CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to taxicabs and for-hire vehicles; separating and amending taxicab and for-hire vehicle industry regulations; adding a new Chapter 6.311 to the Seattle Municipal Code; and amending Sections 11.14.235 and 15.17.005 of the Seattle Municipal Code.

WHEREAS, Seattle desires to comprehensively regulate for-hire transportation, including taxicabs and for-hire vehicles; and

WHEREAS, the City has implemented new policies over the last few years to help the operators of taxicabs and for-hire vehicles navigate the loss of business during the COVID pandemic and subsequent economic recession; and

WHEREAS, industry participants have requested legislation to modernize licensing and operating requirements and align them with the City's values of equity, fairness, shared prosperity, and transparency; and

WHEREAS, the City desires to allow for regional operation of all licensed taxicabs and for-hire vehicles, implement new taximeter technology, offer the option to apply for an enhanced for-hire driver's license, and convert all for-hire vehicles into taxicabs; and

WHEREAS, requiring transitional regional dispatch agencies or regional dispatch agencies to implement new taximeter technology could result in increased deductions for dispatch services that negatively impact a driver's ability to earn a living wage and capping such deductions at ten percent of the fare paid by the passenger could protect driver payments from unrestricted deductions for dispatch services and support a living wage; and

WHEREAS, the City is committed to ensuring that drivers benefit from new regulations and experience

equitable opportunities for compensation within the for-hire transportation industry; and

WHEREAS, the City is a leader on establishing practices that support economic security, and contribute to a fair, healthy, and vibrant economy; and

WHEREAS, the City partners with King County to regulate the larger for-hire transportation industry and desires to maintain that partnership under common regulations in the future; and

WHEREAS, due to changes in state law governing the regulation of transportation network companies, establishing a new Seattle Municipal Code chapter to regulate taxicabs and for-hire vehicle and modifying an existing Seattle Municipal Code chapter to regulate transportation network companies best articulates the City's objectives for these industries; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new Chapter 6.311 is added to the Seattle Municipal Code as follows:

CHAPTER 6.311 FOR-HIRE TRANSPORTATION - TAXICAB AND FOR-HIRE VEHICLES AND DRIVERS

6.311.010 Purpose

A. This Chapter 6.311 is an exercise of The City of Seattle's power to regulate the for-hire transportation industry. That exercise includes the power to license and regulate taxicabs, for-hire vehicles, taxicab and for-hire vehicle drivers, transitional regional dispatch agencies, and regional dispatch agencies. Some of its regulatory purposes are to increase the safety, reliability, cost-effectiveness, and economic viability and stability of privately operated for-hire vehicle and taxicab services within Seattle.

B. The obligation of complying with this Chapter 6.311 belongs to the licensee or applicant for a license within its scope. Neither a provision of, nor a term used in, this Chapter 6.311 is intended to impose any duty whatsoever upon the City or any of its officers or employees, for whom the implementation or enforcement of this Chapter 6.311 shall be discretionary and not mandatory.

C. This Chapter 6.311 is not intended to be and shall not be construed to create or form the basis for any

liability on the part of the City or its officers, employees, or agents, for any injury or damage resulting from the failure of a licensee or applicant for license to comply with this Chapter 6.311, or by reason or in consequence of any act or omission in connection with the implementation or enforcement of this Chapter 6.311 on the part of the City by its officers, employees, or agents.

D. This Chapter 6.311 is intended to reduce regulatory complexity, promote equity and innovation, improve transportation and integration of the for-hire transportation industry, and ensure consumer protection and public safety. To fulfill these purposes, The City of Seattle:

1. Establishes reciprocal licensing privileges for King County medallion owners to operate within Seattle. This reciprocity authorizes medallion owners to operate in both Seattle and King County;
2. Establishes regional operating privileges for taxicab and for-hire vehicle drivers licensed by King County to operate within Seattle. This license allows the driver to operate in both Seattle and King County;
3. Consolidates the regulatory classifications of taxicabs and for-hire vehicles into a single taxicab standard. When a for-hire vehicle transitions to a taxicab, any reciprocal operating privilege will follow the vehicle;
4. Consolidates the regulatory classifications of taxicab associations and for-hire vehicle companies into a single, regional dispatch agency license that is subject to a common set of operating rules and standards;
5. Establishes regional licensing privileges for taxicab associations and for-hire vehicle companies licensed by King County to operate in Seattle. When a taxicab association or for-hire vehicle company transitions to a regional dispatch agency, the regional license will follow; and
6. Establishes a requirement for each regional dispatch agency to adopt a smart taximeter system.

6.311.020 Scope

A. This Chapter 6.311 applies to taxicab associations, for-hire vehicle companies, taxicabs, for-hire vehicles, and drivers of those vehicles. Chapter 6.310 applies to transportation network companies, transportation network company drivers, and transportation network company vehicles. References to transportation network companies, transportation network company drivers, or transportation network company endorsed vehicles remain in Chapter 6.310 because RCW 46.72B.190 constrains The City of Seattle from amending ordinances or regulations related to transportation network companies, transportation network company drivers, or transportation network company endorsed vehicles after January 1, 2022. In the event of a conflict between this Chapter 6.311 and Chapter 6.310, this Chapter 6.311 controls.

B. This Chapter 6.311 is not intended to regulate limousines and is consistent and compliant with chapter 46.72A RCW.

C. This Chapter 6.311 is not a part of the New License Code (Subtitle IV of Title 6).

6.311.030 Council approval of agreements

The Director may enter into agreements with any other city, town, county, or port district for the joint regulation of for-hire and taxicab drivers in a manner consistent with the provisions of this Chapter 6.311; however, no such agreement shall be made without prior approval of the City Council by ordinance. Medallion owners shall file with the Director the name of any and all lienholders, on forms furnished by the Director. The collateral shall be described as "City of Seattle taxicab medallion" or, until March 31, 2026, "City of Seattle for-hire vehicle medallion," and shall include the medallion number. Within 30 days of the date of creation of the pledge, lien, or security interest, the party that holds the pledge, lien, or security interest, shall record the same as required by State law and provide a copy of the recording to the Director.

D. The interest of a medallion owner may be suspended or revoked for any reason enumerated in this Chapter 6.311 for the suspension or revocation of a medallion.

E. Upon a final order of medallion revocation, where all appellate proceedings, if any, have been concluded, the medallion may only be transferred as prescribed by this Section 6.311.190, Section 6.311.230, and as prescribed by the Director by rule.

F. In accepting a medallion, medallion owners waive any and all liability, claims, actions, suits, loss,

C. The Director may issue new taxicab medallions only as specified by this Section 6.311.200.

D. The Director may adjust by rule the maximum number of taxicab medallions and shall periodically determine the need for additional taxicab service. Factors to be considered to adjust the maximum number of taxicab medallions or to issue new taxicab medallions include:

1. Coordination with King County to promote a regional licensing and regulatory framework for for-hire transportation services;
2. Growth in population, tourists, and other visitors to the area;
3. The quality of existing taxicab service as indicated by customer satisfaction, including

wheelchair accessible vehicle service, if applicable;

4. A comparison of actual average taxicab response times to optimum average taxicab response times established by the Director;

5. Availability and quality of for-hire transportation services in underserved communities, including areas of lower population density;

6. Available data for medallions on the private market;

7. Analysis of drivers' ability to earn a living wage, including the impact of adjusting the number of medallions on driver income; and

8. Other indications of market demand.

E.

1. If the Director determines that issuance of additional taxicab medallions is warranted, such medallions shall be issued as follows:

a. A competitive request for proposals and award process under which medallions will be issued to applicants whose proposals demonstrate that they are most able to meet the needs of the public in providing taxicab service by meeting qualifications prepared by the Director that are not in conflict with the general provisions of this Chapter 6.311;

b. A lottery of qualified applicants; or

c. A combination of both procedures as prescribed by the Director by rule.

2. Regardless of the method used, the Director shall consider an applicant's driving record, driving experience, current or previous medallion ownership, and any additional qualifications required by the Director.

3. If issuing a wheelchair accessible taxicab medallion, the Director may additionally consider the applicant's qualifying experience transporting individuals with disabilities who require any type of mobility device, including a manual or motorized wheelchair, and any additional qualifications required by the Director.

F. Any new taxicab medallion shall only be issued to a person who is an individual. No corporation, limited liability company, or partnership shall obtain any medallion held by an individual until the expiration of three years following the original date of issuance to that individual; however, new taxicab medallions may be issued to and be held by the following business entities:

1. Corporations held by a single shareholder, except that the taxicab must be personally operated by the single shareholder for a period of three years from the date of issuance of the medallion and the ownership of the shares of the corporation cannot be changed within the three-year period. Any change of ownership of shares of the corporation shall result in revocation of the medallion; or

2. Limited liability companies comprised of a single member, except that the taxicab must be personally operated by the single member for a period of three years from the date of issuance of the medallion and no change of membership may take place within the three-year period. Any change of membership of the limited liability company shall result in revocation of the medallion.

G. For three years following the date of issuance of a new taxicab medallion or a new wheelchair accessible taxicab medallion, the owner must personally drive the taxicab for at least 30 hours per week for a minimum of 40 weeks per year. If the medallion owner fails to fulfill this minimum operating requirement in any one-year period within the three-year period following the date of issuance, the medallion shall be revoked and shall not be eligible for transfer by its original owner. The medallion shall be transferable upon the completion of the three-year operating requirement.

H. A medallion plate, medallion decal, or other indicia issued to a medallion owner shall remain the property of the Director.

I. A medallion owner may seek Director approval to permanently convert a medallion to a wheelchair accessible taxicab medallion. Such a conversion shall be subject to conditions prescribed by the Director by rule. Conversion of a taxicab medallion to a wheelchair accessible taxicab medallion is not considered the issuance of a new medallion. A medallion that has been operated for three or more years that is permanently

converted to a wheelchair accessible taxicab medallion shall be transferrable and not subject to a new three-year operating requirement.

J. As an alternative to the process outlined in subsection 6.311.200.E, the Director may issue City of Seattle medallion reciprocity endorsements to applicants selected by King County to be issued a King County taxicab medallion or a King County wheelchair accessible taxicab medallion, as applicable.

6.311.210 Temporary deactivation and retirement of a taxicab or for-hire vehicle medallion

A temporary deactivation may be for any reason, including, but not limited to, an inoperable or unavailable vehicle, a temporary lack of affiliation with an agency, an extended leave of absence, or owner convenience.

B. When a notice of temporary deactivation is filed with the Director:

1. If the medallion is not expired, the deactivation period shall not exceed 12 consecutive months from the date the temporary deactivation notice is filed with the Director;
2. If the medallion is expired, the deactivation period shall not be more than 12 consecutive months from September 1, 2024 or from the date the medallion expired, whichever is longer; and
3. If the medallion is expired or expires during the temporary deactivation period, the medallion renewal process must be completed before the medallion can be reactivated.

C. The Director may initiate a temporary deactivation when the Director becomes aware that a medallion has not been operating for 60 days or more.

D. For medallions revoked, relinquished, or otherwise held by the Director after January 31, 2015, and before September 1, 2024, the temporary deactivation period shall begin on September 1, 2024. A medallion previously revoked, relinquished, or otherwise held by the Director, must be renewed by September 1, 2025.

E. If a medallion owner fails to reactivate the medallion within 12 months from the effective date of the

temporary deactivation, the Director shall issue a notice of retirement to the medallion owner. Within 60 days of the notice of retirement, the medallion owner may reactivate or transfer the medallion. If the medallion is not reactivated or transferred within 60 days of the notice of retirement, the medallion is retired and an order of retirement will be issued by the Director. The medallion owner may appeal the order of retirement in accordance with Section 6.311.450. Failure to appeal means the order of retirement issued by the Director is final. The taxicab or for-hire vehicle medallion plate or decal that has been retired shall be returned to the Director within 15 days of the final order of retirement or, if the order is appealed and affirmed, within 15 days after all appellate proceedings have concluded.

D. The medallion owner and proposed transferee shall submit a notice of transfer on a form or in a format prescribed by the Director;

F. Upon the final order of revocation, where all appellate proceedings, if any, have been concluded, a medallion owner shall immediately surrender the taxicab or for-hire vehicle medallion plate or decal to the Director. Effective September 1, 2024, except for revocation according to subsection 6.311.200.G, the medallion owner has 60 days from the final order of revocation to transfer the medallion; however, medallions subject to a lien as evidenced by the filing requirement in subsection 6.311.190.C cannot transfer unless the medallion owner provides proof that the lien is paid or the lienholder provides written approval of the transfer. analysis and damage repair or airbags has verified that there is no damage to the vehicle frame and that the airbag system is working properly. The inspection is separate from the vehicle safety inspection completed each year.

H. The Director shall summarily suspend a medallion and place a vehicle out of service if the vehicle fails a vehicle safety inspection or the Director determines that a violation of this Section 6.311.280 is an immediate safety hazard and it is necessary to prevent a clear, substantial, and imminent hazard to life, safety, or property.

6.311.290 Wheelchair accessible vehicles

In addition to meeting all vehicle standards established in this Section 6.311.290, the following requirements apply to wheelchair accessible vehicles:

A. The vehicle must conform to the vehicle accessibility requirements of the regulations of the Americans with Disabilities Act of 1990, Title 49 C.F.R. Chapter 38, Subpart B, as amended;

B. Taxicabs and for-hire vehicles may not convert to wheelchair accessible vehicles without Director approval. The Director may approve applications for conversion consistent with criteria prescribed by rule;

C. A vehicle operating with a wheelchair accessible taxicab medallion must be a wheelchair accessible vehicle; and

D. Before being placed into service and annually thereafter, a separate inspection of the vehicle and any installed accessibility equipment must occur. In addition to checking for conformance with vehicle accessibility requirements in accordance with subsection 6.311.290.A, the vehicle driver or drivers may be required to pass a practical demonstration of proper wheelchair securement techniques during this inspection. If a driver of the vehicle is unable to demonstrate proper securement techniques during this inspection, the Director shall suspend the driver's regional for-hire driver's license wheelchair accessible vehicle endorsement and may require the driver to undergo additional training before returning to try the practical demonstration again. A wheelchair accessible vehicle shall not pass the inspection unless the driver is able to pass a practical

demonstration of proper wheelchair securement techniques. Upon passing the practical demonstration of proper wheelchair securement techniques, the driver's regional for-hire driver's license wheelchair accessible vehicle endorsement will no longer be suspended and is effective.

E. If prescribed by the Director by rule, affiliated wheelchair accessible vehicles shall participate in a Director-approved dispatch system for wheelchair accessible trips.

6.311.300 Electrification of taxicabs and for-hire vehicles

A. The Director may establish a rule to determine the viability of electric vehicles for taxicab and for-hire vehicle owners and regional for-hire drivers and, if viable, create incentives to promote the use of electric vehicles. When determining electric vehicle viability for for-hire transportation services, the Director shall consider, but not be limited to, the following factors:

1. The price of new or used electric vehicles compared to new or used nonelectric vehicles;
2. If the mileage range for new and used electric vehicles meets the needs of full-time for-hire transportation services;
3. The availability of recharging infrastructure in locations and at times that are convenient for regional for-hire drivers, and if recharging time conflicts with the regional for-hire driver's need to operate the vehicle; and
4. If the vehicle life cycle for existing and new electric vehicles creates an undue burden for the vehicle owner or regional for-hire driver.

B. Nothing in this Chapter 6.311 shall be construed to require or restrict a regional for-hire driver's use of electric vehicles for for-hire transportation services.

6.311.310 Taxicab and for-hire vehicle operation - Requirements

9. Is equipped with a monitored duress alarm approved by the Director in accordance with specifications prescribed by the Director by rule;
10. Is equipped with a monitored vehicle tracking system, which may be part of an approved smart taximeter system or application dispatch system, in accordance with specifications prescribed by the Director by rule;

C. The lease amount charged to a lessee shall not exceed the maximum amount established by rule adopted by the Director. In determining the maximum lease amount, if any, the Director shall consider vehicle purchase prices, the cost of insurance premiums, fuel costs, and variations in the U.S. Bureau of Labor Statistics Consumer Price Index for All Urban Consumers (CPI-U), for the Seattle area, evaluated over a 24-month time period preceding the determination of the lease amount, and may consider any other factors that may affect the market for taxicab or for-hire vehicle leases or that may affect the provision of for-hire transportation services. The Director may grant an extension of the deadline for implementing a smart taximeter system for up to 12 months based upon consideration of the following nonexclusive factors:

1. Previous efforts of a transitional regional dispatch agency to implement a smart taximeter system in its fleet of affiliated vehicles;
2. Costs and availability of a smart taximeter system; and
3. Economic viability of operating a taxicab.

D. Transitional regional dispatch agencies seeking to continue operating beyond March 31, 2026, shall apply for a regional dispatch agency license. Unless the Director approves an extension for adopting a smart taximeter system, a valid regional dispatch agency license is required to operate after March 31, 2026.

Affiliated medallion owners, vehicle owners and regional for-hire drivers shall have a minimum of 20 days to review and provide input on the draft policy before the policy takes effect. Notwithstanding this 20-day timeline, a policy proposed for purposes of addressing an emergent issue may be temporarily established for up to 30 days. After 30 days, medallion owners, vehicle owners, and regional for-hire drivers shall be given an opportunity to provide input before the policy may be permanently adopted.

C. A transitional regional dispatch agency and regional dispatch agency shall make known to the regional for-hire driver the amount of the fare for each trip provided by that driver.

If the amount remitted to the driver is less than the full fare paid by the passenger, the remittance to the driver shall include a description detailing the deductions made. With the exception of any fees that are authorized in Section 6.311.380, a transitional regional dispatch agency or regional dispatch agency may only make a deduction on trips dispatched by the agency, and the maximum allowable amount of such deduction shall be ten percent of the fare paid by the passenger.

D. A transitional regional dispatch agency or regional dispatch agency shall establish a written policy governing an owner's or driver's access to the smart taximeter system, application dispatch system, the ability

to work on any contracted accounts, and affiliation with the dispatch agency. The policy must include written notice of impending deactivation with sufficient information for the driver to understand the reason for deactivation, an opportunity for the owner or driver to be heard, and a period for the owner or driver to cure the violation before deactivation begins, unless the deactivation is ordered by the Director or is an immediate threat to public safety.

6.311.380 Rates

A. Regional taximeter rates are in this subsection 6.311.380.A.

1. Unless specified elsewhere in this Section 6.311.380 or prescribed by the Director by rule, it shall be unlawful for anyone operating a taxicab licensed by The City of Seattle to advertise, charge, demand, or receive any greater or lesser rate than the following regional taximeter rates:

a. Drop charge: for passengers for first 1/9 mile: \$2.60;

b. Per mile: For each 1/9 mile or fraction thereof after the first 1/9 mile: \$0.30;

c. For every one minute of waiting time: \$0.50, charged at \$0.30 per 36 seconds. Waiting time rates are charged when taxicab speed is less than 11 miles per hour or when a taxicab driver is asked to wait for the customer; and

d. Additional per passenger charge for more than two persons, excluding children under 12 years of age: \$0.50.

2. The Director may adjust or prescribe new regional taximeter rates and other rates, such as minimum fares for trips, or both, by rule. In determining new regional taximeter rates, the Director may consider, among other things, the following factors:

a. Operational data supplied by a regional dispatch agency or data obtained by the Director through other sources, including, but not limited to, regional consumer price index data;

b. The public's need for adequate for-hire transportation services at reasonable rates consistent with the provision, maintenance, and continuation of such services;

- c. The rates of other for-hire transportation providers operating in similar areas;
 - d. Rates paid by passengers using other modes of transportation;
 - e. The ability of a driver to earn a living wage after covering all operating costs incurred by the owner and driver;
 - f. Other regulatory, access, or similar fees paid by drivers to serve the transportation needs of the region; and
 - g. Alignment with rates established by King County.
3. Regional taximeter rates are exclusive of any per-trip fee established by the Port of Seattle and set forth in any operating agreement or tariff, a temporary fuel surcharge authorized by the Director, a technology fee authorized by the Director, a convenience fee for electronic payment of fares, or any toll or charge established for roads, bridges, tunnels, or ferries.
4. A regional dispatch agency's affiliated taxicabs shall have regional taximeter rates programmed into its smart taximeter system. Variations from regional taximeter rates are permitted, as follows:
- a. Variations from regional taximeter rates may be applied to contract trips, upfront fares, dynamic pricing, fare splitting, trip bidding, and unless prohibited by the Director by rule, for flat-rate fares, minimum trip fares, or when operating on an application dispatch system;
 - b. The Director may prescribe by rule variations from regional taximeter rates;
 - c. Unless prescribed otherwise by the Director by rule, any variation from regional taximeter rates shall be established by a regional dispatch agency and not by an individual driver. A regional dispatch agency shall not vary a rate so that it results in a higher dispatch fee or other fee to be paid by an affiliated driver;
 - d. Variations from regional taximeter rates shall be applied in a manner that does not discriminate on the basis of a protected class within the scope of discrimination as defined in Chapter 14.06.020, or on the basis of the ride's geographic beginning or endpoints;

e. Unless a trip is dispatched via an application dispatch system, an upfront fare shall be based on the estimated time and distance calculated by the smart taximeter and multiplied by the regional taximeter rate. If the passenger rejects the upfront fare, the regional taximeter rates apply; and

f. If a flat rate between two defined points has been established, the flat rate shall be made available to the passenger prior to accepting a ride. Regional dispatch agencies must maintain a list of all established flat rates, including their defined origin and destination points, and make such list available for inspection upon request of the Director.

5. Contract rates shall be in writing, be retained by the regional dispatch agency, and be available for inspection upon request of the Director.

6. Before a licensee may use a smart taximeter system that is integrated with an application dispatch system, the Director must first determine the application dispatch system rates are transparent under subsection 6.311.380.B.

B. Application dispatch system rates are in this subsection 6.311.380.B.

1. Before using an application dispatch system, or using a smart taximeter system as an application dispatch system, the transitional regional dispatch agency or regional dispatch agency shall provide to the Director either written documentation or a physical demonstration, or both, that the application dispatch system rate structure is transparent to the passenger prior to confirming the ride. Application dispatch system rates do not need to be filed with the Director unless this Chapter 6.311 specifies otherwise. The Director shall determine that the rate structure is transparent if:

a. One of the following methodologies is used:

1) The rate by either distance or time, or a combination of distance and time, and the total fare or fare range is clearly displayed on the application dispatch system to the passenger upon requesting a ride, but before confirming the ride; or

2) The fare for the ride is made clear to the passenger prior to confirming the ride through an alternative method deemed acceptable by the Director; and

b. Any additional or higher charges such as tips, waiting time, tolls, or any other charges not included in subsections 6.311.380.B.1.a.1 and 6.311.380.B.1.a.2 shall be clearly identified by specific amount, if known, or by category, on the application dispatch system before confirming a ride; and

c. The receipt showing all charges paid by the customer is available to the regional for-hire driver in the application dispatch system.

2. During an abnormal disruption of the market, lasting for no longer than 12 consecutive hours in Seattle, a transitional regional dispatch agency or regional dispatch agency shall not raise its normal range of fare more than two times the fare that would otherwise be applicable.

C. For-hire vehicle rates are in this subsection 6.311.380.C.

1. For-hire vehicles must charge for service based on: a written contract; flat rate per trip or by zone; or by an hourly rate with minimum increments of 30 minutes. Flat charges by zone or hourly rate may vary by time of day. Zone boundaries shall be set by Director by rule and shall be consistent across all for-hire vehicle operators.

2. Records of all for-hire vehicle rates in place prior to implementing a smart taximeter system shall be maintained by the for-hire vehicle company and be made available for inspection upon request by the Director. All rates and charges shall be conspicuously available in the interior of the for-hire vehicle.

3. The for-hire vehicle rate structure shall remain in effect until the vehicle transitions to a taxicab or March 31, 2026, whichever occurs sooner. After March 31, 2026, all for-hire vehicles shall have transitioned to taxicabs and are subject to the regional taximeter rates and application dispatch system rate requirements under this Chapter 6.311.

4. If using an application dispatch system, the Director must first determine that the rates are

transparent to the passenger under subsection 6.311.380.B.

D. If the Director establishes a minimum fare, or flat rate from one location to another location, or based on the factors identified in subsection 6.311.380.A.2, such minimum fare or flat rate shall apply whether the trip originated via a taximeter, a smart taximeter, or, if specified by the Director, an application dispatch system.

E. Other rate and fare requirements are in this subsection 6.311.380.E.

1. It is unlawful to charge additional fees for carrying individuals with disabilities and their equipment or to charge rates higher to passengers with a disability than are charged to other persons. To promote equitable access to for-hire transportation for persons with disabilities, and to ensure that wheelchair accessible vehicle service is reliably available at reasonable and predictable rates, the Director may prescribe by rule fares for wheelchair accessible trips or other conditions on the rates, fares, fees, and other surcharges, or both, for providing wheelchair accessible transportation services to persons with disabilities.

2. The Director is authorized to establish a fuel surcharge to the regional taximeter rate, or that can be added as an amount to the passenger's total fare, any time the price of fuel, as published by the American Automobile Association for the local area, exceeds a fuel surcharge trigger price established in accordance with a rule adopted by the Director. The surcharge shall be an amount necessary to recoup the increased fuel costs.

3. A toll or charge established for roads, bridges, tunnels, or ferries while passengers are being transported may be added to the passenger's total fare, if such charges are not already included in the calculation of the fare.

4. Discriminatory charges are prohibited. For the purposes of this subsection 6.311.380.E.4, "discriminatory charges" means policies or practices that result in higher charges or rates being applied to passengers belonging to a protected class within the scope of discrimination as defined in Section 14.06.020 compared to other passengers.

5. The Director may establish by rule the process and criteria associated with the Director's

review and approval of a technology fee that is intended to help offset the cost of implementing, operating, and maintaining a smart taximeter system and that may be added to the fare for all trips subject to the regional taximeter rates in subsection 6.311.380.A.

6.311.390 Emerging for-hire transportation models

A. The Director may prescribe by rule the implementation of a discrete licensing program for emerging for-hire transportation models that do not fit within the parameters of this Chapter 6.311 or Chapter 6.310.

B. The Director shall determine whether a proposed business activity is an emerging business type or a nontraditional business activity that falls outside the parameters of any existing license under this Chapter 6.311 or Chapter 6.310, and whether the proposed business activity presents potential risks to the public health, safety, and welfare such that, for the protection of the public, the activity must be regulated and licensed.

C. The Director may grant the applicant an emerging for-hire transportation license to operate in the proposed business activity on a pilot basis.

D. The emerging for-hire transportation license shall be renewed annually for a maximum of two years, after which the license shall expire. The emerging for-hire transportation license shall be a personal privilege and not property. The emerging for-hire transportation license shall not be transferrable to another location, person, or business entity.

E. The Director may attach conditions to the emerging for-hire transportation license as are reasonably required to protect the public health, safety, labor harmony, and welfare from risks including, but not limited to: adverse impact on public health; public safety; increased demand on government services; increased environmental impacts; or increased traffic or congestion in the public way. The Director may attach any such conditions when the emerging for-hire transportation license is issued, or the Director may attach, remove, or modify conditions at any time during the term of the permit, upon reasonable notice to the licensee.

F. The Director may determine at any time during the term of the emerging for-hire transportation license that the licensed business activity as conducted presents an unreasonable risk to public health and safety

that cannot be mitigated, and may revoke the license, with or without prior notice. If a license is revoked, the licensee shall be given the opportunity to appear before the Director for an informal hearing to introduce any evidence to appeal the revocation before the revocation is effective or no later than ten days after the revocation is effective. The Director shall render a decision affirming or reversing the revocation within three business days after conclusion of the hearing. The decision of the Director is final.

G. If the Director determines that a type of emerging business model that has been issued an emerging for-hire transportation license should be regulated by ordinance, the Director shall convey the determination to the City Council prior to the expiration of the license. The license shall not be extended beyond two years unless an ordinance regulating the emerging business model is effective and the emerging business has obtained any necessary license under that ordinance.

6.311.400 Consumer feedback

The Director may establish, in conjunction with King County and the Port of Seattle, a shared process to receive and, when appropriate, resolve consumer feedback and may communicate the process to consumers.

6.311.410 For-hire transportation services complaint process

A. Upon receiving a written complaint involving the conduct of a licensee, where the conduct may be a violation of this Chapter 6.311, the Director shall review the complaint, and if appropriate:

1. Issue a notice of complaint to the licensee, and if applicable, the affiliated transitional regional dispatch agency or regional dispatch agency, advising them of the allegations or allegations made in the complaint;
2. Require the licensee, and if applicable, the affiliated transitional regional dispatch agency or regional dispatch agency, to respond in writing or by contacting the issuing inspector to provide a response to the allegations or allegations in the notice of complaint within 15 calendar days from the date the notice of complaint was issued;
3. Investigate the allegations in the written complaint and the response submitted by the licensee

and if applicable, the response submitted by the transitional regional dispatch agency or regional dispatch agency representative; and

4. Make a finding as to the validity of the allegations in the written complaint. If the complaint is found to be valid, the Director may take enforcement action consistent with this Chapter 6.311.

B. Failure to respond to a notice of complaint, either in writing or by contacting the issuing inspector, within 15 calendar days shall constitute a waiver of the licensee's and, if applicable, the affiliated agency's right to respond to the allegations in the written complaint and shall be prima facie evidence that the allegations are valid.

6.311.415 Exclusive driver representatives

A. The Director shall promulgate a commencement date no later than January 17, 2017.

B. The process of designating a QDR shall be prescribed by Director's rule. The designation of a QDR shall be based on, but not limited to, consideration of the following factors:

1. Registration with the Washington Secretary of State as a not-for-profit entity;

2. Organizational bylaws that give drivers the right to be members of the organization and participate in the democratic control of the organization; and

3. Experience in and/or a demonstrated commitment to assisting stakeholders in reaching consensus agreements with, or related to, employers and contractors.

C. An entity wishing to be considered as a QDR for for-hire drivers operating within the City must submit a request to the Director within 30 days of the commencement date or at a later date as provided in subsection 6.311.415.G. Within 14 days of the receipt of such a request, the Director will notify the applicant in writing of the determination. Applicants who dispute the Director's determination may appeal to the Hearing Examiner within ten days of receiving the determination. The Director shall provide a list of all QDRs to all driver coordinators.

1. An entity that has been designated as a QDR shall be required to establish annually that it

continues to satisfy the requirements for designation as a QDR.

2. An entity that has been designated as a QDR and that seeks to represent the drivers of a driver coordinator shall notify the driver coordinator of its intent to represent those drivers within 14 days of its designation as a QDR. That notice may be provided by any means reasonably calculated to reach the driver coordinator, including by written notice mailed or delivered to a transportation network company or taxicab association representative at the mailing address listed with the City.

D. Driver coordinators who have hired, contracted with, partnered with, or maintained a contractual relationship or partnership with, 50 or more for-hire drivers in the 30 days prior to the commencement date, other than in the context of an employer-employee relationship, must, within 75 days of the commencement date, provide all QDRs that have given the notice specified in subsection 6.311.415.C.2 the names, addresses, email addresses (if available), and phone number (if available) of all qualifying drivers they hire, contract with, or partner with.

E. QDRs shall use driver contact information for the sole purpose of contacting drivers to solicit their interest in being represented by the QDR. The QDR may not sell, publish, or otherwise disseminate the driver contact information outside the entity/organization.

F. The Director shall certify a QDR as the EDR for all drivers contracted with a particular driver coordinator, according to the following:

1. Within 120 days of receiving the driver contact information, a QDR will submit statements of interest to the Director from a majority of qualifying drivers from the list described in subsection 6.311.415.D. Each statement of interest shall be signed, dated, and clearly state that the driver wants to be represented by the QDR for the purpose of negotiations with the driver coordinator. A qualifying driver's signature may be provided by electronic signature or other electronic means. The Director shall determine by rule the standards and procedures for submitting and verifying statements of interest by qualifying drivers choosing an EDR.

a. The methods for submitting and verifying statements of interest by qualifying drivers

choosing an EDR may include, but not be limited to, signature verification, unique personal identification number verification, statistical methods, or third party verification.

2. Within 30 days of receiving such statements of interest, the Director shall determine if they are sufficient to designate the QDR as the EDR for all drivers for that particular driver coordinator, and if so, shall so designate the QDR to be the EDR, except that, if more than one QDR establishes that a majority of qualifying drivers have expressed interest in being represented by that QDR, the Director shall designate the QDR that received the largest number of verified affirmative statements of interest to be the EDR.

3. Within 30 days of receiving submissions from all QDRs for a particular driver coordinator, the Director shall either certify one to be the EDR or announce that no QDR met the majority threshold for certification.

G. If no EDR is certified for a driver coordinator, the Director shall, upon the written request from a designated QDR or from an entity that seeks to be designated as a QDR, promulgate a new commencement date applicable to that driver coordinator that is no later than 90 days after the request, provided that no driver coordinator shall be subject to the requirements of this Section 6.311.415 more than once in any 12-month period. The QDR, any other entity that seeks to be designated as a QDR, and the driver coordinator shall then repeat the processes in subsections 6.311.415.C, 6.311.415.D, and 6.311.415.F.

H.

1. Upon certification of the EDR by the Director, the driver coordinator and the EDR shall meet and negotiate in good faith certain subjects to be specified in rules or regulations promulgated by the Director, including, but not limited to, best practices regarding vehicle equipment standards; safe driving practices; the manner in which the driver coordinator will conduct criminal background checks of all prospective drivers; minimum hours of work, conditions of work, and applicable rules. The subjects to be specified in rules or regulations promulgated by the Director shall not include the nature or amount of payments to be made by, or withheld from, a driver coordinator to or by its drivers. If the driver coordinator and the EDR reach agreement

on terms, their agreement shall be reduced to a written agreement. The term of such an agreement shall be agreed upon by the EDR and the driver coordinator, but in no case shall the term of such an agreement exceed four years.

2. After reaching agreement, the parties shall transmit the written agreement to the Director. The Director shall review the agreement for compliance with the provisions of Chapter 6.311, and to ensure that the substance of the agreement promotes the provision of safe, reliable, and economical for-hire transportation services and otherwise advance the public policy goals set forth in this Chapter 6.311 and in the Preamble to and Section 1 of Ordinance 124968. In conducting that review, the record shall not be limited to the submissions of the EDR and driver coordinator nor to the terms of the proposed agreement. The Director shall have the right to gather and consider any necessary additional evidence, including by conducting public hearings and requesting additional information from the EDR and driver coordinator. Following this review, the Director shall notify the parties of the determination in writing, and shall include in the notification a written explanation of all conclusions. Absent good cause, the Director shall issue the determination of compliance within 60 days of the receipt of an agreement.

a. If the Director finds the agreement compliant, the agreement is final and binding on all parties.

b. If the Director finds it fails to comply, the Director shall remand it to the parties with a written explanation of the failure(s) and, at the Director's discretion, recommendations to remedy the failure(s).

c. The agreement shall not go into effect until the Director affirmatively determines its adherence to the provisions of Chapter 6.311 and that the agreement furthers the provision of safe, reliable, and economical for-hire transportation services and the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968.

3. Unless the EDR has been decertified pursuant to subsection 6.311.415.L or has lost its designation as a QDR, the EDR and the driver coordinator shall, at least 90 days before the expiration of an

existing agreement approved pursuant to subsections 6.311.415.H.2.c or 6.311.415.I.4.c, meet to negotiate a successor agreement. Any such agreement shall be subject to approval by the Director pursuant to subsection 6.311.415.H.2. If the parties are unable to reach agreement on a successor agreement within 90 days after the expiration of an existing agreement, either party must submit to interest arbitration upon the request of the other pursuant to subsection 6.311.415.I, and the interest arbitrator's proposed successor agreement shall be subject to review by the Director pursuant to subsections 6.311.415.I.3 and 6.311.415.I.4.

4. Nothing in this Section 6.311.415 shall require or preclude a driver coordinator from making an agreement with an EDR to require membership of for-hire drivers in the EDR's entity/organization within 14 days of being hired, contracted with, or partnered with by the driver coordinator to provide for-hire transportation services to the public.

I. If a driver coordinator and the EDR fail to reach an agreement within 90 days of the certification of the EDR by the Director, either party must submit to interest arbitration upon the request of the other.

1. The interest arbitrator may be selected by mutual agreement of the parties. If the parties cannot agree, then the arbitrator shall be determined as follows: from a list of seven arbitrators with experience in labor disputes and/or interest arbitration designated by the American Arbitration Association, the party requesting arbitration shall strike a name. Thereafter the other party shall strike a name. The process will continue until one name remains, who shall be the arbitrator. The cost of the interest arbitration shall be divided equally between the parties.

2. The interest arbitrator shall propose the most fair and reasonable agreement concerning subjects specified in rules or regulations promulgated by the Director as set forth in subsection 6.311.415.H.1 that furthers the provision of safe, reliable, and economical for-hire transportation services and the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968. The term of any agreement proposed by the interest arbitrator shall not exceed two years. In proposing that agreement, the interest arbitrator shall consider the following criteria:

- a. Any stipulations of the parties;
- b. The cost of expenses incurred by drivers (e.g., fuel, wear and tear on vehicles, and insurance);
- c. The safety and equipment standards and rules applicable to other persons, whether employees or independent contractors, employed as for-hire or taxicab drivers in Seattle and its environs, as well as other comparably sized urban areas;
- d. The hours and conditions of employment of other persons, whether employees or independent contractors, employed as for-hire or taxicab drivers in Seattle and its environs, as well as other comparably sized urban areas;
- e. If raised by the driver coordinator, the driver coordinator's financial condition and need to ensure a reasonable return on investment and/or profit;
- f. Any other factors that are normally or traditionally taken into consideration in the determination of hours, safety and equipment standards, rules, and conditions of employment; and
- g. The City's interest in promoting the provision of safe, reliable, and economical for-hire transportation services and otherwise advancing the public policy goals set forth in Chapter 6.311 and in the Preamble to and Section 1 of Ordinance 124968.

3. The arbitrator shall transmit the proposed agreement to the Director for review in accordance with the procedures and standards set forth in subsection 6.311.415.H.2. With the proposed agreement, the arbitrator shall transmit a report that sets forth the basis for the arbitrator's resolution of any disputed issues. The Director shall review the agreement as provided in subsection 6.311.415.H.2.

4. In addition to the review provided for in subsection 6.311.415.I.3, a driver coordinator or EDR may challenge the proposed agreement on the following grounds: that the interest arbitrator was biased, that the interest arbitrator exceeded the authority granted by subsection 6.311.415.H and this subsection 6.311.415.I, and/or that a provision of the proposed agreement is arbitrary and capricious. In the event of such a

challenge, the Director will provide notice to the driver coordinator and the EDR, allow the driver coordinator and the EDR the opportunity to be heard, and make a determination as to whether any of the challenges asserted should be sustained.

a. If the Director finds the agreement fulfills the requirements of subsection 6.311.415.H.2, and that no challenges raised under this subsection 6.311.415.I.4 should be sustained, the Director will provide written notice of that finding to the parties and the agreement will be deemed final and binding on all parties.

b. If the Director finds that the agreement fails to fulfill the requirements of subsection 6.311.415.H.2, or that any challenge asserted under this subsection 6.311.415.I.4 should be sustained, the Director shall remand the agreement to the interest arbitrator with a written explanation of the failure(s) and, at the Director's discretion, recommendations to remedy the failure(s).

c. The agreement shall not go into effect until the Director affirmatively deems the agreement final and binding pursuant to subsections 6.311.415.I.3 and 6.311.415.I.4.a.

d. A driver coordinator or EDR may obtain judicial review of the Director's final determination rendered pursuant to this subsection 6.311.415.I.4 by applying for a Writ of Review in the King County Superior Court within 14 days from the date of the Director's determination, in accordance with the procedure set forth in chapter 7.16 RCW, other applicable law, and court rules. The Director's final determination shall not be stayed pending judicial review unless a stay is ordered by the court. If review is not sought in compliance with this subsection 6.311.415.I.4.d, the determination of the Director shall be final and conclusive.

5. If either party refuses to enter interest arbitration, upon the request of the other, either party may pursue all available judicial remedies.

J. During the term of an agreement approved by the Director under subsection 6.311.415.H or 6.311.415.I, the parties may discuss additional terms and, if agreement on any amendments to the agreement

are reached, shall submit proposed amendments to the Director, who shall consider the proposed amendment in accordance with the procedures and standards in subsection 6.311.415.H.2. Any proposed amendment shall not go into effect until the Director affirmatively determines its adherence to the provisions of Chapter 6.311 and that it furthers the provision of safe, reliable and economical for-hire transportation services and the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968.

1. During the term of an agreement approved by the Director under subsection 6.311.415.H or 6.311.415.I, the Director shall have the authority to withdraw approval of the agreement if the Director determines that the agreement no longer adheres to the provisions of Chapter 6.311 or that it no longer promotes the provision of safe, reliable, and economical for-hire transportation services and the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968. The Director shall withdraw such approval only after providing the parties with written notice of the proposed withdrawal of approval and the grounds therefor and an opportunity to be heard regarding the proposed withdrawal. The Director's withdrawal of approval shall be effective only upon the issuance of a written explanation of the reasons why the agreement no longer adheres to the provisions of Chapter 6.311 or no longer furthers the provision of safe, reliable, and economical for-hire transportation services or the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968.

2. The Director shall have the authority to gather and consider any necessary evidence in exercising the authority provided by this subsection 6.311.415.J.

3. A driver coordinator shall not make changes to subjects set forth in subsection 6.311.415.H or specified in rules or regulations promulgated by the Director without meeting and discussing those changes in good faith with the EDR, even if the driver coordinator and EDR have not included terms concerning such subjects in their agreement.

K. A driver coordinator shall not retaliate against any for-hire driver for exercising the right to participate in the representative process provided by this Section 6.311.415, or provide or offer to provide money or

anything of value to any for-hire driver with the intent of encouraging the for-hire driver to exercise, or to refrain from exercising, that right. It shall be a violation for a driver coordinator or its agent, designee, employee, or any person or group of persons acting directly or indirectly in the interest of the driver coordinator in relation to the for-hire driver to:

1. Interfere with, restrain, or deny the exercise of, or the attempt to exercise, any right protected under this Section 6.311.415; or

2. Take adverse action, including, but not limited to, threatening, harassing, penalizing, or in any other manner discriminating or retaliating against a driver, because the driver has exercised the rights protected under this Section 6.311.415.

L. Decertification. An Exclusive Driver Representative may be decertified according to the following:

1. The Director receives a petition to decertify an EDR no more than 30 days before the expiration of an agreement reached pursuant to this Section 6.311.415 or no less than three years after the agreement's effective date, whichever is earlier.

- a. A decertification petition must be signed by ten or more qualifying drivers. The Director shall determine by rule the standards and procedures for submitting the decertification petition.

2. Once a petition has been accepted by the Director, the Director shall issue notice to the driver coordinator and the EDR of the decertification petition and promulgate a decertification date.

3. The driver coordinator shall have 14 days from the decertification date to transmit the list of qualifying drivers to the petitioners and the EDR.

4. Within 120 days of receiving the driver contact information, petitioners for a decertification will submit to the Director statements of interest from a majority of qualifying drivers from the list described in subsection 6.311.415.K.3. The statements of interest shall be signed and dated and shall clearly indicate that the driver no longer wants to be represented by the EDR for the purpose of collective bargaining with the driver coordinator. The Director shall determine by rule the standards and procedures for submitting and verifying the

statements of interest of qualifying drivers.

5. Within 30 days of receiving such statements of interest, the Director shall determine if they are sufficient to decertify the EDR for that particular driver coordinator. The Director shall either decertify the EDR, or declare that the decertification petition did not meet the majority threshold and reaffirm that the EDR shall continue representing all drivers for that particular driver coordinator.

a. If an EDR is decertified for a particular driver coordinator, the process of selecting a new EDR may start according to the process outlined in subsection 6.311.415.G.

M. Enforcement

1. Powers and duties of Director

a. The Director is authorized to enforce and administer this Section 6.311.415. The Director shall exercise all responsibilities under this Section 6.311.415 pursuant to rules and regulations developed under Chapter 3.02. The Director is authorized to promulgate, revise, or rescind rules and regulations deemed necessary, appropriate, or convenient to administer the provisions of this Section 6.311.415, providing affected entities with due process of law and in conformity with the intent and purpose of this Section 6.311.415.

b. The Director shall investigate alleged violations of subsections 6.311.415.D and 6.311.415.H.1, and if the Director determines that a violation has occurred, the Director shall issue a written notice of the violation. The Director may investigate alleged violations of other subsections of this Section 6.311.415, and if the Director determines that a violation has occurred, the Director shall issue a written notice of the violation. The notice shall:

1) Require the person or entity in violation to comply with the requirement;

2) Include notice that the person or entity in violation is entitled to a hearing

before the Hearing Examiner to respond to the notice and introduce any evidence to refute or mitigate the violation, in accordance with Chapter 3.02; and

3) Inform the person or entity in violation that a daily penalty of up to \$10,000 for every day the violator fails to cure the violation will accrue if the violation is uncontested or found committed.

c. The person or entity named on the notice of violation must file with the Hearing Examiner's Office the request for a hearing within ten calendar days after the date of the notice of violation. The Hearing Examiner may affirm, modify, or reverse the Director's notice of violation.

d. If the person or entity named on the notice of violation fails to timely request a hearing, the notice of violation shall be final and the daily penalty of up to \$10,000 will accrue until the violation is cured.

e. Nothing in this Section 6.311.415 shall be construed as creating liability or imposing liability on the City for any non-compliance with this Section 6.311.415.

2. Judicial review. After receipt of the decision of the Hearing Examiner, an aggrieved party may pursue all available judicial remedies.

3. Private right of action. Subsections 6.311.415.D, 6.311.415.E, 6.311.415.H, and 6.311.415.K may be enforced through a private right of action. Any aggrieved party, including, but not limited to, an EDR, may bring an action in court, and shall be entitled to all remedies available at law or in equity appropriate to remedy any violation of this Section 6.311.415. A plaintiff who prevails in any action against a private party to enforce this section 6.311.415 may be awarded reasonable attorney's fees and costs.

4. Contractual remedies. Nothing in this Section 6.311.415 shall be construed as preventing the parties to an agreement approved by the Director from pursuing otherwise available remedies for violation of such agreement.

6.311.420 Violations and penalties - Generally

A. It is a violation for any person to not meet or maintain compliance with any requirement of this Chapter 6.311 or rule issued by the Director. If the Director determines that any of this Chapter 6.311's

requirements or rules have been violated, the Director may issue:

1. A citation;
2. A license action; or
3. A citation and a license action.

B. The Director shall reject a license or medallion application if it has any material misstatement or omission.

C. In determining a monetary penalty, the Director shall consider the gravity of the violation; the number of past violations committed; the size of the business of the violator; the deterrent effect of monetary penalties; and the good faith of the violator in attempting to achieve compliance after notification of the violation.

D. A person shall pay all fees, surcharges, and monetary penalties that are owed under this Chapter 6.311. If the person cited fails to pay a monetary penalty imposed under this Chapter 6.311, the monetary penalty may be referred to a collection agency. The cost to the Director for the collection services will be added to the penalty. Alternatively, the Director may pursue collection in any other manner allowed by law. The Director shall refuse to issue a license, endorsement, or medallion at the time of renewal if the person has outstanding fees, surcharges, or monetary penalties issued under this Chapter 6.311.

E. Each day a person violates or fails to comply with one of the requirements of this Chapter 6.311 may be considered a separate violation for which a citation may be issued.

F. It is a misdemeanor for any person to violate the operating standards established in this Chapter 6.311 if the violation demonstrates a habitual disregard for the standards in this Chapter 6.311. The Director may refer such a person for prosecution as an alternative to the citation and license action procedures outlined in this Chapter 6.311.

G. The Director may seek legal or equitable relief to enjoin any acts or practices when necessary to achieve compliance.

H. Nothing in this Section 6.311.420 limits or precludes any action or proceeding to enforce this Chapter 6.311, and nothing obligates or requires the Director to issue a citation or license action prior to the imposition of criminal penalties.

I. The Director shall revoke a license or deny a license application at renewal for an offense of subsection 6.311.170.O;

J. For rules promulgated in accordance with subsections 6.311.160.V, 6.311.310.A.16, and 6.311.360.A.25, the Director shall specify any applicable civil penalty or license action in the rule itself; and

K. Any violation not enumerated in this Section 6.311.430 that does not pose a threat or hazard to life, safety, or property shall have a civil penalty of up to \$120. Any violation not enumerated in this Section 6.311.430 that poses a threat or hazard to life, safety, or property shall have a civil penalty of up to \$300.

6.311.440 Citations and license actions

A. The Director may issue citations and suspend, summarily suspend, deny, or revoke any license, endorsement, or medallion of any person for violating or failing to comply with any applicable provision of this Chapter 6.311.

B. Notwithstanding any other provision of this Chapter 6.311, the Director may summarily suspend a license, endorsement, or medallion issued under this Chapter 6.311, with the suspension to take effect immediately by order of the Director prior to any hearing upon finding that:

1. There is reasonable cause to believe that the licensee has engaged in activity that causes or will cause a clear, substantial, and imminent hazard to life, safety, property, or privacy of the driver, passenger, or public, or any combination thereof; or

2. There is a lapse in coverage or the coverage of any surety bond or public liability insurance policy required to be filed with the Director is less than the minimum requirements of Section 6.311.270.

C. The following applies to license actions:

1.

a. Whenever any license, endorsement, or medallion is revoked or summarily suspended the revocation or summary suspension is effective upon issuance of the notice. Such notice may be appealed in accordance with the procedures of Section 6.311.450. If a timely appeal is not filed by the licensee, the notice of revocation or summary suspension shall be final.

b. A final order of revocation shall extend for 12 months, except for a final medallion revocation. Upon the final order of revocation of a medallion, where all appellate proceedings, if any, have been concluded, a medallion owner shall immediately surrender the taxicab or for-hire vehicle medallion plate or decal to the Director and has 60 days to transfer the medallion as prescribed by Section 6.311.230.

c. A final order of summary suspension shall extend until the license, endorsement, or medallion expires or until evidence satisfactory to the Director is produced showing that the violation is cured, whichever occurs first;

2. If the licensee does not file a timely appeal in accordance with Section 6.311.450, the notice of suspension shall be final. Suspensions are effective upon the date included in the notice of suspension or if timely appealed under Section 6.311.450, when an order on appeal affirming such notice becomes final. Suspensions shall extend until the license or endorsement expires or until evidence satisfactory to the Director is produced showing that the violation is cured, whichever occurs first; and

3. Except in the case of revocation or summary suspension, whenever a timely appeal is filed in accordance with Section 6.311.450, a licensee may continue to operate pending a final decision on appeal; however, an applicant not licensed in the preceding license year may not engage in the activity for which the license is required pending a final decision on appeal.

6.311.450 Notice and hearing for citations, denials, suspensions, summary suspensions, and revocations

A. A citation or license action shall include the following:

1. The name and address of the person to whom the citation or license action is issued;
2. The address of the location, if relevant, where the violation occurred;
3. A separate statement of each provision violated;
4. The date of the violation;
5. The applicable monetary penalty;
6. A statement that the person cited must respond to the citation or license action within 24 calendar days after service;
7. A statement that a response must be sent to the Hearing Examiner and received not later than 4:30 p.m. on the day the response is due;
8. Contact information for where the citation or license action is to be filed;
9. A statement that the citation or license action represents a determination that a violation has been committed by the person named in the citation or license action and that the determination shall be final unless appealed in accordance with this Chapter 6.311; and
10. A statement certified under penalty of perjury by the Director's representative issuing the citation or license action setting forth facts supporting issuance of the citation or license action.

B. The citation or license action shall be addressed to the person allegedly responsible for the violation, and be served by first-class mail, electronically, or in person. Service by first-class mail shall be deemed complete three days after the mailing. If a citation or license action sent electronically or by first class mail is

returned as undeliverable, the citation or license action may be served in person. The Director shall respond to inquiries concerning the facts and process of the decision and requests for any files that detail the facts on which the Director based the ruling.

C. A person cited must respond to a citation in one of the following ways:

1. Pay the amount of the monetary penalty specified in the citation within 30 calendar days of issuance, in which case the record shall show a finding that the person cited committed the violation;
2. Timely request in writing a hearing to mitigate, by explaining the circumstances surrounding the commission of the violation, and providing an address to which notice of the hearing may be sent; or
3. Timely request in writing a hearing to appeal, by disputing the commission of the violation, and providing an address to which notice of the hearing may be sent.

D. The Director's license action is final unless the person cited timely requests in writing a hearing to appeal the license action and provides an address to which notice of such hearing may be sent.

E. If requesting a hearing, a response to a citation or license action must be received by the Hearing Examiner no later than 24 calendar days after the date the citation is served. When the last day of the appeal period so computed is a Saturday, Sunday, or holiday, the period shall run until 4:30 p.m. on the next business day. If a person fails to respond to a citation or license action within 24 calendar days of service, the citation and monetary penalty or license action shall become the final order of the Director and is unreviewable by the Hearing Examiner.

F. Appeals of license actions shall be heard by the Hearing Examiner of the jurisdiction issuing the license action. The presiding Hearing Examiner shall decide the appeal under the applicable portions of both the Seattle Municipal Code and the King County Code. The City Hearing Examiner is bound by any interpretation of the applicable King County Code by the King County Hearing Examiner in a license action appeal. The City Hearing Examiner shall forward all decisions made under this subsection F to the King County Hearing Examiner within ten business days of issuing the decision. Appeals of citations shall be heard

by the Hearing Examiner of the jurisdiction issuing the citation, and the City Hearing Examiner shall decide the appeal under the Seattle Municipal Code. The hearing for either a license action or a citation shall be held within 45 calendar days after written response is received by the Hearing Examiner, except that hearings for summary suspension shall be held within ten business days of the request, unless a later date is agreed to by the person issued the license action. With the exception of summary suspension hearings, notice of the time, place, and date of the hearing shall be sent to the address specified in the request for hearing not less than ten calendar days before the hearing.

G. Hearings to appeal the citation or license action shall be conducted in accordance with the procedures and rules of the Hearing Examiner. The issues heard at the hearing shall be limited to those that are raised in writing in the response to the citation or license action and that are within the jurisdiction of the Hearing Examiner. The Hearing Examiner may issue subpoenas for the attendance of witnesses and the production of documents. The Director shall have the burden of proving by a preponderance of the evidence both that the violation occurred and the appropriateness of the remedy the Director has imposed.

H. A citation or license action shall not be deemed insufficient for failure to contain a detailed statement of the facts constituting the specific violation that the person is alleged to have committed or by reason of defects or imperfections, but only if the lack of detail, or the defects or imperfections, do not prejudice substantial rights of the person. A citation or license action may be amended before the conclusion of the hearing to conform to the evidence presented if substantial rights of the affected person are not thereby prejudiced.

I. The certified statement or declaration authorized by chapter 5.50 RCW shall be prima facie evidence that a violation occurred and that the person listed on the citation or license action is responsible. The certified statement or declaration authorized under penalty of perjury and any other evidence accompanying the report shall be admissible without further evidentiary foundation. In cases where the person seeks to mitigate the citation, the person may explain the circumstances surrounding the commission of the violation. In cases where

the person disputes the citation or license action, the person may rebut the Director's evidence and establish that the violation or violations preceding the citation or license action did not occur or that the person appealing the citation or license action is not responsible for the violation.

J. In a mitigation hearing, the Hearing Examiner shall determine whether the person's explanation justifies reduction of the monetary penalty. However, the monetary penalty may not be reduced unless the Director affirms or certifies that the violation has been corrected prior to the mitigation hearing. Factors that may be considered in whether to reduce the penalty include: whether the violation was caused by the act, neglect, or abuse of another; or whether correction of the violation was commenced before the issuance of the citation but full compliance was prevented by a condition or circumstance beyond the control of the person cited. The Hearing Examiner shall enter an order finding that the person cited committed the violation and assess a monetary penalty.

K. If the citation or license action is sustained at the hearing, the Hearing Examiner shall enter an order finding that the person committed the violation and impose the applicable monetary penalty or enter an order affirming the license action. The Hearing Examiner may reduce the monetary penalty of a citation in accordance with subsection 6.311.450.J. If the Hearing Examiner determines that the violation did not occur, the Hearing Examiner shall enter an order dismissing the citation or denying the license action.

L. Failure to appear for a requested hearing will result in the Hearing Examiner entering an order finding that the person committed the violation and assessing the penalty specified in the citation or finding that the person committed the violation and affirming the license action. For good cause shown and upon terms the Hearing Examiner deems just, the Hearing Examiner may set aside an order entered upon a failure to appear and schedule a new hearing date.

M. If a license action involving a vehicle is upheld, and the vehicle is to be temporarily or permanently placed out of service, the Director shall initiate the temporary deactivation process authorized under this Chapter 6.311 and the licensee shall immediately surrender all applicable vehicle medallion plates or decals to

the Director.

N. The decision of the Hearing Examiner shall be final and conclusive unless judicial review is timely filed with the appropriate court.

O. The Hearing Examiner may affirm, modify, or reverse the decisions of the Director.

P. The Director may contract with a third party to serve as the Hearing Examiner for purposes of this Chapter 6.311, if done in conjunction with King County.

B. The Director may suspend or suspend and modify requirements of this Chapter 6.311 by rule related to licensing and operating standards, fees, and rates. 1. Whether the action would serve the public interest, including the public's need for safe, reliable, and effective for-hire transportation;

 3. Whether such action would improve the economic viability for drivers and vehicle owners;
- and
4. Whether such action would encourage and enable companies and agencies to innovate and improve customer service and increase access to for-hire transportation options.

C. The Director may establish rules either for taxicabs or for-hire vehicles or for both to operate when equipped with an automated driving system and may establish associated penalties. Unless granted such authority by the Director by rule, an autonomous vehicle providing for-hire transportation services is prohibited from autonomous operation. A Director's rule granting such authority is subject to the following conditions:

1. The Director must obtain written concurrence in advance from the Directors of the Community Safety and Communications Center (CSCC), Seattle Department of Transportation (SDOT), Seattle Fire Department (SFD), and Seattle Police Department (SPD) to authorize autonomous operation of an autonomous vehicle providing for-hire transportation services; and
2. The Director must establish safety and regulatory requirements for autonomous operation of an autonomous vehicle providing for-hire transportation services, including but not limited to requiring the following items before deployment: advanced notification of deployment; notice of contact information and

public outreach events; first responder interaction information with CSCC, SFD, and SPD; proof of insurance acceptable to the City; indemnification acceptable to the City; notification of collisions, moving violations, or other reportable events as required by state law; and demonstrated compliance with Washington State Department of Licensing requirements, including but not limited to self-certification; and any other requirements from state law.
