Background: <i>As a Seattle renter, I've experienced firsthand the challenges of finding and keeping stable, affordable housing in our city. I care deeply about making sure renters have a real voice in shaping policies that impact our lives, especially when it feels like city leadership isn't always focused on renter needs. My background combines community organizing, campaign support, and extensive experience in knowledge management. I've led working groups to help people connect and share resources, and I know how to bring voices together to work toward common goals. I would love to help organize and support tenant working groups within the Commission, and I am eager to contribute to advocacy efforts that push for stronger renter protections and more transparent city processes.</i>
