BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Definitions. As used in this ordinance the following capitalized terms shall have the following meanings.

“**Accreted Value**” means with respect to any Capital Appreciation Bond (a) as of any Valuation Date, the amount set forth for such date in any Parity Bond Legislation authorizing such Capital Appreciation Bond, and (b) as of any date other than a Valuation Date, the sum of (i) the Accreted Value on the preceding Valuation Date and (ii) the product of (A) a fraction, the numerator of which is the number of days having elapsed from the preceding Valuation Date and the denominator of which is the number of days from such preceding Valuation Date to the next succeeding Valuation Date, calculated based on the assumption that Accreted Value accrues during any semiannual period in equal daily amounts on the basis of a year of twelve 30-day months, multiplied by (B) the difference between the Accreted Values for such Valuation Dates.

“**Adjusted Annual Debt Service**” for any fiscal year means Annual Debt Service minus (a) an amount equal to ULID Assessments due in that year and not delinquent, (b) an amount equal to earnings from investments in the Reserve Subaccount and (c) Annual Debt Service provided for by Parity Bond proceeds.

“**Adjusted Gross Revenue**” means, for any period, Gross Revenue plus withdrawals from the Rate Stabilization Account made during that period, and minus (a) ULID Assessments, (b) earnings from investments in the Reserve Subaccount and (c) deposits into the Rate Stabilization Account made during that period.

“**Adjusted Net Revenue**” means Adjusted Gross Revenue less Operating and Maintenance Expense.

“**Annual Debt Service**” for any calendar year means the sum of the amounts required in such calendar year to pay the interest due in such calendar year on all Parity Bonds outstanding, excluding interest to be paid from the proceeds of the sale of Parity Bonds or other bonds; the principal of all outstanding Serial Bonds due in such calendar year; and the Sinking Fund Requirement, if any, for such calendar year.

(a) For purposes of this definition, the principal and interest portions of the Accreted Value of Capital Appreciation Bonds becoming due at maturity or by virtue of a Sinking Fund Requirement shall be included in the calculations of accrued and unpaid and accruing interest or principal in such manner and during such period of time as is specified in any Parity Bond Legislation authorizing such Capital Appreciation Bonds.

(b) For purposes of calculating and determining compliance with the Coverage Requirement, the Reserve Requirement and the conditions for the issuance of Future Parity Bonds and/or entering into Parity Payment Agreements, the following shall apply:

(i) Generally. Except as otherwise provided by subparagraph (ii) below with respect to Variable Interest Rate Bonds and by subparagraph (iii) below with respect to Parity Bonds with respect to which a Payment Agreement is in force, interest on any issue of Parity Bonds shall be calculated based on the actual amount of accrued, accreted or otherwise accumulated interest that is payable in respect of that issue taken as a whole, at the rate or rates set forth in the applicable Parity Bond Legislation.

(ii) Interest on Variable Interest Rate Bonds. The amount of interest deemed to be payable on any issue of Variable Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds would be equal to the rate that is 90% of the average RBI during the four calendar quarters preceding the quarter in which the calculation is made.

(iii) Interest on Parity Bonds With Respect to Which a Payment Agreement is in Force. Debt service on Parity Bonds with respect to which a Payment Agreement is in force shall be based on the net economic effect on the City expected to be produced by the terms of the Parity Bonds and the terms of the Payment Agreement, including but not limited to the effects produced by the following: (A) Parity Bonds that

would, but for a Payment Agreement, be treated as obligations bearing interest at a Variable Interest Rate instead shall be treated as obligations bearing interest at a fixed interest rate, and (B) Parity Bonds that would, but for a Payment Agreement, be treated as obligations bearing interest at a fixed interest rate instead shall be treated as obligations bearing interest at a Variable Interest Rate. Accordingly, the amount of interest deemed to be payable on any Parity Bonds with respect to which a Payment Agreement is in force shall be an amount equal to the amount of interest that would be payable at the rate or rates stated in those Parity Bonds plus Payment Agreement Payments minus Payment Agreement Receipts. For the purposes of calculating as nearly as practicable Payment Agreement Receipts and Payment Agreement Payments under a Payment Agreement that includes a variable rate component determined by reference to a pricing mechanism or index that is not the same as the pricing mechanism or index used to determine the variable rate interest component on the Parity Bonds to which the Payment Agreement is related, it shall be assumed that the fixed rate used in calculating Payment Agreement Payments will be equal to 105% of the fixed rate specified by the Payment Agreement and that the pricing mechanism or index specified by the Payment Agreement is the same as the pricing mechanism or index specified by the Parity Bonds. Notwithstanding the other provisions of this subparagraph, the City shall not be required to (but may in its discretion) take into account in determining Annual Debt Service the effects of any Payment Agreement that has a term of ten years or less.

(iv) Parity Payment Agreements. No additional debt service shall be taken into account with respect to a Parity Payment Agreement for any period during which Payment Agreement Payments on that Parity Payment Agreement are taken into account in determining Annual Debt Service on related Parity Bonds under subsection (iii) of this definition. However, for any period during which Payment Agreement Payments are not taken into account in calculating Annual Debt Service on any outstanding Parity Bonds because the Parity Payment Agreement is not then related to any outstanding Parity Bonds, payments on that Parity Payment Agreement shall be taken into account by assuming:

(A) City Obligated to Make Payments Based on Fixed Rate. If the City is

obligated to make Payment Agreement Payments based on a fixed rate and the Qualified Counterparty is obligated to make payments based on a variable rate index, that payments by the City will be based on the assumed fixed payor rate, and that payments by the Qualified Counterparty will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and

(B) City Obligated to Make Payments Based on Variable Rate Index. If the City is obligated to make Payment Agreement Payments based on a variable rate index and the Qualified Counterparty is obligated to make payment based on a fixed rate, that payments by the City will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and that the Qualified Counterparty will make payments based on the fixed rate specified by the Parity Payment Agreement.

(i) As of the Issue Date of each Series, the average expected life of the capital facilities to be financed with the proceeds (or allocable share of proceeds) of that Series must exceed the weighted average maturity of the Series (or share thereof) allocated to financing those capital facilities.

(ii) As of the Issue Date of each Series, (A) the Finance Director must determine that the Parity Conditions have been met or satisfied, so that such Series may be issued as Parity Bonds, and (B) the City Council must find in the Bond Resolution that, in creating the Parity Bond Account and in fixing the amounts to be paid into it in accordance with this ordinance, the City Council has had due regard for the cost of maintenance and operation of the Drainage and Wastewater System, and is not setting aside into the Parity Bond Account a greater amount than in the judgment of the City Council, based on the rates to be established from time to time consistent with Section 16(b), will be available over and above such cost of maintenance and operation.

(iii) The Bond Sale Terms for any Series may provide for Bond Insurance, a Reserve Security or other credit enhancement, or a Parity Payment Agreement. To that end, the Bond Sale Terms may include such additional terms, conditions and covenants as may be necessary or desirable, including but not limited to

restrictions on investment of Bond proceeds and pledged funds, and requirements to give notice to or obtain the consent of a credit enhancement provider or a Qualified Counterparty.

(iv) The Bond Sale Terms must establish the method of providing for the Reserve Requirement, consistent with Section 15(a)(ii).

(iv) Any Series may be designated or qualified as Tax-Exempt Bonds, taxable bonds, or as Tax Credit Subsidy Bonds, and may include such additional terms and covenants relating to federal tax matters as the Director of Finance deems necessary or appropriate, consistent with Section 22.

Section 6. Bond Registrar; Registration and Transfer of Bonds.

(a) Registration of Bonds. The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register.

(b) Bond Registrar; Transfer and Exchange of Bonds. The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and the Registration Ordinance.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's certificate of authentication on the Bonds. The Bond Registrar may become an Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized Denomination

of an equal aggregate principal amount and of the same Series, interest rate and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to the Owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the period between the Record Date and the corresponding interest payment or redemption date.

(c) Securities Depository; Book-Entry Form. The Bonds initially shall be registered in the name of the Securities Depository. The Bonds so registered shall be held fully immobilized in book-entry form by the Securities Depository in accordance with the provisions of the Letter of Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation to participants of the Securities Depository or the persons for whom they act as nominees with respect to the Bonds regarding accuracy of any records maintained by the Securities Depository or its participants of any amount in respect of principal of or interest on the Bonds, or any notice which is permitted or required to be given to Owners hereunder (except such notice as is required to be given by the Bond Registrar to the Securities Depository). Registered ownership of a Bond initially held in book-entry form, or any portion thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond is no longer held in book-entry form.

Upon the resignation of the Securities Depository from its functions as depository, or upon a determination by the City to discontinue services of the Securities Depository, the City may appoint a substitute Securities Depository. If (i) the Securities Depository resigns from its functions as depository and no substitute Securities Depository can be obtained, or (ii) the City determines that the Bonds are to be in certificated form, then ownership of Bonds may be transferred to any person as provided herein and the Bonds no longer shall be held in book-entry form.

Section 7. Payment of Bonds. Principal of and interest on each Bond shall be payable solely out of the Parity Bond Account, in lawful money of the United States. Principal of and interest on each Bond

registered in the name of the Securities Depository is payable in the manner set forth in the Letter of Representations. Interest on each Bond not registered in the name of the Securities Depository is payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. However, the City is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received at least ten days prior to the Record Date and at the sole expense of the Registered Owner. Principal of each Bond not registered in the name of the Securities Depository is payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar. The Bonds are not subject to acceleration under any circumstances.

Section 8. Redemption and Purchase of Bonds.

(a) Optional Redemption. All or some of the Bonds may be subject to redemption prior to their stated maturity dates at the option of the City at the times and on the terms approved in accordance with Section 5.

(b) Mandatory Redemption. If not redeemed or purchased at the City's option prior to maturity, Term Bonds (if any) shall be redeemed, at a price equal to the principal amount thereof to be redeemed plus accrued interest, on the dates and in the Sinking Fund Requirements as set forth in the Bond Resolution. If the City redeems or purchases Term Bonds at the City's option prior to maturity, the Term Bonds so redeemed or purchased (irrespective of their redemption or purchase prices) shall be credited at the par amount thereof against the remaining Sinking Fund Requirements as determined by the Director of Finance. In the absence of a determination by the Director of Finance or other direction in the Bond Resolution, credit shall be allocated on a pro rata basis.

(c) Selection of Bonds for Redemption; Partial Redemption. If fewer than all of the outstanding Bonds are to be redeemed at the option of the City, the Director of Finance shall select the Series and maturity or maturities to be redeemed. If fewer than all of the outstanding Bonds of a maturity of a Series are to be

redeemed, the Securities Depository shall select Bonds registered in the name of the Securities Depository to be redeemed in accordance with the Letter of Representations, and the Bond Registrar shall select all other Bonds to be redeemed randomly in such manner as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(d) Purchase. The City reserves the right and option to purchase any or all of the Bonds offered to the City at any time at any price acceptable to the City plus accrued interest to the date of purchase.

Section 9. Notice of Redemption. The City shall cause notice of any intended redemption of Bonds to be given not less than 20 nor more than 60 days prior to the date fixed for redemption by first class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Owner of any Bond. Interest on Bonds called for redemption shall cease to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

In the case of an optional redemption, the notice may state that the City retains the right to rescind the redemption notice and the related optional redemption of Bonds by giving a notice of rescission to the affected Registered Owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is rescinded by the Director of Finance shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

Section 10. Failure to Pay Bonds. If any Bond is not paid when properly presented at its maturity or redemption date, the City shall be obligated to pay, solely from the Parity Bond Account and the other

sources pledged in this ordinance, interest on that Bond at the same rate provided in that Bond from and after its maturity or redemption date until that Bond, principal, premium, if any and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Parity Bond Account and that Bond has been called for payment by giving notice of that call to the Registered Owner of that Bond.

Section 11. Form and Execution of Bonds. The Bonds shall be typed, printed or reproduced in a form consistent with the provisions of this ordinance, the Bond Resolution and State law, shall be signed by the Mayor and Director of Finance, either or both of whose signatures may be manual or in facsimile, and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a certificate of authentication in substantially the following form (with the designation, year, and Series adjusted consistent with this ordinance), manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “This Bond is one of the fully registered The City of Seattle, Washington, [Drainage and Wastewater Revenue Bonds], [Year], [Series], described in [this ordinance].” The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.

If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that Bond nevertheless may be authenticated, delivered and issued and, when authenticated, issued and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bonds.

Section 12. Construction Account; Deposit of Proceeds. An account to be known as the Drainage and Wastewater Construction Account, 2016 is created in the Drainage and Wastewater Fund. The principal

proceeds of the sale of the Bonds remaining after the deposit of accrued interest on the Bonds, if any, into the Principal and Interest Subaccount and the deposit of any proceeds as determined by the Bond Resolution into the Reserve Subaccount, shall be deposited into the Construction Account, unless otherwise specified in the Bond Resolution or directed by the Director of Finance, to be used for the purpose of paying part of the costs of carrying out the Plan of Additions and to pay capitalized interest on, if necessary, and the costs of issuance of the Bonds. Until needed to pay such costs, the City may invest principal proceeds and interest thereon temporarily in any Permitted Investments, and the investment earnings may, as determined by the Director of Finance, be retained in the Construction Account and be spent for the purposes of that account or deposited in the Parity Bond Account.

Section 13. Security for the Bonds; Parity with other Bonds. The Bonds shall be special limited obligations of the City payable from and secured solely by the Net Revenue (including all ULID Assessments, if any) and by money in the Parity Bond Account and subaccounts therein (including the Reserve Subaccount). Net Revenue is pledged to make the payments into the Bond Account and the Reserve Subaccount required by subsections (b) and (c) of Section 14, which pledge shall constitute a charge and lien upon such Net Revenue prior and superior to all other liens and charges whatsoever. The City covenants that for as long as any Bond is outstanding that it will not issue any other revenue obligations (or create any special fund or account therefor), which will have any priority over or which will rank on a parity with the payments required in respect of the Parity Bonds, and that it will issue Future Parity Bonds only accordance with Section 17.

The Bonds shall be on a parity with the Outstanding Parity Bonds and all Future Parity Bonds, without regard to date of issuance or authorization and without preference or priority of right or lien. Nothing in this ordinance prevents the City from issuing revenue bonds or other obligations which are a charge or lien upon Net Revenue subordinate to the payments required to be made from Net Revenue into the Parity Bond Account and the subaccounts therein.

The Bonds shall not constitute general obligations of the City, the State or any political subdivision of the State or a charge upon any general fund or upon any money or other property of the City, the State or any political subdivision of the State not specifically pledged by this ordinance.

Section 14. Priority Expenditure of Gross Revenue; Flow of Funds. Gross Revenue shall be used for the following purposes only and shall be applied in the following order of priority:

- (a) To pay the Operating and Maintenance Expense;
- (b) To make the required payments into the Principal and Interest Subaccount for all Parity Bonds;
- (c) To make the required payments into the Reserve Subaccount for all Parity Bonds;

(d) To make all required payments into any revenue bond redemption fund created to pay and secure the payment of the principal of and interest on any revenue bonds or short-term obligations of the City having a charge and lien upon Net Revenue subordinate to the lien thereon for the payment of the principal of and interest on Parity Bonds; and

(e) To retire by redemption and purchase any outstanding revenue bonds or revenue obligations of the Drainage and Wastewater System; to make necessary additions, betterments, repairs, extensions and replacements of the Drainage and Wastewater System; to pay City taxes or other payments in lieu of taxes payable from Gross Revenue; to make deposits to the Rate Stabilization Account; or for any other lawful Drainage and Wastewater System purpose.

Section 15. Parity Bond Account. The Parity Bond Account is divided into two subaccounts: the Principal and Interest Subaccount and the Reserve Subaccount. The Director of Finance may create sinking fund subaccounts or other subaccounts in the Parity Bond Account for the payment or securing the payment of Parity Bonds as long as the maintenance of such subaccounts does not conflict with the rights of the owners of Parity Bonds.

(a) Required Payments Into Parity Bond Account. So long as any Parity Bonds are outstanding, the City shall set aside and pay into the Parity Bond Account all ULID Assessments on their collection and, out

of Net Revenue, certain fixed amounts without regard to any fixed proportion, namely:

(i) Into the Principal and Interest Subaccount (A) upon receipt thereof, the accrued interest, if any, received by the City from the Purchaser, and (B) on or before each interest or principal and interest payment date of any Parity Bonds an amount which, together with other money on deposit therein, will be sufficient to pay the interest, or principal and interest and Sinking Fund Requirements, to become due and payable on the Parity Bonds on that payment date, and net payments due on Parity Payment Agreements; and

(ii) Into the Reserve Subaccount an amount necessary to provide for the Reserve Requirement for the Parity Bonds within the time and in the manner required by this ordinance and the Parity Bond Legislation. The amount necessary to satisfy the Reserve Requirement upon the issuance of a Series may be funded (i) on the Issue Date, by a deposit of bond sale proceeds or a Reserve Security, or (ii) in annual installments from Net Revenue so that the Reserve Requirement is fully funded by the fifth anniversary of the Issue Date. The manner of funding the Reserve Requirement for the Bonds shall be set forth in the Bond Resolution.

The Director of Finance may transfer any money from any funds or accounts of the City legally available therefor, except bond redemption funds, refunding escrow funds or defeasance funds, to meet the required payments to be made into the Parity Bond Account. The Director of Finance may provide for the purchase, redemption or defeasance of any Parity Bonds by the use of money on deposit in any subaccount in the Parity Bond Account as long as the money remaining in those subaccounts is sufficient to satisfy the required deposits in those subaccounts for the remaining Parity Bonds.

(b) Reserve Subaccount. The City covenants that it will at all times so long as any Parity Bonds are outstanding, maintain the Reserve Subaccount at the Reserve Requirement (taking into account scheduled payments to fund the Reserve Requirement over time), as it is adjusted from time to time, except for withdrawals as authorized by this ordinance. The Director of Finance may make withdrawals of cash from the Reserve Subaccount in the event of a deficiency in the Principal and Interest Subaccount to meet current

installments of either principal (or Sinking Fund Requirements) or interest. Any deficiency created in the Reserve Subaccount by reason of any such withdrawal will then be made up from the ULID Assessments and Net Revenue first available after making necessary provisions for the required payments into the Principal and Interest Subaccount. The money in the Reserve Subaccount may be applied to the payment of the last outstanding Parity Bonds, and when the total amount in the Parity Bond Account (including investment earnings) equals the total amount of principal and interest for all then-outstanding Parity Bonds to the last maturity thereof, no further payment need be made into the Parity Bond Account. Money in the Reserve Subaccount (including investment earnings) in excess of the Reserve Requirement may be withdrawn and deposited in the Principal and Interest Subaccount and spent for the purpose of retiring Parity Bonds or may be deposited in any other fund or account and spent for any other lawful Drainage and Wastewater System purpose.

(c) Investment of Money in Parity Bond Account. All money in the Parity Bond Account may be kept in cash or invested in Permitted Investments maturing not later than the date when needed (for investments in the Principal and Interest Subaccount) or the last maturity of any outstanding Parity Bonds (for investments in the Reserve Subaccount). In no event shall any money in the Parity Bond Account or any other money reasonably expected to be used to pay principal and/or interest on the Parity Bonds be invested at a yield which would cause any Series issued as Tax-Exempt Bonds or Tax Credit Subsidy Bonds to be arbitrage bonds within the meaning of Section 148 of the Code. Income from investments in the Principal and Interest Subaccount shall be deposited in that subaccount. Income from investments in the Reserve Subaccount shall be deposited in that subaccount until the amount therein is equal to the Reserve Requirement for all Parity Bonds, and thereafter shall be deposited in the Principal and Interest Subaccount. Notwithstanding the provisions for deposit or retention of earnings in the Parity Bond Account, any earnings which are subject to a federal tax or rebate requirement may be withdrawn from the Parity Bond Account for deposit in a separate fund or account for that purpose. If no longer required for such rebate, money in that separate fund or account shall be returned

to the Parity Bond Account.

(d) Failure to Deposit Money in Parity Bond Account. If the City fails to set aside and pay into the Parity Bond Account, or the subaccounts therein, the amounts set forth above, the registered owner of any of the outstanding Parity Bonds may bring action against the City for failure to make the required deposits to the Parity Bond Account only in accordance with Section 25 regarding Events of Default.

Section 16. Parity Bond Covenants. The City covenants with the Owner of each of Bond at any time outstanding, as follows:

(a) Operation and Maintenance. It will pay all Operating and Maintenance Expense and otherwise meet the obligations of the City under this ordinance. It will at all times maintain and keep the Drainage and Wastewater System in good repair, working order and condition, will make all necessary and proper additions, betterments, renewals and repairs thereto, and improvements, replacements and extensions thereof so that at all times the business carried on in connection therewith will be properly and advantageously conducted, and will at all times operate the Drainage and Wastewater System and the business in connection therewith in an efficient manner and at a reasonable cost.

(b) Establishment of Rates and Charges. It will establish, maintain, revise as necessary and collect rates and charges for services and facilities provided by the Drainage and Wastewater System so that Adjusted Net Revenue in each fiscal year will be at least equal to the Coverage Requirement. The failure of the City to comply with this subsection shall not be an Event of Default if the City promptly retains an Independent Utility Consultant to recommend to the City Council adjustments in the rates of the Drainage and Wastewater System necessary to meet the requirements of this subsection and if the City Council adopts the recommended modifications within 180 days of the date the failure became known to the City Council.

(c) Sale or Disposition of Drainage and Wastewater System. It will not sell, lease, mortgage, or in any manner encumber or dispose of all of the property of the Drainage and Wastewater System unless provision is made for the payment into the Parity Bond Account of an amount sufficient to pay the principal of

and interest on Parity Bonds then outstanding; and it will not sell, lease, mortgage, or in any manner encumber or dispose of (each a “transfer”) any part of the property of the Drainage and Wastewater System that is used, useful and material to the operation thereof, except consistent with one or more of the following:

(i) if provision is made for replacement thereof, or for payment into the Parity Bond Account of the total amount of Gross Revenue received from the portion of the Drainage and Wastewater System transferred, which shall not be less than an amount which shall bear the same ratio to the amount of Parity Bonds then outstanding as the Gross Revenue available for debt service for such outstanding bonds for the 12 months preceding such transfer from the portion of the Drainage and Wastewater System so transferred bears to the Gross Revenue available for debt service for the then outstanding Parity Bonds from the entire Drainage and Wastewater System of the City for the same period. Any such money so paid into the Parity Bond Account shall be used to retire such Parity Bonds at the earliest possible date; or

(ii) if the aggregate depreciated cost value of the property being transferred under this subsection in any fiscal year comprises no more than 5% of the total assets of the Drainage and Wastewater System; or

(iii) if the proceeds from such transfer are used to acquire new useful operating facilities or properties of the Drainage and Wastewater System, or are used to retire outstanding Parity Bonds or other revenue obligations of the Drainage and Wastewater System, and if, at the time of such transfer, the City has on file a certificate of both the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of either office) demonstrating that in their opinion, upon such transfer and the use of proceeds of the transfer as proposed by the City, the remaining facilities of the Drainage and Wastewater System will retain their operational integrity and, based on the financial statements for the most recent fiscal year available, the proposed transfer would not prevent the Drainage and Wastewater System from complying with the Coverage Requirement during the five fiscal years following the fiscal year in which the transfer is to occur. The certificate shall take into account, (A) the reduction in revenue and expenses,

if any, resulting from the transfer; (B) the use of any proceeds of the transfer for the redemption of Parity Bonds, (C) the estimate of revenue from customers anticipated to be served by any additions to and betterments and extensions of the Drainage and Wastewater System financed in part by the proposed portion of the proceeds of the transfer, and (D) any other adjustment permitted in the preparation of a certificate under Section 17(a) (vi). Before such a transfer, the City also must obtain confirmation from each of the Rating Agencies to the effect that the rating then in effect will not be reduced or withdrawn upon such transfer.

(d) Books and Records. It will keep proper and separate accounts and records in which complete and separate entries shall be made of all transactions relating to the Drainage and Wastewater System, and it will furnish the Registered Owner(s) of the Bonds or any subsequent Registered Owner(s) thereof, at the written request of such Registered Owner(s), complete operating and income statements of the Drainage and Wastewater System in reasonable detail covering any fiscal year not more than six months after the close of such fiscal year and it will grant any Registered Owner(s) of at least 25% of the outstanding Bonds the right at all reasonable times to inspect the entire Drainage and Wastewater System and all records, accounts and data of the City relating thereto. Upon request of any Registered Owner of any of the Bonds, it also will furnish to such Registered Owner a copy of the most recently completed audit of the City's accounts by the State Auditor.

Section 17. Future Parity Bonds.

(a) The City reserves the right to issue Future Parity Bonds and to enter into Parity Payment Agreements for purposes of the Drainage and Wastewater System or to refund a portion of the Parity Bonds if the following conditions are met and complied with at the time of the issuance of those Future Parity Bonds or entering into the Parity Payment Agreement:

(i) There must be no deficiency in the Parity Bond Account and no Event of Default with respect to any Parity Bonds shall have occurred and be continuing.

(ii) The Future Parity Bond Legislation must provide that all ULID Assessments shall be paid directly into the Parity Bond Account.

(iii) The Future Parity Bond Legislation must provide for the payment of the principal thereof and the interest thereon out of the Parity Bond Account.

(iv) The Future Parity Bond Legislation must provide for the payment of any Sinking Fund Requirements from money in the Principal and Interest Subaccount.

(v) The Future Parity Bond Legislation must provide for the deposit into the Reserve Subaccount of (A) an amount, if any, necessary to fund the Reserve Requirement upon the issuance of those Future Parity Bonds from Future Parity Bond proceeds or other money legally available; (B) one or more Reserve Securities or an amount plus Reserve Securities necessary to fund the Reserve Requirement upon the issuance of those Future Parity Bonds, or (C) amounts necessary to fund the Reserve Requirement from ULID Assessments and Net Revenue within five years from the date of issuance of those Future Parity Bonds, in five approximately equal annual payments. Immediately prior to the issuance of Future Parity Bonds, amounts then deposited in the Reserve Subaccount shall be valued as determined on the most recent annual financial report of the City applicable to the Drainage and Wastewater System, and the additional amounts, if any, needed to be deposited into the Reserve Subaccount to satisfy the Reserve Requirement shall be based on that valuation.

(vi) There shall be on file with the City either:

(A) A certificate of the Director of Finance demonstrating that during any 12 consecutive calendar months out of the immediately preceding 24 calendar months Adjusted Net Revenue was at least equal to the Coverage Requirement for all Parity Bonds plus the Future Parity Bonds proposed to be issued (and assuming that the debt service of the proposed Future Parity Bonds for that 12-month period was the Average Annual Debt Service for those proposed Future Parity Bonds); or

(B) A certificate of the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of that office) that in their opinion, Adjusted Net Revenue for the five fiscal years next following the earlier of (1) the end of the period during which interest on those Future Parity Bonds is to be capitalized or, if no interest is capitalized, the fiscal year in

which the Future Parity Bonds are issued, or (2) the date on which substantially all new facilities financed with those Future Parity Bonds are expected to commence operations, such Adjusted Net Revenue further adjusted as provided in paragraphs (1) through (4) below, will be at least equal to the Coverage Requirement. That certificate may take into account the following adjustments:

(1) Any changes in rates in effect and being charged, or rates expected to be charged in accordance with a program of specific rates, rate levels or increases in overall rate revenue approved by ordinance or resolution;

(2) Net revenue from customers of the Drainage and Wastewater System who have become customers during the 12-consecutive-month period or thereafter, and their estimate of net revenue from any customers to be connected to the Drainage and Wastewater System who have paid the required connection charges, adjusted to reflect one year's net revenue from those customers;

(3) Their estimate of net revenue from customers anticipated to be served by facilities or improvements financed in substantial part by those Future Parity Bonds (or additional Parity Bonds expected to be issued during the five-year period); and

(4) Net revenue from any person, firm, corporation or municipal corporation under any executed contract for drainage and wastewater or other utility service, which revenue was not included in historical Net Revenue of the Drainage and Wastewater System.

If the Future Parity Bonds proposed to be issued are for the sole purpose of refunding Parity Bonds, no such coverage certification shall be required if the Adjusted Annual Debt Service on the Parity Bonds after the issuance of the Future Parity Bonds is not, for any year in which the Parity Bonds being refunded were outstanding, more than \$5,000 over the Adjusted Annual Debt Service on the Parity Bonds prior to the issuance of those Future Parity Bonds.

(b) Nothing contained herein shall prevent the City from issuing Future Parity Bonds to refund maturing Parity Bonds, money for the payment of which is not otherwise available, or revenue bonds that are a

charge or lien upon Gross Revenue subordinate to the charge or lien of the Parity Bonds, or from pledging to pay assessments levied for ULID improvements constructed from the proceeds of subordinate lien bonds into a bond redemption fund created for the payment of the principal of and interest on those subordinate lien bonds.

Section 18. Rate Stabilization Account. The Rate Stabilization Account has been created as a separate account in the Drainage and Wastewater Fund. The City may at any time, as determined by the Director of Finance, deposit in the Rate Stabilization Account, Gross Revenue and any other money received by the Drainage and Wastewater System and available for this purpose, consistent with Section 14. The Director of Finance may, upon authorization by resolution of the City Council, withdraw any or all of the money in the Rate Stabilization Account for inclusion in Adjusted Gross Revenue for any fiscal year. Such deposits or withdrawals may be made up to and including the date 90 days after the end of the fiscal year for which the deposit or withdrawal will be included as Adjusted Gross Revenue. No deposit of Gross Revenue may be made into the Rate Stabilization Account to the extent that such deposit would prevent the City from meeting the Coverage Requirement in the relevant fiscal year.

Section 19. Separate Utility Systems. The City may create, acquire, construct, finance, own and operate one or more additional systems for drainage and wastewater service or other commodity or service relating to the Drainage and Wastewater System. The revenue of that separate utility system shall not be included in Gross Revenue and may be pledged to the payment of revenue obligations issued to purchase, construct, condemn or otherwise acquire or expand the separate utility system. Neither Gross Revenue nor Net Revenue shall be pledged by the City to the payment of any obligations of a separate utility system except (a) as a Contract Resource Obligation, or (b) with respect to the Net Revenue, on a basis subordinate to the lien of the Parity Bonds on that Net Revenue.

Section 20. Contract Resource Obligations. The City may at any time enter into one or more Contract Resource Obligations for the acquisition, from facilities to be constructed, of drainage and wastewater services or other commodity or service relating to the Drainage and Wastewater System, as follows:

(a) The City may determine that, and may agree under a Contract Resource Obligation to provide that, all payments under that Contract Resource Obligation (including payments prior to the time that drainage and wastewater services or other commodity or service is being provided, or during a suspension or after termination of supply or service) shall be an Operating and Maintenance Expense if the following requirements are met at the time such a Contract Resource Obligation is entered into:

(i) No Event of Default has occurred and is continuing; and

(ii) There shall be on file a certificate of an Independent Utility Consultant stating that (A) the payments to be made by the City in connection with the Contract Resource Obligation are reasonable for the commodity or service rendered; (B) any facilities to be constructed to provide the commodity or service are sound from a drainage and wastewater services or other commodity or service planning standpoint, are technically and economically feasible in accordance with prudent utility practice, and are likely to provide supply or transmission no later than a date set forth in the Independent Utility Consultant's certification; and (C) Adjusted Net Revenue (further adjusted by the Independent Utility Consultant's estimate of the payments to be made in accordance with the Contract Resource Obligation) for the five fiscal years following the year in which the Contract Resource Obligation is incurred, as such Adjusted Net Revenue is estimated by the Independent Utility Consultant in accordance with the provisions of and adjustments permitted in Section 17(a)(vi)(B), will be at least equal to the Coverage Requirement.

(b) Payments required to be made under Contract Resource Obligations shall not be subject to acceleration.

(c) Nothing in this section shall be deemed to prevent the City from entering into other agreements for the acquisition of drainage and wastewater services or other commodity or service from existing facilities and from treating those payments as an Operating and Maintenance Expense. Nothing in this section shall be deemed to prevent the City from entering into other agreements for the acquisition of drainage and wastewater services or other commodity or service from facilities to be constructed and from agreeing to make payments

with respect thereto, such payments constituting a charge and lien on Net Revenue subordinate to the Parity Bonds.

Section 21. Refunding and Defeasance of the Bonds. The Bonds are hereby designated “Refundable Bonds” for purposes of the Omnibus Refunding Bond Ordinance. The City may issue refunding bonds pursuant to the laws of the State or use money available from any other lawful source to pay when due the principal of, premium, if any, and interest on any Bond, or portion thereof, included in a refunding or defeasance plan, and to redeem and retire, release, refund or defease those Bonds (the “defeased Bonds”) and to pay the costs of such refunding or defeasance. If money and/or Government Obligations maturing at a time or times and in an amount sufficient, together with known earned income from the investment thereof, to redeem and retire, release, refund or defease the defeased Bonds in accordance with their terms, are set aside in a special trust fund or escrow account irrevocably pledged to such redemption, retirement or defeasance (the “trust account”), then all right and interest of the Owners of the defeased Bonds in the covenants of this ordinance and in Net Revenue and the funds and accounts pledged to the payment of such defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such Owners thereafter shall have the right to receive payment of the principal of and interest or redemption price on the defeased Bonds from the trust account. After establishing and fully funding such a trust account, the defeased Bonds shall be deemed to be no longer outstanding, and the Director of Finance then may apply any money in any other fund or account established for the payment or redemption of the defeased Bonds to any lawful purposes. Notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

If the refunding or defeasance plan provides that the defeased Bonds or the refunding bonds to be issued be secured by money and/or Government Obligations pending the prior redemption of the defeased Bonds and if such refunding or defeasance plan also provides that certain money and/or Government Obligations are

pledged irrevocably for the prior redemption of the defeased Bonds included in that refunding or defeasance plan, then only the debt service on the Bonds which are not defeased Bonds and the refunding bonds, the payment of which is not so secured by the refunding plan, shall be included in the computation of the Coverage Requirement for the issuance of Future Parity Bonds and the annual computation of the Coverage Requirement for determining compliance with the rate covenants.

Section 22. Provisions Relating to Certain Federal Tax Consequences of the Bonds.

(a) Tax-Exempt Bonds. The City covenants that it will take all actions, consistent with the terms of any Series issued as Tax-Exempt Bonds, this ordinance, and the Bond Resolution, reasonably within its power and necessary to prevent interest on that Series from being included in gross income for federal income tax purposes, and the City will neither take any action nor make or permit any use of gross proceeds of that Series or other funds of the City treated as gross proceeds of that Series at any time during the term of such Series that will cause interest on such Series to be included in gross income for federal income tax purposes. The City also covenants that it will, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt Bonds, take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with that Series, including the calculation and payment of any penalties that the City has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on such Series from being included in gross income for federal income tax purposes.

(b) Tax Credit Subsidy Bonds or other Taxable Bonds. The Director of Finance may, without further action by the City Council, make provision in the Bonds or other written document for such additional covenants of the City as may be necessary or appropriate in order for the City to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series issued as Tax Credit Subsidy Bonds, or in the instance that the Bonds otherwise become and remain eligible for tax benefits under the Code.

Section 23. Official Statement; Continuing Disclosure.

(a) Preliminary Official Statement. The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with each sale of one or more Series to the public. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection.

(b) Final Official Statement. The City approves the preparation of a final official statement for each sale of one or more Series to be sold to the public in the form of the preliminary official statement with such modifications and amendments as the Director of Finance deems necessary or desirable, and further authorizes the Director of Finance to execute and deliver such final official statement to the Purchaser. The City authorizes and approves the distribution by the Purchaser of that final official statement to purchasers and potential purchasers of the Bonds.

(c) Undertaking to Provide Continuing Disclosure. To meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a Purchaser of a Series, the Director of Finance is authorized to execute the Undertaking in substantially the form attached as Exhibit B.

Section 24. Supplemental or Amendatory Ordinances.

(a) This ordinance shall not be supplemented or amended in any respect subsequent to the Issue Date, except as provided in and in accordance with and subject to the provisions of this section.

(b) The City may, from time to time and at any time, without the consent of or notice to the owners of the Parity Bonds, pass supplemental or amendatory ordinances for any of the following purposes:

(i) To cure any formal defect, omission, inconsistency or ambiguity in this ordinance in a manner not adverse to the owners of any Parity Bonds;

(ii) To impose upon the Bond Registrar (with its consent) for the benefit of the owners of any

Parity Bonds any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this ordinance as theretofore in effect;

(iii) To add to the covenants and agreements of, and limitations and restrictions upon, the City in this ordinance, other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this ordinance as theretofore in effect;

(iv) To confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by this ordinance of any other money, securities or funds;

(v) To authorize different denominations of the Bonds and to make correlative amendments and modifications to this ordinance regarding exchangeability of Bonds of different authorized denominations, redemptions of portions of Bonds of particular authorized denominations and similar amendments and modifications of a technical nature;

(vi) To comply with any future federal law or interpretation to preserve the exclusion of the interest on the Tax-Exempt Bonds from gross income for federal income tax purposes and the entitlement of the City to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series sold and issued as Tax Credit Subsidy Bonds;

(vii) To modify, alter, amend or supplement this ordinance in any other respect which is not materially adverse to the owners of the Parity Bonds and which does not involve a change described in subsection (c) of this section; and

(viii) To add to the covenants and agreements of, and limitations and restrictions upon, the City in this ordinance, other covenants, agreements, limitations and restrictions to be observed by the City which are requested by a provider of Bond Insurance or provider of a Reserve Security and which are not materially adverse to the owners of the Parity Bonds.

Before the City may pass any such supplemental or amendatory ordinance pursuant to this subsection,

there must be delivered to the City an opinion of Bond Counsel, stating that such supplemental or amendatory ordinance is authorized or permitted by this ordinance and will, upon the effective date thereof, be valid and binding upon the City in accordance with its terms, and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Tax-Exempt Bonds.

(c) Except for any supplemental or amendatory ordinance passed pursuant to subsection (b) of this section, the City may pass supplemental or amendatory ordinances subject to the terms and provisions contained in this subsection (c) and not otherwise:

(i) With the consent of registered owners of not less than 60% in aggregate principal amount of the Parity Bonds then outstanding, the City Council may pass any supplemental or amendatory ordinance deemed necessary or desirable by the City for the purpose of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in this ordinance. However, unless approved in writing by the registered owner of each Parity Bond then outstanding, nothing contained in this section shall permit, or be construed as permitting (A) a change in the times, amounts or currency of payment of the principal of or interest on any outstanding Parity Bond, or a reduction in the principal amount or redemption price of any outstanding Parity Bond or a change in the method of determining the rate of interest thereon, (B) a preference or priority of any Parity Bond over any other Parity Bond, or (C) a reduction in the aggregate principal amount of Parity Bonds.

(ii) If at any time the City Council passes a supplemental or amendatory ordinance for any of the purposes of this subsection (c), the Bond Registrar shall cause notice of the proposed supplemental or amendatory ordinance to be given by first class United States mail to all registered owners of the then outstanding Parity Bonds, to each provider of Bond Insurance or a Reserve Security, and to each Rating Agency. Such notice shall briefly set forth the nature of the proposed supplemental or amendatory ordinance and shall state that a copy is on file at the office of the City Clerk for inspection by all owners of the outstanding Parity Bonds.

(iii) Within two years after the date of the mailing of such notice, such supplemental or amendatory ordinance, substantially as described in such notice, may go into effect, but only if there shall have first been delivered to the Bond Registrar (A) the required consents, in writing, of registered owners of the Parity Bonds, and (B) an opinion of Bond Counsel stating that such supplemental or amendatory ordinance is authorized or permitted by this ordinance and, upon the effective date thereof, will be valid and binding upon the City in accordance with its terms and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Tax-Exempt Bonds.

(iv) If registered owners of not less than the percentage of Parity Bonds required by this subsection (c) shall have consented to and approved the passage of such a supplemental or amendatory ordinance, no owner of a Parity Bond shall have any right to object to the passage of such supplemental ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the passage thereof, or to enjoin or restrain the City from passing the same or the City, any authorized official thereof, or the Bond Registrar from taking any action pursuant to the provisions thereof.

(d) The Registered Owners from time to time of the outstanding Bonds, by taking and holding the same, shall be deemed to have consented to the adoption by the City of any supplemental or amendatory ordinance or resolution passed pursuant to the provisions of this section for any one or more of the following purposes:

(i) When calculating “Annual Debt Service,” to permit or require Tax Credit Subsidy Payments expected to be received by the City in any period to be credited against amounts required to be paid in respect of interest on the Parity Bonds in that period; and

(ii) To permit or require Tax Credit Subsidy Payments to be deposited into the Principal and Interest Subaccount and credited against the Net Revenue otherwise required to be deposited into the Principal and Interest Subaccount.

(e) Upon the effective date of any supplemental or amendatory ordinance pursuant to the provisions of this section, this ordinance shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the City, the Bond Registrar and all owners of Parity Bonds then outstanding shall thereafter be determined, exercised and enforced under this ordinance subject in all respects to such modifications and amendments.

Section 25. Defaults and Remedies.

(a) Events of Default. The following shall constitute Events of Default with respect to the Bonds:

(i) If a default is made in the payment of the principal of or interest on any of the Bonds when the same shall become due and payable; or

(ii) If the City defaults in the observance and performance of any other of the covenants, conditions and agreements on the part of the City set forth in this ordinance or in any Parity Bond Legislation (except as otherwise provided herein or in such Parity Bond Legislation) and such default or defaults have continued for a period of six months after the City has received from the Bond Owners' Trustee (as defined below) or from the Registered Owners of not less than 25% in principal amount of the Parity Bonds a written notice specifying and demanding the cure of such default. However, if the default in the observance and performance of any other of the covenants, conditions and agreements is one which cannot be completely remedied within the six months after written notice has been given, it shall not be an Event of Default with respect to the Bonds as long as the City has taken active steps within the six months after written notice has been given to remedy the default and is diligently pursuing such remedy.

Notwithstanding anything in this section to the contrary, the failure of the City or any obligated person to comply with the Undertaking shall not constitute an Event of Default under this ordinance, the Bond Resolution or the Bonds, and the sole remedy of any holder of a Bond shall be to seek an order of specific performance from an appropriate court to compel the City to comply with the Undertaking.

(b) Bond Owners' Trustee. So long as such Event of Default has not been remedied, a trustee (the

“Bond Owners’ Trustee”) may be appointed by the registered owners of 25% in principal amount of the then outstanding Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized and delivered to such Bond Owners’ Trustee, notification thereof being given to the City. That appointment shall become effective immediately upon acceptance thereof by the Bond Owners’ Trustee. Any Bond Owners’ Trustee appointed under the provisions of this subsection shall be a bank or trust company organized under the laws of the State of Washington or the State of New York or a national banking association. The bank or trust company acting as Bond Owners’ Trustee may be removed at any time, and a successor Bond Owners’ Trustee may be appointed, by the registered owners of a majority in principal amount of the Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized. The Bond Owners’ Trustee may require such security and indemnity as may be reasonable against the costs, expenses and liabilities that may be incurred in the performance of its duties.

In the event that any Event of Default in the sole judgment of the Bond Owners’ Trustee is cured and the Bond Owners’ Trustee furnishes to the City a certificate so stating, that Event of Default shall be conclusively deemed to be cured and the City, the Bond Owners’ Trustee and the registered owners of the Parity Bonds shall be restored to the same rights and position which they would have held if no Event of Default had occurred.

The Bond Owners’ Trustee appointed in the manner herein provided, and each successor thereto, is declared to be a trustee for the registered owners of all the Parity Bonds and is empowered to exercise all the rights and powers herein conferred on the Bond Owners’ Trustee.

(c) Suits at Law or in Equity. Upon the happening of an Event of Default and during the continuance thereof, the Bond Owners’ Trustee may, and upon the written request of the registered owners of not less than 25% in principal amount of the Parity Bonds outstanding shall, take such steps and institute such suits, actions or other proceedings, all as it may deem appropriate for the protection and enforcement of the rights of the registered owners of the Parity Bonds, to collect any amounts due and owing to or from the City,

or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement or condition contained in this ordinance or set forth in any of the Parity Bonds.

Nothing contained in this section shall, in any event or under any circumstance, be deemed to authorize the acceleration of the maturity of principal on the Parity Bonds, and the remedy of acceleration is expressly denied to the registered owners of the Parity Bonds under any circumstances including, without limitation, upon the occurrence and continuance of an Event of Default.

Any action, suit or other proceedings instituted by the Bond Owners' Trustee hereunder shall be brought in its name as the Bond Owners' Trustee and all such rights of action upon or under any of the Parity Bonds or the provisions of this ordinance may be enforced by the Bond Owners' Trustee without the possession of any of those Parity Bonds and without the production of the same at any trial or proceedings relative thereto except where otherwise required by law. Any such suit, action or proceeding instituted by the Bond Owners' Trustee shall be brought for the ratable benefit of all of the registered owners of those Parity Bonds, subject to the provisions of this ordinance. The respective registered owners of the Parity Bonds, by taking and holding the same, shall be conclusively deemed irrevocably to appoint the Bond Owners' Trustee the true and lawful trustee of the respective registered owners of those Parity Bonds, with authority to institute any such action, suit or proceeding; to receive as trustee and deposit in trust any sums becoming distributable on account of those Parity Bonds; to execute any paper or documents for the receipt of money; and to do all acts with respect thereto that the registered owner himself or herself might have done in person. Nothing herein shall be deemed to authorize or empower the Bond Owners' Trustee to consent to accept or adopt, on behalf of any registered owner of the Parity Bonds, any plan of reorganization or adjustment affecting the Parity Bonds or any right of any registered owner thereof, or to authorize or empower the Bond Owners' Trustee to vote the claims of the registered owners thereof in any receivership, insolvency, liquidation, bankruptcy, reorganization or other proceeding to which the City is a party.

(d) Application of Money Collected by Bond Owners' Trustee. Any money collected by the

Bond Owners' Trustee at any time pursuant to this section shall be applied in the following order of priority:

(i) to the payment of the charges, expenses, advances and compensation of the Bond Owners' Trustee and the charges, expenses, counsel fees, disbursements and compensation of its agents and attorneys;

(ii) to the payment to the persons entitled thereto of all installments of interest then due on the Parity Bonds in the order of maturity of such installments and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference; and

(iii) to the payment to the persons entitled thereto of the unpaid principal amounts of any Parity Bonds which shall have become due (other than Parity Bonds previously called for redemption for the payment of which money is held pursuant to the provisions hereto), whether at maturity or by proceedings for redemption or otherwise, in the order of their due dates and, if the amount available shall not be sufficient to pay in full the principal amounts due on the same date, then to the payment thereof ratably, according to the principal amounts due thereon to the persons entitled thereto, without any discrimination or preference.

(e) Duties and Obligations of Bond Owners' Trustee. The Bond Owners' Trustee shall not be liable except for the performance of such duties as are specifically set forth herein. During an Event of Default, the Bond Owners' Trustee shall exercise such of the rights and powers vested in it hereby, and shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. The Bond Owners' Trustee shall have no liability for any act or omission to act hereunder except for the Bond Owners' Trustee's own negligent action, its own negligent failure to act or its own willful misconduct. The duties and obligations of the Bond Owners' Trustee shall be determined solely by the express provisions of this ordinance, and no implied powers, duties or obligations of the Bond Owners' Trustee shall be read into this ordinance.

The Bond Owners' Trustee shall not be required to expend or risk its own funds or otherwise incur individual liability in the performance of any of its duties or in the exercise of any of its rights or powers as the Bond Owners' Trustee, except as may result from its own negligent action, its own negligent failure to act or its own willful misconduct.

The Bond Owners' Trustee shall not be bound to recognize any person as a registered owner of any Parity Bond until his or her title thereto, if disputed, has been established to its reasonable satisfaction.

The Bond Owners' Trustee may consult with counsel and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Bond Owners' Trustee shall not be answerable for any neglect or default of any person, firm or corporation employed and selected by it with reasonable care.

(f) Suits by Individual Parity Bond Owners Restricted. No owner of any one or more Parity Bonds shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of same unless:

- (i) an Event of Default has happened and is continuing; and
- (ii) a Bond Owners' Trustee has been appointed; and
- (iii) such owner previously shall have given to the Bond Owners' Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted; and
- (iv) the registered owners of 25% in principal amount of the Parity Bonds, after the occurrence of such Event of Default, have made written request of the Bond Owners' Trustee and have afforded the Bond Owners' Trustee a reasonable opportunity to institute such suit, action or proceeding; and
- (v) there have been offered to the Bond Owners' Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and
- (vi) the Bond Owners' Trustee has refused or neglected to comply with such request within a reasonable time.

No owner of any Parity Bond shall have any right in any manner whatever by his or her action to affect or impair the obligation of the City to pay from Net Revenue the principal of and interest on such Parity Bonds to the respective registered owners thereof when due.

Section 26. Amendment of Omnibus Refunding Bond Ordinance. The following definitions set forth in the Omnibus Refunding Bond Ordinance are amended to read as set forth in this section. Revisions are shown to the clean amended and restated version of the Omnibus Refunding Bond Ordinance, which was attached to Ordinance 124338 as Exhibit C, with additions shown in double underlining and deletions enclosed in double parentheses and struck through. References to section numbers and defined terms used in the amended text set forth below refer to the sections and definitions contained within the amended Omnibus Refunding Bond Ordinance. With respect to any bonds authorized by the Omnibus Refunding Bond Ordinance, which are outstanding as of the effective date of this amendatory ordinance, the intent of these amendments is to effect clarifications of ambiguities. Any amendment contained herein that is found by a court of competent jurisdiction to adversely affect owners of such outstanding bonds shall be of no force or effect, except to the extent that such amendments clarify ambiguities, and the provisions of the Omnibus Refunding Bond Ordinance prior to the effective date of this amendatory ordinance shall continue in effect as to such outstanding bonds.

(b) Other Sections Unaffected; Effect of Springing Provisions. All other provisions of the Omnibus Refunding Bond Ordinance remain in full force and effect, except as amended by previously adopted springing amendments to sections of the Omnibus Refunding Ordinance which by their terms provided that they were to go into effect upon the redemption or defeasance of the outstanding 2004 Bonds. The City hereby confirms that the 2004 Bonds have been redeemed or defeased in full, and that those prior amendments have become effective in accordance with their terms.

Section 27. General Authorization. In addition to the specific authorizations in this ordinance, the Mayor and the Director of Finance and each of the other appropriate officers of the City are each authorized and directed to do everything as in his or her judgment may be necessary, appropriate, or desirable in order to carry out the terms and provisions of, and complete the transactions contemplated by, this ordinance. In particular and without limiting the foregoing:

(a) The Director of Finance may, in his or her discretion and without further action by the City Council, (i) issue requests for proposals for underwriting or financing facilities and execute engagement letters with underwriters, bond insurers or other financial institutions based on responses to such requests, (ii) change the Bond Registrar or Securities Depository for the Bonds; and (iii) take such actions on behalf of the City as are necessary or appropriate for the City to designate, qualify or maintain the tax-exempt treatment with respect to any Series issued as Tax-Exempt Bonds, to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series issued as Tax-Credit Subsidy Bonds and to otherwise receive any other federal tax benefits relating to the Bonds available to the City; and

Section 28. Severability. The provisions of this ordinance are declared to be separate and severable. If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, finds any provision of this ordinance to be invalid or unenforceable as to any person or circumstance, such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this ordinance in all other respects, and the offending provision with respect to all other persons and all other circumstances, shall remain valid and enforceable.

Section 29. Ratification of Prior Acts. Any action taken consistent with the authority of this ordinance, after its passage but prior to the effective date, is ratified, approved and confirmed.

Section 30. Section Headings. Section headings in this ordinance are used for convenience only and shall not constitute a substantive portion of this ordinance.
