**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

Section 1. Section 100.025 of Ordinance 126274 is amended as follows:

**100.025 Hazard pay requirements**

\* \* \*

C. Employers shall comply with the hazard pay requirements in this Section 100.025 (~~for the duration of the civil emergency proclaimed by the Mayor on March 3, 2020.~~) until the effective date of the ordinance introduced as Council Bill 120372.

Section 2. Section 100.030 of Ordinance 126274 is amended as follows:

**100.030 Notice and posting**

A. Within 30 days of the effective date of this ordinance, and until one year following the effective date of the ordinance introduced as Council Bill 120372, employers shall display a written notice of rights established by this ordinance in a conspicuous and accessible place at any workplace or job site where any of their employees' work. Employers shall display the notice of rights in English and in the primary language(s) of the employee(s) at the workplace or job site. Employers shall make a good faith effort to determine the primary languages of the employees at the workplace or job site. If display of the notice of rights is not feasible, including situations when the employee works remotely or does not have a regular workplace or job site, employers may solely provide the notice of rights on an individual basis in the employee's primary language in a physical or electronic format that is reasonably conspicuous and accessible.

B. The notice of rights shall provide information on:

1. The right to hazard pay guaranteed by this ordinance;
2. The right to be protected from retaliation for exercising in good faith the rights protected by this ordinance; and
3. The right to file a complaint with the Agency or bring a civil action for a violation of the requirements of this ordinance, including an employer's denial of hazard pay as required by this ordinance and an employer or other person's retaliation against an employee or other person for asserting the right to hazard pay or otherwise engaging in an activity protected by this ordinance.

C. The Agency may create and distribute a model notice of rights in English and other languages. However, until one year following the effective date of the ordinance introduced as Council Bill 120372, employers are responsible for providing employees with the notice of rights required by subsection 100.030.A and 100.030.B in a form and manner sufficient to inform employees of their rights under this ordinance, regardless of whether the Agency has created and distributed a model notice of rights.

Section 3. Section 5 of Ordinance 126274 is amended as follows:

Section 5. This ordinance shall be automatically repealed without subsequent Council action three years after ~~((the termination of the civil emergency proclaimed by the Mayor on March 3, 2020))~~ the effective date of the ordinance introduced as Council Bill 120372.

Section 4. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
