THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

The Director or Director’s designee is further authorized to make such technical and conforming changes to the Plan as may be deemed reasonably necessary, and to amend the Plan, if necessary or appropriate under federal regulations, to reflect funding of specific activities, final appropriations in any Adopted Budget or amendments to an Adopted Budget, or changes in activities that are consistent with the policies and priorities established in the Plan. Any substantial amendment as defined by the Citizen Participation Plan of the Consolidated Plan shall require approval of the City Council by ordinance or resolution.
