Seattle, including passing a COVID-19 relief bill in March 2020 which allocated Coronavirus Relief Fund funds to the City.

G. The acceptance and appropriation of these newly available funds as soon as possible is crucial to preserving public health and safety by mitigating the impacts of COVID-19 on The City of Seattle and the people and organizations it serves.

Section 2. The Mayor or the Mayor's designee is authorized to accept the following non-City funding from the grantors listed below; and to execute, deliver, and perform, on behalf of The City of Seattle, agreements for the purposes described below. The funds, when received, shall be deposited in the receiving funds identified below to support the appropriations in Section 3 of this ordinance.
