CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Payroll Expense Tax; adjusting the allocation of tax proceeds; eliminating the Payroll Expense Oversight Committee; amending Section 5.38.055 of the Seattle Municipal Code; adding a new Section 5.38.105 to the Seattle Municipal Code; and repealing Section 3.35.100 of the Seattle Municipal Code.

WHEREAS, the growth of the City's General Fund resources is significantly constrained by state regulations that limit the annual increase in the City's property tax revenues to one percent plus the value of new

construction; and

WHEREAS, the growth of the City's General Fund resources is further constrained by the pattern of slow regional economic growth that has emerged in the post-pandemic period; and

WHEREAS, facing these constraints and increased demand for critical services such as public safety, basic shelter and affordable housing, and access to affordable nutritional food, the City has become reliant on revenues from the JumpStart Payroll Expense Tax to pay for basic municipal services and serve those most in need; and

WHEREAS, the spending policies prescribed by this ordinance are specifically intended to address the remaining downstream economic effects of the COVID-19 pandemic and their impact on City finances, and the Council intends to review these policies in advance of the 2029-2030 biennial budget and either amend or reaffirm them given the economic and financial conditions prevailing at that time; and

WHEREAS, the City has used JumpStart Payroll Expense Tax proceeds to pay for services such as mental health and affordable housing that are most appropriately addressed by State or County Government, and the City must maintain the authority to impose JumpStart Payroll Expense Tax until the State or County sufficiently funds these services; and

WHEREAS, in 2020, the City Council passed the JumpStart Payroll Expense Tax on certain salaries paid by businesses in Seattle with over $7 million in annual revenue; and

WHEREAS, in 2021, the City Council passed Ordinance 126393, which created a new section of the Seattle Municipal Code proscribing the uses of JumpStart Payroll Expense Tax (PET) revenues, including an allowance that those revenues could be used to backfill core City services should General Fund revenues fall below 2020 General Fund revenues; and

WHEREAS, during the 2021, 2022, 2023, and 2024 Budget processes, the City Council needed to adopt modified policies for the use of PET revenues because the City's available resources and needs were not aligned with the originally adopted 2020 spending plan; and

WHEREAS, the Mayor and City Council wish to maintain the intent of the original 2020 spending plan by focusing on investments in affordable housing, human services, the City's Green New Deal program, the Equitable Development Initiative, and economic development while providing flexibility that reflects the City's short- and medium-term budget realities; and

WHEREAS, adjusting the City's self-imposed regulations for use of the JumpStart Payroll Expense Tax will allow for a more predictable and sustainable future budgeting path for the City's elected leaders, departments, employees, and the public; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 5.38.055 of the Seattle Municipal Code, last amended by Ordinance 126719, is amended as follows:

5.38.055 Payroll expense tax-Allocation of proceeds

((~~A. In any year where General Fund revenues from all sources approved as of January 1, 2020 are projected to be lower than $1,510,029,000 an amount equal to $1,510,029,000 minus the projected General Fund collections from non-payroll expense tax sources may be transferred into the General Fund to support programs and services funded by the General Fund. Projected payroll expense tax revenues remaining after any transfer allowed by this subsection 5.38.055.A shall only be used to either expand existing programs or create new programs, including associated program cost increases, that are consistent with subsection 5.38.055.B, and the amounts may not be used to supplant appropriations from other funding sources.~~

~~B. Amounts remaining after accounting for the allowed uses in subsection 5.38.055.A shall be allocated in accordance with the spending plan adopted in Resolution 31957, and outlined in Ordinance 126109 as follows:~~

~~1. Up to five percent of the annual JumpStart Fund revenue total is to administer and evaluate the effectiveness of the payroll expense tax authorized by this Chapter 5.38, to administer the investments described in subsections 5.38.055.B.2 through 5.38.055.B.5, and to evaluate the effectiveness of at least those~~

~~investments described in subsection 5.38.055.B.4. If less than five percent of remaining funds are needed for administration and evaluation, any remaining funds may be used for other programs and services described in subsections 5.38.055.B.2 through 5.38.055.B.5.~~

~~2. Sixty-two percent of the annual JumpStart Fund revenue total is for housing and services, which is further allocated as follows:~~

~~a. Eighty-two percent of the housing and services portion is allocated for: (i) capital costs associated with the construction or acquisition of rental housing serving households with incomes at or below 30 percent of area median income (AMI), but may be used to support housing serving households with incomes at or below 60 percent of AMI, when required to support the operational costs of a proposed housing project; (ii) operating and services costs of rental housing serving households with incomes at or below 30 percent of AMI; and (iii) associated infrastructure to support the ongoing operations costs for the housing, such as maintenance, retrofitting, and energy efficient upgrades to support the housing.~~

~~c. Five percent of the housing and services portion is allocated for permanently affordable homeownership opportunities serving households with incomes at or below 80 percent of AMI.~~

~~3. Nine percent of the annual JumpStart Fund revenue total is to support the Equitable Development Initiative (EDI) that supports community-initiated equitable development projects that advance economic mobility and opportunity, prevent residential, commercial, and cultural displacement, build on local cultural assets, promote transportation mobility and connectivity, develop healthy and safe neighborhoods, and enable equitable access to all neighborhoods.~~
