Section 3. **Manner of Sale of Bonds.** The Director of Finance may provide for the sale of each Series of the Bonds (or any portion thereof) by public sale, or by a negotiated sale, limited offering or private placement with a Purchaser chosen through a selection process acceptable to the Director of Finance. Each Series of the Bonds must be sold on Bond Sale Terms in accordance with Section 4 of this ordinance.

Section 4. **Bond Sale Terms; Bond Resolution.** The Director of Finance is appointed to serve as the City’s designated representative in connection with the issuance and sale of the Bonds in accordance with RCW

39.46.040(2) and this ordinance. The Director of Finance is authorized to accept, on behalf of the City, an offer to purchase the Bonds on Bond Sale Terms consistent with the parameters set forth in this section. No such acceptance shall be effective until adoption of a Bond Resolution approving the Bond Sale Terms. Once adopted, the Bond Resolution shall be deemed a part of this ordinance as if set forth herein.

(a) **Maximum Principal Amount.** The Bonds may be issued in one or more Series and shall not exceed the aggregate principal amount of \$139 million.

(b) **Date or Dates.** Each Bond shall be dated its Issue Date, as determined by the Director of Finance, which issue date may not be later than December 31, 2019.

(c) **Denominations.** The Bonds shall be issued in Authorized Denominations.

(d) **Interest Rate(s); Payment Dates.** Each Bond shall bear interest from the Issue Date or from the most recent date for which interest has been paid or duly provided for, whichever is later, and shall be payable on dates determined by the Director of Finance. One or more rates of interest shall be established for each maturity of each Series of the Bonds, which rate or rates may be fixed or variable. If interest rates are fixed, interest shall be computed on the basis of a 360-day year of twelve 30-day months and the net interest cost shall not exceed a weighted average rate of 10% per annum. Principal payments shall commence on a date and shall be payable at maturity or in mandatory redemption installments on dates determined by the Director of Finance.

(e) **Final Maturity.** The Bonds shall mature no later than 31 years after the Issue Date.

(f) **Redemption Rights.** The Bond Sale Terms may include provisions for the optional and mandatory redemption of Bonds determined by the Director of Finance, subject to the following:

(i) **Optional Redemption.** Any Bond may be designated as being (A) subject to redemption at the option of the City prior to its maturity date on the dates and at the redemption prices set forth in the Bond Purchase Contract; or (B) not subject to redemption prior to its maturity date. If a Bond is subject to optional redemption prior to its maturity, it must be subject to such redemption on one or more dates occurring not more than 10½ years after the Issue Date.

(ii) **Mandatory Redemption.** Any Bond may be designated as a Term Bond, subject to mandatory redemption prior to its maturity consistent with Section 7(b) of this ordinance.

(g) **Price.** The purchase price for each Series of the Bonds shall be acceptable to the Director of Finance.

(h) **Other Terms and Conditions.**

(i) A Series of the Bonds may not be issued if it would cause the indebtedness of the City to exceed the City's legal debt capacity on the Issue Date of such Series.

(ii) On the Issue Date of each Series, the expected life of the capital facilities to be financed with the proceeds of that Series must exceed the maturity of the Bonds of that Series financing those capital facilities.

(iii) The Bond Sale Terms for any Series may provide for bond insurance or other credit enhancement, or for interest rate swaps, caps, floors or other similar hedging devices. To that end, the Bond Sale Terms may include such additional terms, conditions and covenants as may be necessary or desirable, including but not limited to restrictions on investment of Bond proceeds and pledged funds, and requirements to give notice to or obtain the consent of a credit enhancement provider or a counterparty to a swap, cap floor or other hedging device.

(iv) Any Series of the Bonds may be designated or qualified as Tax-Exempt Bonds or Taxable Bonds, or as Tax Credit Subsidy Bonds, and may include such additional terms and covenants relating to federal tax matters as the Director of Finance deems necessary or appropriate, consistent with Section 12 of this ordinance.

Section 5. **Bond Registrar; Registration and Transfer of Bonds.**

(a) **Registration of Bonds.** The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register.

(b) **Bond Registrar; Transfer and Exchange of Bonds.** The Bond Registrar shall keep, or cause to be

kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and the City's Registration Ordinance.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's certificate of authentication on the Bonds. The Bond Registrar may become either a Registered or Beneficial Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Beneficial Owners.

Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized Denomination of an equal aggregate principal amount and of the same Series, interest rate and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to the Owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the period between the Record Date and the corresponding interest or principal payment date or redemption date.

**(c) Securities Depository; Book-Entry Form.** The Bonds initially shall be registered in the name of the Securities Depository. The Bonds so registered shall be held fully immobilized in book-entry form by the Securities Depository in accordance with the provisions of the Letter of Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation to participants of the Securities Depository or the persons for whom they act as nominees with respect to the Bonds regarding accuracy of any records maintained by the Securities Depository or its participants of any amount in respect of principal of or interest on the Bonds,

or any notice which is permitted or required to be given to Registered Owners and/or Beneficial Owners hereunder (except such notice as is required to be given by the Bond Registrar to the Securities Depository). Registered ownership of a Bond initially held in book-entry form, or any portion thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond is no longer held in book-entry form.

Upon the resignation of the Securities Depository from its functions as depository, or upon a City determination to discontinue services of the Securities Depository, the City may appoint a substitute Securities Depository. If (i) the Securities Depository resigns from its functions as depository and no substitute Securities Depository can be obtained, or (ii) the City determines that the Bonds are to be in certificated form, then ownership of Bonds may be transferred to any person as provided herein and the Bonds no longer shall be held in book-entry form.

(d) **Lost or Stolen Bonds.** In case any Bond shall be lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new bond or bonds of like amount, date, tenor, and effect to the Registered Owner(s) thereof upon the Registered Owner(s)' paying the expenses and charges of the City in connection therewith and upon filing with the Bond Registrar evidence satisfactory to the Bond Registrar that such bond or bonds were actually lost, stolen or destroyed and of Registered Ownership thereof, and upon furnishing the City with indemnity satisfactory to both.

Section 6. **Payment of Bonds.** Principal of and interest on each Bond shall be payable in lawful money of the United States of America. Principal of and interest on each Bond registered in the name of the Securities Depository is payable in the manner set forth in the Letter of Representations. Interest on each Bond not registered in the name of the Securities Depository is payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. However, the City is not required to make

electronic transfers except pursuant to a request by a Registered Owner in writing received at least ten days prior to the Record Date and at the sole expense of the Registered Owner. Principal of each Bond not registered in the name of the Securities Depository is payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar. The Bonds are not subject to acceleration under any circumstances.

Section 7. **Redemption and Purchase of Bonds.**

(a) **Optional Redemption.** All or some of the Bonds may be subject to redemption prior to their stated maturity dates at the option of the City at the times and on the terms approved in accordance with Section 4 of this ordinance.

(b) **Mandatory Redemption.** If not redeemed or purchased at the City's option prior to maturity, Term Bonds (if any) shall be redeemed, at a price equal to the principal amount thereof to be redeemed plus accrued interest, on the dates and in the years and principal amounts as set forth in the Bond Resolution. If the City redeems or purchases Term Bonds at the City's option prior to maturity, the Term Bonds so redeemed or purchased (irrespective of their redemption or purchase prices) shall be credited at the par amount thereof against the remaining mandatory redemption requirements as determined by the Director of Finance. In the absence of a determination by the Director of Finance or other direction in the Bond Resolution, credit shall be allocated on a pro-rata basis.

(c) **Selection of Bonds for Redemption; Partial Redemption.** If fewer than all of the outstanding Bonds are to be redeemed at the option of the City, the Director of Finance shall select the Series and maturity or maturities to be redeemed. If fewer than all of the outstanding Bonds of a maturity of a Series are to be redeemed, the Securities Depository shall select Bonds registered in the name of the Securities Depository to be redeemed in accordance with the Letter of Representations, and the Bond Registrar shall select all other Bonds to be redeemed randomly in such manner as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond

Registrar there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(d) **Purchase.** The City reserves the right and option to purchase any or all of the Bonds at any time at any price acceptable to the City plus accrued interest to the date of purchase.

Section 8. **Notice of Redemption.** The City shall cause notice of any intended redemption of Bonds to be given not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Registered Owner of any Bond. Interest on Bonds called for redemption shall cease to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

In the case of an optional redemption, the notice may state that the City retains the right to rescind the redemption notice and the related optional redemption of Bonds by giving a notice of rescission to the affected Registered Owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is rescinded by the Director of Finance shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

Section 9. **Failure to Pay Bonds.** If any Bond is not paid when properly presented at its maturity or call date, the City shall be obligated to pay interest on that Bond at the same rate provided in that Bond from and after its maturity or call date until that Bond, principal, premium, if any, and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Fund and that Bond has been called for payment by giving notice of that call to the Registered Owner of that Bond.

Section 10. **Form and Execution of Bonds.** The Bonds shall be typed, printed, or reproduced in a form consistent with the provisions of this ordinance, the Bond Resolution, and State law; shall be signed by the

Mayor and Director of Finance, either or both of whose signatures may be manual or in facsimile; and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a certificate of authentication in substantially the following form (with the designation, year, and Series of the Bonds adjusted consistent with this ordinance), manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “This Bond is one of the fully registered The City of Seattle, Washington, [Limited Tax General Obligation Bonds], [Year] [Series], described in [this ordinance].” The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated, and delivered and is entitled to the benefits of this ordinance.

If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that Bond nevertheless may be authenticated, delivered, and issued and, when authenticated, issued, and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bonds.

Section 11. **Pledge of Taxes.** For so long as any of the Bonds are outstanding, the City irrevocably pledges to include in its budget and levy taxes annually within the constitutional and statutory tax limitations provided by law without a vote of the electors of the City on all of the taxable property within the City in an amount sufficient, together with other money legally available and to be used therefor, to pay when due the principal of and interest on the Bonds, and the full faith, credit, and resources of the City are pledged irrevocably for the annual levy and collection of those taxes and the prompt payment of that principal and interest.

Section 12. **Provisions Relating to Certain Federal Tax Consequences of the Bonds.**

(a) **Tax-Exempt Bonds.** The City covenants that it will take all actions, consistent with the terms of any Series of Tax-Exempt Bonds, this ordinance, and the Bond Resolution, reasonably within its power and necessary to prevent interest on those Tax-Exempt Bonds from being included in gross income for federal income tax purposes, and the City will neither take any action nor make or permit any use of proceeds of such Tax-Exempt Bonds or other funds of the City treated as gross proceeds of the Tax-Exempt Bonds at any time during the term of the Tax-Exempt Bonds that will cause interest on the Tax-Exempt Bonds to be included in gross income for federal income tax purposes. The City also covenants that it will, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Tax-Exempt Bonds, take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with the Tax-Exempt Bonds, including the calculation and payment of any penalties that the City has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on such Tax-Exempt Bonds from being included in gross income for federal income tax purposes.

(b) **Tax Credit Subsidy Bonds or other Taxable Bonds.** The Director of Finance may, without further action by the Council, designate any Series of the Bonds as Taxable Bonds or as Tax Credit Subsidy Bonds, and in the case of Tax Credit Subsidy Bonds may make provision in the Bonds or other written document(s) for such additional covenants of the City as may be necessary or appropriate in order for the City to (i) receive from the United States Treasury the applicable federal credit payments in respect of such Tax Credit Subsidy Bonds and (ii) otherwise become and remain eligible for tax benefits under the Code.

Section 13. **Refunding or Defeasance of the Bonds.** The Bonds are hereby designated “Refundable Bonds” for purposes of the Omnibus Refunding Ordinance. The City may issue refunding bonds pursuant to the laws of the State or use money available from any other lawful source to pay when due the principal of, premium, if any, and interest on any Bond, or portion thereof, included in a refunding or defeasance plan, and to redeem and retire, release, refund, or defease those Bonds (the “defeased Bonds”) and to pay the costs of

such refunding or defeasance. If money and/or Government Obligations maturing at a time or times and in an amount sufficient, together with known earned income from the investment thereof, to redeem and retire, release, refund, or defease the defeased Bonds in accordance with their terms, are set aside in a special trust fund or escrow account irrevocably pledged to such redemption, retirement, or defeasance (the “trust account”), then all right and interest of the owners of the defeased Bonds in the covenants of this ordinance and in the funds and accounts pledged to the payment of such defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such owners thereafter shall have the right to receive payment of the principal of and interest or redemption price on the defeased Bonds from the trust account. After establishing and fully funding such a trust account, the defeased Bonds shall be deemed as no longer outstanding, and the Director of Finance then may apply any money in any other fund or account established for the payment or redemption of the defeased Bonds to any lawful purposes. Notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

Section 14. **Official Statement; Continuing Disclosure.**

(a) **Preliminary Official Statement.** The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with the sale of one or more Series of the Bonds to the public. For the sole purpose of the Purchaser’s compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection.

(b) **Final Official Statement.** The City approves the preparation of a final official statement for the sale of one or more Series of the Bonds to be sold to the public in the form of the preliminary official statement with such modifications and amendments as the Director of Finance deems necessary or desirable, and further

authorizes the Director of Finance to execute and deliver such final official statement to the Purchaser. The City authorizes and approves the distribution by the Purchaser of that final official statement to purchasers and potential purchasers of the Bonds.

(c) **Undertaking to Provide Continuing Disclosure.** To meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the Bonds, the Director of Finance is authorized to execute an Undertaking with respect to that Series, in substantially the form attached as Exhibit B.

Section 15. **Deposit and Use of Proceeds.** Unless provided otherwise in the Bond Resolution, the principal proceeds and premium, if any, received from the sale and delivery of the Bonds shall be paid into or allocated to the 2017 Multipurpose LTGO Bond Fund, which has been created in the City Treasury pursuant to Ordinance 124925, or in such other funds, accounts, or subaccounts of the City Treasury as the Director of Finance may designate, and used for the purposes described in Section 2. The Director of Finance may use the principal proceeds and any premium to pay for costs of issuance of the Bonds, and the Director of Finance also may incur and account for non-cash costs of issuance that are not included as part of the bond proceeds and premium, including but not limited to any underwriter's discount.

The Director of Finance may (i) establish and transfer proceeds of the Bonds among funds, accounts, or subaccounts in the City Treasury, or (ii) make interfund loans pursuant to Seattle Municipal Code Section 5.06.030 to or from other City accounts or funds, all on terms he or she may deem necessary, appropriate, or desirable to carry out the purposes of this ordinance and consistent with the Bond Resolution. Enactment of this ordinance authorizes the transfer of amounts from the 2017 Multipurpose LTGO Bond Fund to other funds in order to carry out the purposes of this ordinance.

There previously has been created and established in the City Treasury the Bond Fund. Accrued interest on the Bonds received from the sale and delivery of the Bonds, if any, together with any net premium received from the sale and delivery of the Bonds that is not necessary for the purposes described in Section 2, shall be

paid or allocated into the Bond Fund prior to the first debt service payment date with respect to those Bonds. Until needed to pay the costs described herein, the City may invest principal proceeds of the Bonds temporarily in any authorized investment, and the investment earnings shall be deposited in such funds and accounts as may be designated by the Director of Finance. Earnings subject to a federal tax or rebate requirement may be withdrawn from any such fund or account and used for those tax or rebate purposes.

The Director of Finance may pay principal of and interest on the Bonds with any proceeds of Bonds (including interest earnings thereon) remaining after applying such proceeds to the purposes set forth in Section 2, or after the City Council has determined that the expenditure of such Bond proceeds for those purposes is no longer necessary or appropriate.

Section 16. **General Authorization.** In addition to the specific authorizations in this ordinance, the Mayor and the Director of Finance and each of the other appropriate officers of the City are each authorized and directed to do everything as in his or her judgment may be necessary, appropriate, or desirable in order to carry out the terms and provisions of, and complete the transactions contemplated by, this ordinance. In particular and without limiting the foregoing:

(a) The Director of Finance may, in his or her discretion and without further action by the City Council, (i) issue requests for proposals for underwriting or financing facilities and execute engagement letters with underwriters, bond insurers or other financial institutions based on responses to such requests, (ii) change the Bond Registrar or Securities Depository for the Bonds; and (iii) take such actions on behalf of the City as are necessary or appropriate for the City to designate, qualify or maintain the tax-exempt treatment with respect to any Series issued as Tax-Exempt Bonds, to receive from the United States Treasury the applicable federal credit payments in respect of any Series issued as Tax Credit Subsidy Bonds and to otherwise receive any other federal tax benefits relating to the Bonds that are available to the City; and

(b) Each of the Mayor and the Director of Finance is separately authorized to (i) execute and deliver any and all contracts or other documents as are consistent with this ordinance and for which the City's approval is
