CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the lease of City property; authorizing the Director of Finance and Administrative Services or the Director's designee to execute a 99 year lease agreement with Africatown Community Land Trust for former Fire Station 6 located at 101 23rd Ave, Seattle, WA 98122, for use as the William Grose Center for Cultural Innovation to provide for culturally responsive services that support the African-American community in the Central Area to create pathways to self-determination, and for future development and expanded activation of the property as described in the lease.

WHEREAS, the Central Area is the historic home of the African-American community in Seattle, with a diverse and inclusive neighborhood with a rich history of civic engagement on matters affecting the Central Area; and

WHEREAS, the cost of rent and economic challenges have resulted in displacement challenges for a number of businesses in the Central District; and

WHEREAS, Africatown Community Land Trust's mission is to acquire, steward, and develop land assets necessary for the African diaspora community to grow and thrive in its historic place in Seattle's Central District; and

WHEREAS, in 2004, the City of Seattle launched the Race and Social Justice Initiative (RSJI), led by the Office for Civil Rights, with the vision of achieving racial equity in the community and the mission of ending institutional and structural racism in City government and partnering with the community to achieve racial equity across Seattle; and

WHEREAS, the City works to create racial equity by explicitly naming and addressing the historic and current impacts of institutional and structural racism in City policies, procedures, programming, initiatives, and budgetary decisions; and

WHEREAS, Resolution 31577, adopted in May 2015, affirmed that the City's core value of racial and social equity is one of the foundations on which the Comprehensive Plan is built; and

WHEREAS, Ordinance 125173, passed in October 2016, amended the Comprehensive Plan to increase its emphasis on race and social equity; and

WHEREAS, the Equitable Development Initiative (EDI), led by the Office of Planning and Community Development and the Office for Civil Rights, provides oversight and an equity framework for the Comprehensive Plan and strategies to mitigate displacement throughout City government; and

WHEREAS, the EDI seeks to directly repair the harms caused by Seattle's history of racial exclusion and disenfranchisement; and

WHEREAS, the William Grose Center for Cultural Innovation (WGC) is one of five original Equitable Development Implementation Plan and Equitable Development Financial Investment Strategy demonstration projects; and

WHEREAS, Africatown has received a City grant to create the WGC, a catalyst to support the Black community's rich history of innovation and entrepreneurship that has been negatively impacted by local, state, and federal government policies and private sector practices. The WGC's activities will provide a means to help repair some of the harm that past policies/practices and current growth has created and to advance community self-determination; and

WHEREAS, the repurposing of former FS6 as the WGC is supporting small businesses, creative entrepreneurs and creating pathways to the knowledge-based economy, and provides for future activation and development of the property for community center uses, possible affordable housing and other public benefits that address City priorities of creating and advancing economic opportunity and preventing commercial, residential and cultural displacement; and

WHEREAS, the City and Africatown Community Land Trust mutually desire to activate former Fire Station 6 and develop it into the WGC through a long-term lease of the property while working toward meeting the City's established Mutual and Offsetting Benefits criteria for a transfer of the property as a means to help repair some of the harm that past policies/practices and current growth has created to advance African-American self-determination; and

WHEREAS, the Department of Finance and Administrative Services has determined that former Fire Station 6 is not needed for use by a City department and that the use of the property for public purposes as described in the lease best meets the City's needs; and

WHEREAS, the Department of Finance and Administrative Services and Africatown Community Land Trust have negotiated a lease of Fire Station 6 to commence when signed by an authorized representative of each party; and

WHEREAS, City Council authorization is necessary because the term of the lease exceeds the authority of the Department of Finance and Administrative Services under Seattle Municipal Code Section 3.127.010;

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Director of The Department of Finance and Administrative Services or the Director's designee is authorized for and on behalf of The City of Seattle to execute a lease agreement substantially in the form of the Lease of Fire Station 6 (the Lease) attached to this ordinance as Attachment 1, between the City as lessor, and Africatown Community Land Trust (ACLT) as lessee.

Section 2. The City Council finds that ACLT is providing adequate consideration to the City for the use and occupancy of Fire Station 6 through mutual and offsetting benefit commitments in the Lease: (i) to provide community space and public services in the Central District; (ii) to complete improvements and to develop and activate the entire property for use as a community center; and (iii) to maintain and insure the property.

Section 3. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
