

United States death due to COVID-19 at Evergreen Hospital in Kirkland, Washington.

D. On February 29, 2020, Washington Governor Jay Inslee declared a state of emergency in response to new cases of COVID-19, directing state agencies to use all resources necessary to prepare for and respond to the outbreak.

E. On March 3, 2020, Mayor Jenny Durkan issued a proclamation of civil emergency in response to new cases of COVID-19, authorizing the Mayor to exercise the emergency powers necessary for the protection of the public peace, safety, and welfare.

F. On March 11, 2020, Governor Inslee amended the February 29 emergency order to prohibit gatherings of 250 people or more for social, spiritual, and recreational activities including, but not limited to, community, civic, public, leisure, faith-based, or sporting events; parades; concerts; festivals; conventions; fundraisers; and similar activities.

G. On March 13, 2020, Governor Inslee amended the emergency order to close all schools in King, Snohomish, and Pierce Counties through April 24, 2020, to apply statewide.

H. On March 13, 2020, the U.S. President declared that the COVID-19 outbreak constituted a national emergency.

I. On March 16, 2020, Governor Inslee mandated the immediate two-week closure of all restaurants, bars, and entertainment and recreational facilities, and amended the emergency order to prohibit gatherings of 50 people or more.

J. On March 23, 2020, Governor Inslee announced a “Stay Home, Stay Healthy” order that required that all non-essential businesses be closed and banned all gatherings for two weeks. On April 2, 2020, Governor Inslee extended the order until May 4, and on May 1, Governor Inslee extended that order until May 31.

K. The City of Seattle’s 2020 Budget was adopted in late 2019, before the impacts of the COVID-19 emergency could be anticipated.

L. The impacts of the COVID-19 emergency include a severe local, state, national, and global economic

recession, all of which impact the City’s revenue streams. As a result, it is necessary for the City to revisit and adjust the 2020 Budget to reflect the new economic reality.

M. Because of the long-lasting financial impacts of the COVID-19 public health emergency and the City’s response to it, the City will not have sufficient resources to meet the 2020 Budget as adopted in November 2019 and must revise its 2020 Adopted Budget to reflect the significant decrease in revenues and increased expenditures to combat the spread of COVID-19.

Section 4. The appropriation contained in line 2.14 above, \$3,000,000 in the Human Services Department’s Addressing Homelessness - Human Services Fund BCL, is intended to be spent on providing non-congregate shelter.

Section 5. Of the appropriations in the 2020 budget for the Human Service Department’s (HSD’s) Preparing Youth for Success BSL (HSDBO-HS-H2000) Budget Summary Level, \$2.5 million is appropriated solely for community-led investments such as the Seattle’s Community Safety Initiative (including HSD’s associated administrative costs) in collaboration with the Joint Community Safety Interdepartmental Team and may be spent for no other purpose, notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020. Funded organizations engaging in community safety should share some or all of the following characteristics: culturally-relevant expertise rooted in community connections and support, experience in holistic community safety efforts, including de-escalation skills and mental health support, experience providing wrap-around support services, and experience responding to incidents of violence in high-risk communities. The Council requests that HSD provide the Chair of the Public Safety and Human Services Committee with a report identifying the selected organizations.

Section 6. The appropriation contained in line 2.41 above, \$1,000,000 for the Legislative Department, is intended to be used to enter into contracts with community-based organizations for community participatory budget processes that will promote public safety informed by community needs.

Section 7. The appropriation contained in line 3.42 above, \$500,000 for the Department of Neighborhoods, is intended to be used to support Interdepartmental Teams and public outreach around community investments and reimagining the Seattle Police Department.

Section 8. Notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020, none of the remaining funds of the appropriation in the 2020 Adopted Budget for the Human Services Department appropriated solely for contracting with a law enforcement assisted diversion (LEAD) program may be spent in fulfillment of discretionary payment provisions of a City contract for LEAD until the Public Defender Association (PDA) files written confirmation with the City Clerk that PDA will provide street outreach, case management, and direct services (services) for individuals who pose a risk of ongoing law violations due to behavioral health conditions or extreme poverty in Seattle according to the following required provisions:

A. Using funds from sources other than the City of Seattle for the balance of 2020, PDA will accept referrals of eligible individuals for services without prior approval from law enforcement personnel from community sources and agencies such as the Seattle Fire Department, the Mobile Crisis Team, the Crisis Diversion Facility, the King County Prosecutor, the Seattle City Attorney, the King County Jail, the Department of Public Defense, Business Improvement Associations, other neighborhood groups and business groups, housing providers, and health care providers.

B. All referrals of eligible individuals for services without prior approval from law enforcement personnel from community sources and agencies must satisfy all these criteria:

1. The LEAD project management team believes the candidate chronically violates the law;
2. The LEAD project management team has agreed that accepting the referral is consistent with City of Seattle's racial equity policies; and
3. The LEAD case management team has agreed that the resources available to them are appropriate to the known needs of the individual referred.

Section 9. Of the appropriation in the 2020 budget for the Office of Planning and Community Development, and notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020, \$15,000 is appropriated solely to provide language access to city information

and support around Accessory Dwelling Units, and may be spent for no other purpose.

Section 10. Of the appropriations in the 2020 Budget for the Addressing Homelessness (HSD-BO-HS-H3000), Patrol Operations (SPD-BO-SP-P1800), Cost Center Maintenance and Repairs (SPR-BO-PR-10000), and Regulatory Compliance and Consumer Protection (FAS-BO-FA-RCCP) Budget Summary Levels in the General Fund (00100), and notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020, no funds shall be used, directly or through contract, to relocate or remove residents or tiny houses from the Northlake Tiny House Village.

Section 11. Notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020, none of the appropriations in the 2020 budget for the Seattle Police Department (SPD) may be spent on an implicit bias training contract until SPD submits a report to the Chair of the Public Safety & Human Services Committee about the effectiveness of implicit bias trainings in shifting officer behavior.

Section 12. Notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020, none of the appropriations in the 2020 budget for the Seattle Police Department (SPD) may be spent on training until SPD submits a report to the Chair of the Public Safety & Human Services Committee identifying the number of officers requiring training in 2020 under the Consent Decree, the purpose of the required training, and the cost of the required training.

Section 13. The Chief shall work with the City's Director of Labor Relations and the City's Labor Relations Policy Committee to develop a proposal for out-of-order layoffs, should layoffs be necessary. Once a proposal has been approved, the Chief of the Seattle Police Department will petition the Public Safety Civil Service Commission (PSCSC), consistent with PSCSC Rule 15(b), for permission to layoff out of regular order in the interest of maintaining the efficient operation of the department.

Section 14. The Council requests the Seattle Department of Human Resources to conduct a market wage study analysis for the salaries of employees in command staff positions within the Seattle Police Department.

The results of the study should be submitted to the Chairs of the Council’s Public Safety and Human Services Committee and Select Budget Committee, and a copy of the study analysis filed with the City Clerk, on or before the effective date of this ordinance. The study’s analysis should include a comparison of the total compensation provided to comparable positions in municipalities and law enforcement agencies, across the United States, comparable to Seattle and the Seattle Police Department, in terms of the scope of the population served and the size of the agency.

Section 15. Of the appropriations in the 2020 Budget for the Addressing Homelessness Budget Summary Level (HSD-BO-HS-H3000) in the General Fund (00100), and notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020, \$500,000 is appropriated solely for behavioral health services, (possibly with a Designated Crisis Responder status), to support the work of the Navigation Team, diversion funding, and rapid-rehousing assistance; access to these services, programs, and financial assistance shall be prioritized for the Navigation Team. In adopting this proviso, the Council expresses its policy intent (1) to reduce the overall size of the Human Services Department’s Navigation Team by 5.0 FTEs, and (2) that the Navigation Team and contracted service providers will prioritize voluntary relocations for encampments in the right-of-way and utilize Good Neighbor agreements when appropriate.

Section 16. Of the appropriations in the 2020 Budget for the Patrol Operations Budget Summary Level (SPD-BO-SP-P1800) in the General Fund (00100), and notwithstanding powers provided to the Mayor by Section 3 of the Proclamation of Civil Emergency dated March 3, 2020, \$50,000 is reduced from the Patrol Operations BSL as reflected in item 2.36 above. In reducing this appropriation, the Council further requests that the Chief realign deployment of sworn personnel to implement a 2.0 FTE reduction in the personnel assigned to the Navigation Team; however, this request shall not be interpreted to conflict with or supersede the primary intent to reduce the size of the overall sworn police force.

Section 17. Of the appropriations in the 2020 budget for the Seattle Police Department’s Collaborative Policing BSL BO-SP-P4000 Budget Summary Level, \$631,000 is appropriated solely for salaries and benefits

for Community Service Officers and may be spent for no other purpose.

Section 18. No more than \$16,839,147 of the money appropriated in the 2020 budget for the Department of Finance and Administration's Jail Services Budget Summary Level (BO-FA-JAILSVCS) may be spent for a jail services contract with King County until authorized by future ordinance.

Section 19. As recommended by an independent consultant, the Council authorizes the following two full-time equivalent, civilian positions in the 911 Communications Center Program: (1) Director and (2) Deputy Director. The Council requests the Mayor to include funding for these positions in the 2021 Proposed Budget.

Section 20. By establishing this Section, the Council expresses its policy intent for the Seattle Police Department (SPD) to reduce the overall size of the City's sworn police force.

A. The Council requests the Mayor and City Council's future Joint Interdepartmental Team on Community Safety conduct an SPD Functional Analysis, reviewing the current functions and specialty units and recommendations of functions to be eliminated, reduced, civilianized, or expanded, as further described below. The Analysis should be submitted to the Chairs of the Public Safety and Human Services Committee, Select Labor Committee and Select Budget Committee, and a copy of the report filed with the City Clerk.
